1. The ability to utilize standard written English.
2. The ability to solve practical mathematical problems.
3. The ability to read, analyze, and interpret information.

STUDENT REQUIREMENTS (ONLINE)

Students are required to complete all assignments and to attend the required proctored campus exam. To reserve a seat in the class, students are expected to complete all the sections of the Getting Started Module. Within the module is a Student Introduction discussion board. A response of at least 75 words is needed before 11:59 p.m. (end of day) on August 16. Students who do not respond will be no-showed, which could have a negative effect on financial aid. Also, students will have at least one week to complete tests and assignments. All tests and assignments are due at 11:59 p.m. (end of day) on Tuesday of each week. **Late assignments will not be accepted.** Assignment boxes will be inactive after 11:59 p.m. All assignments must be submitted through Blackboard and typed in **Microsoft Word**. Course assignments that will not open, are not dropped in the appropriate assignment box, are not submitted as an attachment, or are late will receive a zero. Since students have a week to complete assignments, exams and quizzes will not be reset. If Blackboard times out (submits a quiz or exam before the student is ready to submit), email the instructor immediately. The instructor will send an alternate writing assignment. In addition, grades will not be rounded. If a student's final average is 69.5, he or she will receive a D for the course. Finally, I will not drop a grade or give extra credit assignments.

REMEMBER:

- Submit all assignments in a Word document.
- Always use MLA formatting.
- Do not plagiarize. All assignments should be completed **in your own words**. I check each paper for plagiarism. If students can find the information, so can I.
- Submit all assignments as **attachments** through the provided digital assignment box. (Unless different instructions are given, assignments submitted in text box will receive a zero.)
- Do not submit any written assignment in text-like format. Use standard forms of writing.
- It is a good idea to save all assignments on a jump drive or the student R-drive.

ONLINE ATTENDANCE

It is the student's responsibility to be academically engaged each week doing course related activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an F in a course.

Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Students will have at least one week to complete tests and assignments. All tests and assignments are due at 11:59 p.m. on Tuesday of each week. Exceptions to the due dates of assignments due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

SPECIAL NEEDS

Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact Helen Thomas, 912-538-3126, hthomas@southeasterntech.edu, to coordinate reasonable accommodations.

SPECIFIC ABSENCES

Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

PREGNANCY

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please advise me and make appropriate arrangements with Helen Thomas, 912-538-3126, hthomas@southeasterntech.edu.

WITHDRAWAL PROCEDURE

Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% portion of the semester (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" is assigned when the student completes the withdrawal form from the course.

Students who are dropped from courses due to attendance (see your course syllabus for attendance policy) after drop/add until the 65% point of the semester will receive a "W" for the course. Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of 'F' being assigned.

After the 65% portion of the semester, the student will receive a grade for the course. (Please note: A zero will be given for all missed assignments.)

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. All grades, including grades of 'W', will count in attempted hour calculations for the purpose of Financial Aid.

Remember - Informing your instructor that you will not return to his/her course does not satisfy the approved withdrawal procedure outlined above.

PROCTORED EVENT REQUIREMENT

In order to validate student identity for all online courses, students enrolled in online courses are **required** to

complete one proctored event per online course. The proctored event will be administered on two separate days during the semester—once on the Vidalia campus and once on the Swainsboro campus and will be monitored by the instructor or another STC employee. The proctored event may be a major exam, assignment, or presentation, etc. that will count a minimum of 20% of the course grade. Students must attend one of the scheduled proctored sessions and will need to make arrangements with work, childcare, etc. The specific dates of the proctored event are scheduled on the Lesson Plan/Calendar for the online course. Students living further than 75 miles from either campus who cannot come to Southeastern Tech for the event must secure an approved proctoring site. The site and the proctor must meet Southeastern Technical College's requirements (instructor will provide more information and necessary forms if this is the case). Note: Students taking proctored events off campus will utilize the Proctor Scheduling and Approval Form found in Blackboard within the Getting Started/Start Here and Proctoring Event area. The completed form should be submitted to the course instructor a minimum of two weeks prior to the proctored event. If approved, the instructor will notify the proctor.

Students arranging off-campus proctoring must take the event on one of the originally scheduled days. Students who do not complete the proctored event as scheduled must submit a valid documented excuse within three business days after the scheduled event. If the excuse is approved, students must make arrangements with the instructor to makeup/reschedule the missed event. The penalty and makeup instructions will be at the instructor's discretion. Proctored events will be given after the 65% point of the semester. **Students who do not complete the proctored event will receive an F in the course.**

As published on STC's website, any expenses incurred to obtain a proctor will be the responsibility of the student; however, students are not charged a proctoring fee when taking the proctored exam on the campus of Southeastern Tech. Most of Georgia's technical colleges do not charge to proctor exams for students enrolled in other TCSG colleges. Students who are enrolled at Southeastern Technical College and live out of the state of Georgia or out of the country could incur a proctoring charge. However, in that instance, the instructor would assist the student in locating the least expensive proctor.

The required proctored event for ENGL 2130 is scheduled on the following dates and times: Swainsboro Campus, November 9, 2017, from 3:00-4:30 p.m. in Building 6 room 6218 and Vidalia Campus, November 14, 2017, 3:00-5:00 p.m., Main Building room 156. Exam 3 includes questions from chapters 1, 4, 5, and 8 in McKeague's *Writing about Literature*, and the point of view document. Questions from the history documents covering 1865-1914, and 1914-1945 are also on the test. Use Study Guide 3 to help prepare for the test. A pictured ID is required to take the test. I will conduct a fifteen-minute study session for students who arrive at 3:00 p.m. in Vidalia and in Swainsboro.

MAKEUP GUIDELINES (TESTS, QUIZZES, HOMEWORK, PROJECTS, ETC...)

There are no make-up exams or assignments in an online class. Students have a week to complete assignments. If Internet or browser failure occurs, contact instructor immediately, and a writing assignment will be given.

The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of third offense.
