

TENTATIVE—SUBJECT TO CHANGE
ELTR 1220 Industrial PLC's
HYBRID COURSE SYLLABUS
Fall Semester 2021 (202212)

COURSE INFORMATION

Credit Hours/Minutes: 4/4500
Campus/Class Location: Swainsboro Campus/ Building 6 Lab 6102
Class Meets: **20% Hybrid / 80% F2F**, Monday 8:00AM-12:20PM
Course Reference Number (CRN): 20019
Preferred Method of Contact: Email

INSTRUCTOR CONTACT INFORMATION

Instructor Name: Tony Criswell
Email Address: [Tony Criswell \(tcriswell@southeasterntech.edu\)](mailto:tcriswell@southeasterntech.edu)
Campus/Office Location: Vidalia Main Building 429
Office Hours: Monday and Wednesday 1:30PM- 3:45PM
Phone: 478-289-2235
Fax Number: 478-289-2276
Tutoring Hours: Available upon request

This course is taught in a hybrid format. Hybrid classes require students to complete a portion of the required contact hours traditionally by attending classes on campus while completing the remaining portion online at the student's convenience with respect to the instructor's requirements.

SOUTHEASTERN TECHNICAL COLLEGE'S (STC) CATALOG AND HANDBOOK

Students are responsible for all policies and procedures and all other information included in Southeastern Technical College's : [Catalog and Handbook \(https://catalog.southeasterntech.edu/college-catalog/downloads/current.pdf\)](https://catalog.southeasterntech.edu/college-catalog/downloads/current.pdf).

REQUIRED TEXT

No text required. Will be using an online text.

REQUIRED SUPPLIES & SOFTWARE

Highlighter

Students should not share login credentials with others and should change passwords periodically to maintain security.

COURSE DESCRIPTION

Introduces operational theory, systems terminology, PLC installations, and programming procedures for programmable logic controls. Emphasis is placed on PLC programming, connections, installations, and start-up procedures.

MAJOR COURSE COMPETENCIES

PLC hardware and software, PLC functions and terminology, introductory numbering systems, PLC installation and setup, PLC programming basics, relay logic instructions, timers and counters, connecting field devices to I/O cards, and PLC safety procedures.

PREREQUISITE(S)

None

COURSE OUTLINE

1. PLC Hardware and Software
2. PLC Functions and Terminology
3. Introductory Numbering Systems
4. PLC Installation and Setup
5. PLC Programming Basics
6. Relay Logic Instructions
7. Timers and Counters
8. Connecting Field Devices to I/O Cards
9. PLC Safety Procedures

GENERAL EDUCATION CORE COMPETENCIES

Southeastern Technical College has identified the following general education core competencies that graduates will attain:

1. The ability to utilize standard written English.
2. The ability to solve practical mathematical problems.
3. The ability to read, analyze, and interpret information.

STUDENT REQUIREMENTS

Class attendance is a very important aspect of a student's success in this course. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is expected. Students are expected to complete all work required by the instructor. Unannounced quizzes/assignments may be given. Students that miss an unannounced quiz or assignment will receive a grade of 0. Students are expected to complete all work shown on the attached assignment sheet. Students are also expected to complete all tests and comprehensive problems on the dates specified on the attached calendar. Students are responsible for policies and procedures included in the *STC Catalog*. **Electrical program students must earn a minimum grade of C in all courses to graduate.**

COVID-19 SIGNS AND SYMPTOMS

We encourage individuals to monitor for the signs and symptoms of COVID-19 prior to coming on campus.

If you have experienced the symptoms listed below or have a body temperature 100.4°F or higher, we encourage you to self-quarantine at home and contact a primary care physician's office, local urgent care facility, or health department for further direction. Please notify your instructor(s) by email and do not come on campus for any reason.

COVID-19 Key Symptoms
Fever or felt feverish
Chills
Shortness of breath or difficulty breathing (not attributed to any other health condition)
Cough: new or worsening, not attributed to another health condition
Fatigue
Muscle or body aches
Headache
New loss of taste or smell
Sore throat (not attributed to any other health condition)
Congestion or runny nose (not attributed to any other health condition)
Nausea or vomiting
Diarrhea
In the past 14 days, if you:
Have had close contact with or are caring for an individual diagnosed with COVID-19 at home (not in healthcare setting), please do not come on campus and contact your instructor (s).

COVID-19 SELF-REPORTING REQUIREMENT

Students, regardless of vaccination status, who test positive for COVID-19 or who have been exposed to a COVID-19 positive person, are required to self-report using <https://www.southeasterntech.edu/covid-19/>. Report all positive cases of COVID-19 to your instructor and [Stephannie Waters](#), Exposure Control Coordinator, swaters@southeasterntech.edu, 912-538-3195.

