

PNSG 2330 Medical-Surgical Nursing Clinical III
COURSE SYLLABUS
Fall Semester 2019

INSTRUCTOR CONTACT INFORMATION

Instructor Name: Rachel Sikes, BSN, RN
Office Location: Gillis Building, Room 715
Office Hours: Please schedule an appointment during clinical
Email Address: [Rachel Sikes \(rsikes@southeasterntech.edu\)](mailto:rsikes@southeasterntech.edu)
Phone: 912-538-3209
Fax Number: 912-538-3106
Tutoring Hours: Please schedule an appointment

COURSE INFORMATION

Credit Hours/Minutes: 2/4500
Class Location: Various clinical site
Class Meets: October 3, 2019- December 4, 2019 intertwined with PNSG 2340 and 2415. See clinical schedule for details.
Course Reference Number (CRN): 20014

EHR course enrollment key:

SOUTHEASTERN TECHNICAL COLLEGE'S (STC) CATALOG AND STUDENT HANDBOOK

Students are responsible for all policies and procedures and all other information included in Southeastern Technical College's [Catalog and Student Handbook \(http://www.southeasterntech.edu/student-affairs/catalog-handbook.php\)](http://www.southeasterntech.edu/student-affairs/catalog-handbook.php).

REQUIRED TEXT

1. Fundamentals of Nursing Care, 2nd edition, FA Davis by Burton & Ludwig
2. Study guide for Fundamentals of Nursing Care, 2nd edition, FA Davis by Burton & Ludwig
3. Procedure Checklists for Fundamentals of Nursing Care 3rd edition, F. A. Davis Wilkinson, Treas, Barnett, & Smith
4. Understanding Medical Surgical Nursing, 5th edition, FA Davis by Williams and Hopper
5. Safe Maternity and Pediatric Nursing Care, FA Davis by Linnard-Palmer and Coats
6. Student workbook for Understanding Medical Surgical Nursing, 5th edition, FA Davis by Williams and Hopper
7. Study Guide for Safe Maternity and Pediatric Nursing Care, FA Davis by Linnard-Palmer and Coats
8. Assessment technologies institute (ATI) web service and books
9. Electronic Health Record (EHR) Tutor

REQUIRED SUPPLIES & SOFTWARE

Ear phones for any ATI assignments

Pens
Highlighters
2 Three Ring Binders
Stethoscope
Blood pressure cuff
Pen Light
Watch with seconds displayed
Basic Calculator
Scissors

COURSE DESCRIPTION

This first clinical course, in a series of four medical-surgical clinical courses, focuses on clinical client care including using the nursing process, performing assessments, applying critical thinking, engaging in client education and displaying cultural competence across the life span and with attention to special populations. At the completion of the four-part sequence of these medical surgical clinical courses students will have completed a minimum of 300 clock hours of clinical experience including 225 clock hours of comprehensive medical-surgical, 37.5 clock hours of pediatric experiences and 37.5 clock hours of mental health experiences. Topics include: health management and maintenance; prevention of illness; care of the individual as a whole; hygiene and personal care; mobility and biomechanics; fluid and electrolytes; oxygen care; perioperative care; immunology; mental health; and oncology. In addition pathological diseases, disorders and deviations from the normal state of health, client care, treatment, pharmacology, nutrition and standard precautions with regard to cardiovascular, hematological, immunological, respiratory, neurological, sensory, musculoskeletal, endocrine, gastrointestinal, urinary, integumentary and reproductive systems.

MAJOR COURSE COMPETENCIES

1. Clinically-based Experience
2. Clinically-based Nursing Care Associated with the Cardiovascular System
3. Clinically-based Nursing Care Associated with the Hematological and Immunological Systems
4. Clinically-based Nursing Care Associated with the Respiratory System
5. Clinically-based Nursing Care Associated with the Endocrine System
6. Clinically-based Nursing Care Associated with the Gastrointestinal System
7. Clinically-based Nursing Care Associated with the Urinary System
8. Clinically-based Nursing Care Associated with the Neurological System
9. Clinically-based Nursing Care Associated with the Sensory System
10. Clinically-based Nursing Care Associated with Mental Health Concerns
11. Clinically-based Nursing Care Associated with the Musculoskeletal System
12. Clinically-based Nursing Care Associated with the Integumentary System
13. Clinically-based Nursing Care Associated with Oncology Concerns
14. Clinically-based Nursing Care Associated with the Reproductive Systems

