GENERAL EDUCATION CORE COMPETENCIES

Southeastern Technical College has identified the following general education core competencies that graduates will attain:

1. The ability to utilize standard written English.
2. The ability to solve practical mathematical problems.
3. The ability to read, analyze, and interpret information.

STUDENT REQUIREMENTS (ONLINE)

Students are expected to complete all work required by the instructor and to attend the required proctored campus exam. Students will have at least one week to complete tests and assignments. All tests and assignments are due at midnight on Monday of each week. Assignments must be keyed in Microsoft Word, saved, uploaded, and attached for grading in Blackboard. A grade of zero will automatically be assigned for any work submitted past the due date.

Students are expected to prove weekly academic engagement by meeting assignment deadlines each week and spending a minimum of 50 hours during the semester doing the required homework, quizzes, and tests. Students are expected to communicate frequently through college email and discussion boards. College email is accessed at <https://portal.office.com>, under Quick links on our webpage, or in the menu of your Blackboard course.

ONLINE ATTENDANCE

It is the student's responsibility to be academically engaged each week doing course related activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an "F" (Failing 0-59) in a course.

Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Students will have at least one week to complete tests and assignments. All tests and assignments are due at midnight on Monday of each week. Exceptions to the due dates of assignments due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

SPECIAL NEEDS

Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact [Helen Thomas \(hthomas@southeasterntech.edu\)](mailto:hthomas@southeasterntech.edu), 912-538-3126, to coordinate reasonable accommodations.

SPECIFIC ABSENCES

Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

PREGNANCY

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the

course. If you think you will need accommodations due to pregnancy, please advise me and make appropriate arrangements with [Helen Thomas \(hthomas@southeasterntech.edu\)](mailto:hthomas@southeasterntech.edu), 912-538-3126, to coordinate reasonable accommodations.

WITHDRAWAL PROCEDURE

Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% point of the term in which student is enrolled (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of “W” is assigned for the course(s) when the student completes the withdrawal form.

Important – Student-initiated withdrawals are not allowed after the 65% point. After the 65% point of the term in which student is enrolled, the student has earned the right to a letter grade and will receive a grade for the course. Please note: Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of “F” being assigned.

Informing your instructor that you will not return to his/her course, does not satisfy the approved withdrawal procedure outlined above.

There is no refund for partial reduction of hours. Withdrawals may affect students’ eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. A grade of “W” will count in attempted hour calculations for the purpose of Financial Aid.

Online Proctored Event Withdrawals

Students who do not complete the proctored exam for an online class on the scheduled date and do not present a valid excuse within three business days of the scheduled event will be withdrawn from the course with a “WF” (Withdrawn Failing) and will be disabled in their online class. If the proctored event is scheduled during final exams, any student who misses the proctored exam will receive an “F” for the course.

PROCTORED EVENT REQUIREMENT

In order to validate student identity for all online courses, students enrolled in online courses are **required** to complete one proctored event per online course. The proctored event will be administered on separate days—once on the Vidalia campus and once on the Swainsboro campus. Students must attend one of the proctored sessions as scheduled on the Lesson Plan/Course Calendar. Dual enrollment students enrolled in online courses have the same options, but can also complete the event on the high school campus. The event will be monitored by the instructor, another College employee, or high school counselor. The proctored event may be a major exam, assignment, or presentation, etc. that will count a minimum of 20% of the course grade. Students must attend one of the scheduled proctored sessions and will need to make arrangements with work, childcare, etc. The specific dates of the proctored event are scheduled on the Lesson Plan/Calendar for the online course.

Students living farther than 75 miles from either campus who cannot come to Southeastern Tech for the event must secure an approved proctoring site. The site and the proctor must meet Southeastern Technical College's requirements (instructor will provide more information and necessary forms if this is the case). Note: Students taking proctored events off campus will utilize the Proctor Scheduling and Approval Form found in Blackboard within the Getting Started/Start Here and Proctoring Event area. The completed form should be submitted to the course instructor a minimum of two weeks prior to the proctored event. If approved, the instructor will notify the proctor.

Students arranging off-campus proctoring must take the event on one of the originally scheduled days. Students who do not complete the proctored event as scheduled must submit a valid documented excuse

within three business days after the scheduled event. If the excuse is approved by the instructor of the course, students must make arrangements with the instructor to makeup/reschedule the missed event. The penalty and makeup instructions will be at the instructor's discretion. Proctored events will be given after the 65% point of the semester. **Students who do not complete the proctored event on the scheduled date and do not present a valid documented excuse within three business days of the scheduled event will be withdrawn from the course with a "WF" (Withdrawn Failing). If the proctored event is scheduled during final exams, any student who misses the proctored event will be issued an "F" (Failing) for the course.**

PROCTORING FEES

Students are not charged a proctoring fee when taking a proctored event at Southeastern Technical College or any other TCSG college. Students who choose to use an off-campus proctor may be assessed a proctoring fee by the proctoring site. In this instance, the student is responsible for payment.

The required proctored event for this class is scheduled on the following dates and times: Vidalia Campus, November 14, 2018, 1 p.m., Room 806 located in the Gillis Medical Building and Swainsboro Campus, November 15, 2018, 1 p.m., Room 2122 located in Building 2. Please choose either day that is convenient for you.