HYBRID ATTENDANCE

Class attendance is a very important aspect of a student's success. Being absent from class prevents students from receiving the full benefit of a course and interrupts the learning process. Southeastern Technical College considers both tardiness and leaving early as types of absenteeism. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is required for student success. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Instructors have the right to give unannounced quizzes/assignments. Students who miss an unannounced quiz or assignment will receive a grade of 0. Students who stop attending class, but do not formally withdraw, may receive a grade of "F" (Failing 0-59) and face financial aid repercussions in upcoming semesters.

Instructors are responsible for determining whether missed work may be made up and the content and dates for makeup work is at the discretion of the instructor.

Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an "F" in a course.

STUDENTS WITH DISABILITIES

Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact the appropriate campus coordinator to request services.

Swainsboro Campus: [Daphne Scott dscott@southeasterntech.edu](mailto:dscott@southeasterntech.edu), 478-289-2274, Building 1, Room 1210.

Vidalia Campus: [Helen Thomas \(hthomas@southeasterntech.edu\)](mailto:hthomas@southeasterntech.edu), 912-538-3126, Building A, Room 165.

SPECIFIC ABSENCES

Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

PREGNANCY

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please make arrangements with the appropriate campus coordinator.

Swainsboro Campus: [Daphne Scott dscott@southeasterntech.edu](mailto:dscott@southeasterntech.edu), 478-289-2274, Building 1, Room 1210.

Vidalia Campus: [Helen Thomas \(hthomas@southeasterntech.edu\)](mailto:hthomas@southeasterntech.edu), 912-538-3126, Building A, Room 165.

It is strongly encouraged that requests for consideration be made **PRIOR** to delivery and early enough in the pregnancy to ensure that all the required documentation is secured before the absence occurs. Requests made after delivery MAY NOT be accommodated. The coordinator will contact your instructor to discuss accommodations when all required documentation has been received. The instructor will then discuss a plan with you to make up missed assignments.

WITHDRAWAL PROCEDURE

Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% point of the term in which student is enrolled (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" (Withdrawn) is assigned for the course(s) when the student completes the withdrawal form.

Important – Student-initiated withdrawals are not allowed after the 65% point. After the 65% point of the term in which the student is enrolled, the student has earned the right to a letter grade and will receive a grade for the course. Please note: Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of "F" (Failing 0-59) being assigned.

Informing your instructor that you will not return to his/her course, does not satisfy the approved withdrawal procedure outlined above.

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. A grade of "W" will count in attempted hour calculations for the purpose of Financial Aid.

MAKEUP GUIDELINES (TESTS, QUIZZES, HOMEWORK, PROJECTS, ETC.)

Extenuating circumstances are determined at the instructor's discretion. Unless otherwise scheduled with the instructor, it is expected that the test will be taken the next day, scheduled outside of regular class time. Failure to follow this procedure will result in a grade of zero.

Assignment due dates are listed on the attached lesson schedule. Students are expected to have the assignment completed at the beginning of class on the date that it is due. It is within the instructor's discretion to accept or reject late assignments. Any late assignments accepted will be subject to a ten-point penalty each day the assignment is late. After three class meetings, no late assignments will be accepted; a zero will be recorded.

Unannounced quizzes are subject to be given on any day. A grade of zero will be assigned for any quizzes missed. There will be no makeup of quizzes. Any zeros recorded will be included in the final score calculation.

ACADEMIC DISHONESTY POLICY

The Southeastern Technical College Academic Dishonesty Policy states that all forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline. The policy can also be found in the Southeastern Technical College Catalog and Handbook.

PROCEDURE FOR ACADEMIC MISCONDUCT

The procedure for dealing with academic misconduct and dishonesty is as follows:

1. First Offense

Student will be assigned a grade of "0" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

2. Second Offense

Student is given a grade of "WF" (Withdrawn Failing) for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

3. Third Offense

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of third offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.

STATEMENT OF NON-DISCRIMINATION

The Technical College System of Georgia (TCSG) and its constituent Technical Colleges do not discriminate on the basis of race, color, creed, national or ethnic origin, gender, religion, disability, age, political affiliation or belief, genetic information, disabled veteran, veteran of the Vietnam Era, spouse of military member, or citizenship status (except in those special circumstances permitted or mandated by law). This nondiscrimination policy encompasses the operation of all technical college-administered programs, federally financed programs, educational programs and activities involving admissions, scholarships and loans, student life, and athletics. It also applies to the recruitment and employment of personnel and contracting for goods and services.