PREREQUISITE(S)

Program admission

COURSE OUTLINE

Clinically-Based Experience

Learning Outcomes for all clinical based experience:

Order	Description	Learning Domain	Level of Learning
1	Integrate techniques to promote health management and maintenance and prevention of illness in each of the competencies listed above.	Psychomotor	Complex Response
2	Use approaches for caring for the individual as a whole with respect to each of the competencies listed above.	Psychomotor	Mechanism
3	Demonstrate competence in caring for individuals with pathological disorders that affect the each of the competencies listed above.	Psychomotor	Guided Response
4	Use nursing observations and interventions related to each diagnostic study and procedure related to each of the competencies listed above.	Psychomotor	Mechanism
5	Apply the nursing process with emphasis on assessment and client education related to each of the competencies listed above.	Psychomotor	Mechanism
6	Demonstrate an understanding of and ability to perform treatments related to each of the competencies listed above.	Psychomotor	Guided Response
7	Perform administration of prescribed medications related to each of the competencies listed above.	Psychomotor	Guided Response
8	Perform administration of prescribed diet related to each of the competencies listed above.	Psychomotor	Guided Response
9	Implement standard precautions as they relate to each of the competencies listed above.	Psychomotor	Mechanism
10	Demonstrate clinically relevant care for individuals related to each of the competencies listed above with respect to the life span.	Psychomotor	Guided Response
11	Display cultural competence as applicable to each of the competencies listed above.	Affective	Responding
12	Demonstrate clinically relevant care for individuals related to each of the competencies listed above as applicable to special populations.	Psychomotor	Guided Response

GENERAL EDUCATION CORE COMPETENCIES

Southeastern Technical College has identified the following general education core competencies that graduates will attain:

1. The ability to utilize standard written English.
2. The ability to solve practical mathematical problems.
3. The ability to read, analyze, and interpret information.

STUDENT REQUIREMENTS

In order for a student to progress to this clinical, he or she must have a final grade of 70% or greater in the lecture course, PNSG 2230, score a 100% on the drug calculation exam within the three attempts allotted, and

demonstrate proficiency related to various Lab/Nursing Skills as required by state standards (Refer to Lab Skills Checklist).

A passing grade of 70% in this clinical, along with a passing grade in PNSG 2230 is required in order to pass the semester and progress to the next semester.

Students will be required to submit assignments as noted on the Documentation Requirements for Med Surg. If an assignment is not turned in by the deadline, points will be deducted as outlined on the clinical evaluation rubric. Failure to submit assignments will result in point deductions and the student may not be allowed to return to clinical until the clinical assignments are completed. The days missed will result in an absence. All assignments must be neat and orderly and will not be accepted for a grade until they are rewritten and in order.

ATI Assignments are due at the end of the clinical rotation.

PRECEPTOR EVALUTATIONS

Preceptors may be used at STC clinical sites. The preceptors will be responsible for issuing a clinical grade by using the Preceptor Evaluation Form provided by the instructor. Students will follow instructions located on the Preceptor Evaluation Form for completion. See the STC Practical Nursing Clinical Evaluation for Medical Surgical Nursing Clinical that can be found at the end of the lesson plan for exact verification of how clinical grade is averaged.

HEALTH DOCUMENTATION AND CPR

All students must have current immunizations with current PPD, and an active American Heart Association Health Care Provider Basic Life Support and First Aid card. It is the student's responsibility to keep these items up-to-date at their cost. If any of these items are expired, the student will not be allowed to go to clinical and will be counted absent.

FIT TESTING

All students who have clinical component or are required by the TCSG infection control policy to get fit tested. The instructor will contact Tommy Jenkins at EDC (912-538-3200 or e-mail) and set up a time. Students will need to go to the EDC for the testing and the cost is \$20.00. The fit testing must be complete in order to begin clinical time.