MAKEUP GUIDELINES (TESTS, QUIZZES, HOMEWORK, PROJECTS, ETC.)

Students will have at least one week to complete tests and assignments. All tests and assignments are due at midnight on Monday of each week. Failure to take chapter tests will result in a grade of zero. No makeup exams are allowed. If Internet or browser failure occurs while taking an exam, contact instructor immediately. A decision will be made at that time if the exam will be reset. The instructor reserves the right to deduct points from exam scores for exceeding the scheduled time limit on the exams and/or requiring student to come to campus to take the exam. **ASSIGNMENTS WILL NOT BE ACCEPTED LATE FOR THIS CLASS. THIS INCLUDES BOOK WORK, DISCUSSION BOARDS, AND/OR TESTS. IF WORK IS NOT COMPLETED BY THE DUE DATES, A GRADE OF ZERO WILL BE GIVEN. NO EXCEPTIONS.**

ACADEMIC DISHONESTY POLICY

The Southeastern Technical College Academic Dishonesty Policy states that all forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline. The policy can also be found in the Southeastern Technical College Catalog and Student Handbook.

PROCEDURE FOR ACADEMIC MISCONDUCT

The procedure for dealing with academic misconduct and dishonesty is as follows:

1. First Offense

Student will be assigned a grade of "0" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

2. Second Offense

Student is given a grade of "WF" (Withdrawn Failing) for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

3. Third Offense

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify

the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of third offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.

- b) The ability to solve practical mathematical problems.
- c) The ability to read, analyze, and interpret information.

ADDITIONAL CLASS INFORMATION:

- **ASSIGNMENTS:** This lesson plan is subject to change at instructor's discretion. All assigned work from the textbook must be submitted via the assignment links in the chapter folders for grading by the due dates as indicated above. It is the student's responsibility to make sure all assignments are completed and submitted by these due dates. **LATE WORK IS NOT ACCEPTED FOR THIS CLASS. A GRADE OF ZERO WILL BE ASSIGNED. NO EXCEPTIONS!**

No group work will be assigned this semester in the online class unless designated by instructor. Ignore any statements on assignments regarding group work. All assignments are to be completed individually. Always key your name and assignment number on all your work before submitting it for grading. (Example: Linda Whitfield, Chapter 1 Build Workplace Skills 3). Ten Points will be deducted automatically for failure to key name on assignments.

REFER TO THE CHAPTER FOLDERS IN THE BLACKBOARD COURSE UNDER THE CHAPTER ASSIGNMENTS LINK ON THE MENU TAB FOR ADDITIONAL INFORMATION REGARDING ASSIGNMENTS. STUDENTS ARE RESPONSIBLE FOR OBTAINING AND REVIEWING THIS INFORMATION.

- **DISCUSSION BOARDS:** Students will complete five (5) discussion board assignments (see lesson plan above for assigned weeks) that will count as part of the final course grade. These discussions will be graded from discussion board area by instructor. The Discussion Board assignments are located under the Discussion Board link on the course menu. See discussion board grading rubric attached to syllabus on how you will be evaluated.
- **CHAPTER TESTS AND PROCTORED EXAM:** Students will take chapter tests covering the material in the textbook. Failure to take the chapter tests will result in a grade of zero. No exceptions. I encourage students not to wait until the last night to take the tests. Review the proctored exam statement on syllabus for details on exam, which is scheduled during Week 14. **ALL STUDENTS ARE REQUIRED TO COME TO CAMPUS AND TAKE THE PROCTORED EXAM.**
- **EMAILS:** Make sure that you always key your name and class in the subject line of every email you send me so I know which class you are in. For Example: BUSN 1240/Linda Whitfield. **THE PREFERRED EMAIL IS YOUR STUDENT EMAIL ACCOUNT.**
- **CHECKING GRADES:** A grade book is made available in the Blackboard course on the Home page on the menu labeled "My Grade." This grade book is for students to review and is continuously updated throughout the semester. Students are to keep in mind that if assigned a grade of zero that these grades are not automatically counted in the current averages shown until instructor post those grades manually so averages could seem higher at the time before posting these grades. Students are responsible for knowing how to average their grades, not the instructor. The overall percentage averages should display in the grade book to help track course progress.

BUSN 1240-OFFICE PROCEDURES

(ONLINE CLASS)

GRADING SCALE INFORMATION

1. Three points will be assessed per error on assignments. Instructor reserves the right to deduct less or more depending on type of error. Ten points will automatically be deducted for not keying name on assigned work. Make sure your name and assignment information is keyed on all assignments somewhere on the document before submitting for grading....take ownership of your work!
2. If more than one assignment is given per chapter (or per week), those assignments will be averaged together to obtain your grade for that particular chapter or the week. For example, if you made a 100 on one of the assignments and a 50 on the other, then your grade for that chapter/week would be a 75.
3. Discussion Board assignments for the semester also need to be completed during the assigned weeks indicated on lesson plan. Late posts are not counted and failure to post any comments results in a grade of zero. Students are required to post at least one original post along with at least one reply each week, but more is encouraged.
4. Always proofread, spell check, and grammar check your documents before turning them in for a grade! Although this is not an English class, professionalism is a must. Points will be deducted for excessive spelling, grammar, punctuation, and document formatting errors.