All work and campus environments shall be free from unlawful forms of discrimination, harassment and retaliation as outlined under Title IX of the Educational Amendments of 1972, Title VI and Title VII of the Civil Rights Act of 1964, as amended, the Age Discrimination in Employment Act of 1967, as amended, Executive Order 11246, as amended, the Vietnam Era Veterans Readjustment Act of 1974, as amended, Section 504 of the Rehabilitation Act of 1973, as amended, the Americans With Disabilities Act of 1990, as amended, the Equal Pay Act, Lilly Ledbetter Fair Pay Act of 2009, the Georgia Fair Employment Act of 1978, as amended, the Immigration Reform and Control Act of 1986, the Genetic Information Nondiscrimination Act of 2008, the Workforce Investment Act of 1998 and other related mandates under TCSG Policy, federal or state statutes.

The Technical College System and Technical Colleges shall promote the realization of equal opportunity through a positive continuing program of specific practices designed to ensure the full realization of equal opportunity.

The following individuals have been designated to handle inquiries regarding the nondiscrimination policies:

American With Disabilities Act (ADA)/Section 504 - Equity- Title IX (Students) – Office of Civil Rights (OCR) Compliance Officer	Title VI - Title IX (Employees) – Equal Employment Opportunity Commission (EEOC) Officer
Helen Thomas, Special Needs Specialist Vidalia Campus 3001 East 1 st Street, Vidalia Office 165 Phone: 912-538-3126 Email: Helen Thomas hthomas@southeasterntech.edu	Lanie Jonas, Director of Human Resources Vidalia Campus 3001 East 1 st Street, Vidalia Office 138B Phone: 912-538-3230 Email: Lanie Jonas ljonas@southeasterntech.edu

ACCESSIBILITY STATEMENT

Southeastern Technical College is committed to making course content accessible to individuals to comply with the requirements of Section 508 of the Rehabilitation Act of Americans with Disabilities Act (ADA). If you find a problem that prevents access, please contact the course instructor.

GRIEVANCE PROCEDURES

Grievance procedures can be found in the Catalog and Handbook located on Southeastern Technical College's website.

ACCESS TO TECHNOLOGY

Students can now access Blackboard, Remote Lab Access, Student Email, Library Databases (Galileo), and BannerWeb via the mySTC portal or by clicking the Current Students link on the [Southeastern Technical College \(STC\) Website \(www.southeasterntech.edu\)](http://www.southeasterntech.edu).

TECHNICAL COLLEGE SYSTEM OF GEORGIA (TCSG) GUARANTEE/WARRANTY STATEMENT

The Technical College System of Georgia guarantees employers that graduates of State Technical Colleges shall possess skills and knowledge as prescribed by State Curriculum Standards. Should any graduate employee within two years of graduation be deemed lacking in said skills, that student shall be retrained in any State Technical College at no charge for instructional costs to either the student or the employer.

GRADING POLICY

Assessment/Assignment	Percentage
Labs	60%
Test	40%
Total	100%

GRADING SCALE

Letter Grade	Range
A	90-100
B	80-89
C	70-79
D	60-69

ELTR 1220 Industrial PLC's Fall Semester 2021 Lesson Plan

Date/Week	Content	Assignments & Tests Due Dates	Competency Area
August 16		<ul style="list-style-type: none"> • Fall Semester Begins 	
August 16	Introduction	<ul style="list-style-type: none"> • Instructor will go over syllabus, lesson plan, lab rules, how to access the portion of the class and introduction of PLC's • Getting Started – Start Here Items: 	
August 16-30	Lesson 1- Introduction to Programmable Logic Controllers(PLC) and Program Operations- Allen Bradley	<ul style="list-style-type: none"> • Instructor will discuss information about PLC's, show a demonstration of how PLC's work, different components of the PLC • Complete Introduction to Programmable Logic Controllers Content in lesson 1- Introduction to Programmable Logic Controllers in Module 1 in Blackboard • Complete Introduction to Programmable Logic Controllers Test in lesson 1- Introduction to Programmable Logic Controllers in Module 1 in Blackboard • Instructor will discuss PLC Program Operations Show different types of communication and components • Complete Lab 1, 2, and 3 on Future Tek Trainer Allen Bradley Programing • Complete PLC Program Operations Content in lesson 2- PLC Program Operations in Module 1 in Blackboard • Complete PLC Program Operations Test Content in lesson 2- PLC Program Operations in Module 1 in Blackboard 	1,2,3,4,9 a,b,c
September 6		<ul style="list-style-type: none"> • Labor Day Holiday 	
August 30-September 13	Module 2 PLC Programming and Motor Control- Allen Bradley	<ul style="list-style-type: none"> • Instructor will discuss PLC Programming and Motor Control • Complete Lab 4 on Future Tek Trainer Allen Bradley Programing • Complete PLC Programming Content in lesson 3- PLC Programming in Module 2 in Blackboard • Complete PLC Programming Test in lesson 3- PLC Programming in Module 2 in Blackboard • Complete Lab 5 on Future Tek Trainer Allen Bradley Programing • Complete PLC Motor control Content in lesson 4- PLC Motor Control in Module 2 in Blackboard • Complete PLC Motor Control Test in lesson 4- PLC Motor Control in Module 2 in Blackboard 	4,5,6,9 a,b,c