Student Success Plan

The Student Success Plan documents deficiencies in performance and provides a means for improvement. A success plan should be initiated for the following reasons:

- If the student has (1) a cumulative unit exam average of < 70% after the completion of 25% of the unit exams or (2) a skill(s) performance deficiency.
- The faculty will initiate individual counseling session and complete the Student Success Plan.
- if the student has (1) a cumulative unit exam average of < 70% after the completion of 50 % of the unit exams or (2) a skill(s) performance deficiency,
- The faculty will initiate individual counseling session, as well as review and update the Student Success Plan and submit an Early Alert.
- if the student exhibits behavior outside the expected:
 - codes of conduct outlined in professional codes of ethics, professional standards,
 - All procedures/requirements/policies outlined in program handbooks/documents,
 - STC e Catalog and Student Handbook, and/or
 - Clinical facility policies and procedures.

The faculty will initiate an individual counseling session and complete an Academic Occurrence Notice and the Student Success Plan.

(T)echnical College System of Georgia (E)arly (A)lert (M)anagement (S)ystem (TEAMS) & The Student Success Plan are designed to ensure that students are well informed about strategies for success, including college resources and assistance. One of the responsibilities of the Program faculty is to monitor the academic progression of students throughout the curriculum. The faculty believes that the student is ultimately responsible for seeking assistance; however, faculty will meet or refer students who are having academic difficulties.

- TEAMS is designed to provide assistance for students who may need help with academics, attendance, personal hardships, etc.

Student Support

Specific information about the Student Support services listed below can be found at [STC Website \(www.southeasterntech.edu\)](http://www.southeasterntech.edu) by clicking on the Student Affairs tab.

- Tutoring
- Technical Support
- Textbook Assistance
- Work-Study Programs
- Community Resources

ATTENDANCE GUIDELINES

Class attendance is a very important aspect of a student's success. Being absent from class prevents students from receiving the full benefit of a course and interrupts the learning process. Southeastern Technical College considers both tardiness and leaving early as types of absenteeism. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is required for student success. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Instructors have the right to give unannounced quizzes/assignments. Students who miss an unannounced quiz or assignment will receive a grade of 0. Students who stop attending class, but do not formally withdraw, may receive a grade of "F" (Failing 0-59) and face financial aid repercussions in upcoming semesters.

Instructors are responsible for determining whether missed work may be made up and the content and dates for makeup work is at the discretion of the instructor.

Additional ATTENDANCE Provisions

Health Sciences

Requirements for instructional hours within Health Science and Cosmetology programs reflect the rules of respective licensure boards and/or accrediting agencies. Therefore, these programs have stringent attendance policies. Each program's attendance policy is published in the program's handbook and/or syllabus which specify the number of allowable absences. All provisions for required make-up work in the classroom or clinical experiences are at the discretion of the instructor.

This class requires 75 clinical hours (4500 minutes) during the semester. A student is allowed to miss a maximum of 1 one clinical day. An excuse from a physician may be required by the instructor. Students missing more than 1 day will be dropped for exceeding the attendance policy. All clinical time missed must be made up prior to beginning the next nursing course. Students that do not make up all clinical time missed will

be issued a final clinical grade of “F”. A clinical absence will require a makeup day. The date and site for makeup time will be specified by the instructor and are non-negotiable. See Clinical Rules for further attendance policies.

STUDENTS WITH DISABILITIES

Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact the appropriate campus coordinator to request services.

Swainsboro Campus: [Macy Gay mgay@southeasterntech.edu](mailto:MacyGay@southeasterntech.edu) , 478-289-2274, Building 1, Room 1210

Vidalia Campus: [Helen Thomas hthomas@southeasterntech.edu](mailto:HelenThomas@southeasterntech.edu) , 912-538-3126, Building A, Room 165

SPECIFIC ABSENCES

Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

PREGNANCY

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please make arrangements with the appropriate campus coordinator.

Swainsboro Campus: [Macy Gay mgay@southeasterntech.edu](mailto:MacyGay@southeasterntech.edu) , 478-289-2274, Building 1, Room 1210

Vidalia Campus: [Helen Thomas hthomas@southeasterntech.edu](mailto:HelenThomas@southeasterntech.edu) , 912-538-3126, Building A, Room 165

It is strongly encouraged that requests for consideration be made PRIOR to delivery and early enough in the pregnancy to ensure that all the required documentation is secured before the absence occurs. Requests made after delivery MAY NOT be accommodated. The coordinator will contact your instructor to discuss accommodations when all required documentation has been received. The instructor will then discuss a plan with you to make up missed assignments.