Date/Week	Content	Assignments & Tests Due Dates	Competency Area
September 13-27	Module 3- PLC Timer and Counter Instructions- Allen Bradley	<ul style="list-style-type: none"> • Instructor will discuss PLC and Timer and Counter Instructions • Complete lab 6 and 7 on Future Tek Trainer Allen Bradley Programing • Complete PLC Timer and Counter Instructions Content in lesson 5- PLC Timer and Counter Instructions in Module 3 in Blackboard • Complete PLC Timer and Counter Instructions Test in lesson 5- PLC Timer and Counter Instructions in Module 3 in Blackboard 	5,7,9 a, b, c
September 27-October 11	Module 4- Intro to Programmable Controllers and Program Operations- Siemens	<ul style="list-style-type: none"> • Instructor will discuss information about PLC's, show a demonstration of how PLC's work, different components of the PLC using Siemens Processor and Programming • Complete Lesson 6- Program Operations- Siemens Content in Module 4 in Blackboard • Instructor will discuss PLC Program Operations Show different types of communication and components using Siemens • Complete Lesson 7- PLC Programming- Siemens Content in Module 4 in Blackboard • Complete Lab 1 and 2 on Future Tek Trainer Siemens Programing 	1,2,3,4,9 a,b,c
October 11		<ul style="list-style-type: none"> • Midterm- There is no midterm exam. Just a reminder that the semester is half way complete. Stay on Task and finish strong 	
October 11-25	Module 5- Siemens PLC Programming and Motor Control	<ul style="list-style-type: none"> • Instructor will discuss Siemens Programming and Motor Control • Complete Lesson 8- Intro to PLC Programming Content- Siemens in Module 5 in Blackboard • Instructor will discuss PLC Motor Control- Siemens • Complete Lesson 9- PLC Motor Control Content Siemens in Module 5 in Blackboard • Complete Lab 4, 5, and 6 on Future Tek Trainer Siemens Programing 	4,5,6,9 a,b,c
October 26		<ul style="list-style-type: none"> • 65%- Last day to withdraw from course with a W. After this point you cannot withdraw. 	
October 25- November 8	Module 6- Siemens PLC Timer and Counter Control- Siemens	<ul style="list-style-type: none"> • Instructor will discuss Siemens Timer and Counters using Siemens programming • Complete Lesson 10- PLC Timer and Counter Content- Siemens in Module 6 in Blackboard • Complete Labs 7, 8, 9, 10, 11, and 12 on Future Tek Trainer Siemens Programing 	5,7,9 a, b, c

Date/Week	Content	Assignments & Tests Due Dates	Competency Area
November 8-22	Module 7- PLC Hardwiring and Troubleshooting	<ul style="list-style-type: none"> • Instructor will discuss field wiring of PLC's • Complete Field Wiring labs 1,2,3,4, and 6 on Future Tek Logic Trainer • Instructor will discuss PLC Troubleshooting • Complete Troubleshooting Labs • Complete Introduction to PLC Troubleshooting Content in lesson 12- Introduction to PLC Troubleshooting in Blackboard • Complete Introduction to PLC Troubleshooting test in lesson 12- Introduction to PLC Troubleshooting in Blackboard • Complete Troubleshooting exercises on Amatrol Trainer 	1,2,4,5,6, 8,9 a,b,c
December 2		• Fall Semester Ends	

Competency Areas:

1. PLC Hardware and Software
2. PLC Functions and Terminology
3. Introductory Numbering Systems
4. PLC Installation and Setup
5. PLC Programming Basics
6. Relay Logic Instructions
7. Timers and Counters
8. Connecting Field Devices to I/O Cards
9. PLC Safety Procedures

GENERAL CORE EDUCATIONAL COMPETENCIES:

- a) The ability to utilize standard written English.
- b) The ability to solve practical mathematical problems.
- c) The ability to read, analyze, and interpret information