WITHDRAWAL PROCEDURE

Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% point of the term in which student is enrolled (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of “W” is assigned for the course(s) when the student completes the withdrawal form.

Students who are dropped from courses due to attendance after drop/add until the 65% point of the semester will receive a “W” for the course.

Important – Student-initiated withdrawals are not allowed after the 65% point. Only instructors can drop students after the 65% point for violating the attendance procedure of the course. Students who are dropped from courses due to attendance after the 65% point will receive either a “WP” or “WF” for the semester.

Informing your instructor that you will not return to his/her course, does not satisfy the approved withdrawal procedure outlined above.

There is no refund for partial reduction of hours. Withdrawals may affect students’ eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. A grade of “W” will count in attempted hour calculations for the purpose of Financial Aid.

ACADEMIC DISHONESTY POLICY

The Southeastern Technical College Academic Dishonesty Policy states that all forms of academic dishonesty,

including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline. The policy can also be found in the Southeastern Technical College Catalog and Student Handbook.

PROCEDURE FOR ACADEMIC MISCONDUCT

The procedure for dealing with academic misconduct and dishonesty is as follows:

1. First Offense

Student will be assigned a grade of "0" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

2. Second Offense

Student is given a grade of "WF" (Withdrawn Failing) for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

3. Third Offense

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of third offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.

STATEMENT OF NON-DISCRIMINATION

The Technical College System of Georgia (TCSG) and its constituent Technical Colleges do not discriminate on the basis of race, color, creed, national or ethnic origin, gender, religion, disability, age, political affiliation or belief, genetic information, disabled veteran, veteran of the Vietnam Era, spouse of military member, or citizenship status (except in those special circumstances permitted or mandated by law). This nondiscrimination policy encompasses the operation of all technical college-administered programs, federally financed programs, educational programs and activities involving admissions, scholarships and loans, student life, and athletics. It also applies to the recruitment and employment of personnel and contracting for goods and services.

All work and campus environments shall be free from unlawful forms of discrimination, harassment and retaliation as outlined under Title IX of the Educational Amendments of 1972, Title VI and Title VII of the Civil Rights Act of 1964, as amended, the Age Discrimination in Employment Act of 1967, as amended, Executive Order 11246, as amended, the Vietnam Era Veterans Readjustment Act of 1974, as amended, Section 504 of the Rehabilitation Act of 1973, as amended, the Americans With Disabilities Act of 1990, as amended, the Equal Pay Act, Lilly Ledbetter Fair Pay Act of 2009, the Georgia Fair Employment Act of 1978, as amended, the Immigration Reform and Control Act of 1986, the Genetic Information Nondiscrimination Act of 2008, the Workforce Investment Act of 1998 and other related mandates under TCSG Policy, federal or state statutes. The Technical College System and Technical Colleges shall promote the realization of equal opportunity through a positive continuing program of specific practices designed to ensure the full realization of equal opportunity.

The following individuals have been designated to handle inquiries regarding the nondiscrimination policies:

American With Disabilities Act (ADA)/Section 504 - Equity- Title IX (Students) – Office of Civil Rights (OCR) Compliance Officer	Title VI - Title IX (Employees) – Equal Employment Opportunity Commission (EEOC) Officer
Helen Thomas, Special Needs Specialist Vidalia Campus 3001 East 1 st Street, Vidalia Office 165 Phone: 912-538-3126 Email: Helen Thomas hthomas@southeasterntech.edu	Lanie Jonas, Director of Human Resources Vidalia Campus 3001 East 1 st Street, Vidalia Office 138B Phone: 912-538-3147 Email: Lanie Jonas mailto:laniejonas@southeasterntech.edu

ACCESSIBILITY STATEMENT

Southeastern Technical College is committed to making course content accessible to individuals to comply with the requirements of Section 508 of the Rehabilitation Act of Americans with Disabilities Act (ADA). If you find a problem that prevents access, please contact the course instructor.

GRIEVANCE PROCEDURES

Grievance procedures can be found in the Catalog and Handbook located on Southeastern Technical College’s website.

ACCESS TO TECHNOLOGY

Students can now access Blackboard, Remote Lab Access, Student Email, Library Databases (Galileo), and BannerWeb via the mySTC portal or by clicking the Current Students link on the [Southeastern Technical College \(STC\) Website \(www.southeasterntech.edu\)](http://www.southeasterntech.edu).

TECHNICAL COLLEGE SYSTEM OF GEORGIA (TCSG) GUARANTEE/WARRANTY STATEMENT

The Technical College System of Georgia guarantees employers that graduates of State Technical Colleges shall possess skills and knowledge as prescribed by State Curriculum Standards. Should any graduate employee within two years of graduation be deemed lacking in said skills, that student shall be retrained in any State Technical College at no charge for instructional costs to either the student or the employer.

GRADING SCALE

Assessment	Percentage
Average of daily clinical rubrics	40%
Average of preceptor evaluations	30%
Average of care plans	30%

Letter Grade	Range
A	90-100
B	80-89
C	70-79
D	60-69
F	0-59

PNSG 2330 Medical/Surgical Nursing Clinical III Fall Semester 2019 Lesson Plan

Date/Day	Chapter/Lesson	Content	Assignments & Tests Due Dates	Competency Area
See Clinical Schedule		CLINICAL	Complete all clinical assignments as detailed on documentation requirements form provided by instructor. ATI Assignments: <ol style="list-style-type: none"> 1. Nurse's Touch: Professional Communication: Organizational Communication 2. Practice Assessment: PN Comprehensive A 	Course: 1-14 Core: a, b, c

COMPETENCY AREAS: (WILL VARY FOR EACH COURSE/TAKEN FROM STATE STANDARDS)

1. Clinically-based Experience
2. Clinically-based Nursing Care Associated with the Cardiovascular System
3. Clinically-based Nursing Care Associated with the Hematological and Immunological Systems
4. Clinically-based Nursing Care Associated with the Respiratory System
5. Clinically-based Nursing Care Associated with the Endocrine System
6. Clinically-based Nursing Care Associated with the Gastrointestinal System
7. Clinically-based Nursing Care Associated with the Urinary System
8. Clinically-based Nursing Care Associated with the Neurological System
9. Clinically-based Nursing Care Associated with the Sensory System
10. Clinically-based Nursing Care Associated with Mental Health Concerns
11. Clinically-based Nursing Care Associated with the Musculoskeletal System
12. Clinically-based Nursing Care Associated with the Integumentary System
13. Clinically-based Nursing Care Associated with Oncology Concerns
14. Clinically-based Nursing Care Associated with the Reproductive Systems

GENERAL CORE EDUCATIONAL COMPETENCIES:

- a) The ability to utilize standard written English.
- b) The ability to solve practical mathematical problems.
- c) The ability to read, analyze, and interpret information.

Disclaimer Statements

Instructor reserves the right to change the syllabus and/or lesson plan as necessary

The official copy of the syllabus will be given to the student during face to face class time the first day of class.

The syllabus displayed in advance of the semester in a location other than the course you are enrolled in is for planning purposes only.

Documentation Requirements for Medical/Surgical Clinical Rotation

The student must log onto my.ehrtutor.com and enroll in the course using the course enrollment key provided by the instructor.

Once the student is enrolled in the course, the student will see the list of activities for that clinical course. The student will choose the activity and create a patient. Enter the patient's age. In the comment section, please enter the name of the clinical facility. **Please remember, Protected Health Information (PHI) for a real client should never be entered into an academic EHR.**

Daily requirements for each Medical/Surgical clinical day:

- Completed time sheet. Signed by the student nurse and the preceptor at the end of each day.
- Preceptor Evaluation Form signed by the preceptor for the day and placed in a sealed envelope provided by instructor. The preceptor must sign the back of the envelope across the seal. Any seal that is broken will not be accepted.
- After each daily clinical rotation, the student will complete the Southeastern Technical College Student Evaluation of Clinical Experience form. The student will submit the evaluation form daily with his/her clinical paperwork.
- The student will complete five (5) handwritten drug cards using the ATI active learning template: medication. Follow the medication list provided for each clinical rotation.

The daily requirements for Medical/Surgical should be turned into the instructor on a weekly basis during post conference. Failure to complete the assignment/requirement as outlined above may result in the student's inability to attend clinical until the assignment/requirement is completed and/or points deducted from the clinical grade.

Documentation in EHR is due the Sunday night of the clinical week by 9pm. EHR will not allow charting past this deadline. If documentation is not submitted into EHR by the deadline, a grade of "0" will be given for the required assignments.

For grading criteria, students should follow the daily clinical rubric and care plan rubric. These rubrics define what is expected of the student to get a particular grade on the assignments.

It is the student's responsibility to complete the documentation requirements. If there are no clients available or scheduled in the assigned clinical area, the student must notify the instructor immediately.

If two or more students are assigned to the same clinical facility on the same day, the students are not to complete clinical documentation on the same client as their classmates.

Hospital Assignments for each day assigned to ANY hospital department:

Choose **ONE** client for the day to complete the required documentation:

- Patient information
- Results (if applicable)
- Allergies and Home Medications
- Notes:
 - History and physical note (this is the narrative of the assessment flowsheet)
 - Nursing notes (detailing care, complaints, tasks throughout the shift)
- Flowsheets
 - Admission
 - Vital signs
 - Assessment
 - Daily Care (if applicable)
 - Intake & Output (if applicable)
 - Interventions (lines, drains)
 - Complete if applicable to your client
 - Wounds/incisions/ostomies
 - Respiratory interventions
 - Blood administration
 - Stroke scale
 - Restraints
 - Behavioral health
 - Preoperative checklist
- Patient education
- SBAR (if applicable)
- Discharge (if applicable)
- Care plan

Pediatric clinic, school, or WinShape Camp:

- Type a detailed summary (at least 1 page typed 12 Calibri font doubled spaced) of your clinical experience. Do not use any client names or identifying information in this summary. This summary should be typed into a word document then copy and paste the document into EHR under the “notes” section. This should include four (4) areas:
 - Clinical environment
 - Tasks completed/skills performed (must document invasive skills on nurse’s notes)
 - What did you like about the clinical experience
 - What did you dislike about the clinical experience

- Patient information
- Allergies and Home Medications
- Notes:
 - History and physical note (this is the narrative of the assessment flowsheet)
- Flowsheets
 - Admission
 - Vital signs
 - Assessment
- Patient education
- Care plan

Doctor's Office, Wound Care Center, Clinic, Nursing Home, Health Department, Hospice:

- Type a detailed summary (at least 1 page typed 12 Calibri font doubled spaced) of your clinical experience. Do not use any client names or identifying information in this summary. This summary should be typed into a word document then copy and paste the document into EHR under the "notes" section. This should include four (4) areas:
 - Clinical environment
 - Tasks completed/skills performed (must document invasive skills on nurse's notes)
 - What did you like about the clinical experience
 - What did you dislike about the clinical experience

- Patient information
- Allergies and Home Medications
- Notes:
 - History and physical note (this is the narrative of the assessment flowsheet)
- Flowsheets
 - Admission
 - Vital signs
 - Assessment
- Patient education

Medical Surgical Clinical III Medication List

Complete five (5) handwritten drug cards per day using the ATI active learning template: medication.

1. Lithium
2. Phenytoin
3. Scopolamine
4. Dantrolene
5. Sumatriptan
6. Allopurinol
7. Chlorpromazine
8. Celecoxib
9. Amphetamine
10. Tizanidine
11. Carisprodol
12. Hydroxychloroquine
13. Diclofenac sodium
14. Amitriptyline
15. Colchicine
16. Acyclovir
17. Carbamazepine
18. Levetiracetam
19. Lamotrigine
20. Topiramate
21. Citalopram
22. Phenobarbital
23. Valproic acid
24. Lorazepam
25. Diazepam
26. Donepezil
27. Memantine
28. Benztropine
29. Levodopa/carbidopa
30. Ropinirole
31. Clopidogrel
32. Baclofen
33. Gabapentin
34. Duloxetine
35. Chlorpromazine
36. Haloperidol
37. Risperidone
38. Quetiapine
39. Ziprasidone
40. Fluoxetine
