STUDENT REQUIREMENTS (HYBRID)

Students are expected to complete all tests and assignments by the due dates. Therefore, it is vital to be in class every day. COLL1040 instructor requires students to submit all assignments through the BBL learning systems. Exams will be taken mostly in BBL. Your final exam will be taken in class. Your weekly assignments will be completed in BBL. Students are required to submit all work in **Microsoft Word**. BBL assignments including essays, discussion boards, and drop box submissions which are not submitted through Microsoft Word will not receive credit. Instructor requires All assignments in APA format and submitted via BBL. Assignments are to be submitted through Digital drop box or discussion boards only! All weekly folder assignments MUST be completed by the due dates assigned on the lesson plan.

All tests MUST be made up (IF approved by instructor) within three days of the missed test. If a student misses more than 2 tests and/or quizzes/assignments, the student will NOT be allowed to make up tests/quizzes after the 2nd attempt.

Students are not allowed to use their cell phones in class. If you have an emergency, please step outside the class to handle your telephone conversation. Texting in class is not allowed. Remember: Submit all assignments in Word document, always use APA formatting, do not plagiarize, submit all assignments as attachments through the provided digital drop box. All assignments submitted in text box will receive a zero. Do not submit any written assignment in text like format, Use standard forms of writing. It is a good idea to save all your assignments on a jump drive. HAVEN: Southeastern Technical College has partnered with EverFi, whose mission is to help students address critical life skills such as alcohol abuse prevention, sexual assault prevention and financial literacy, in higher education institutions across the country. This is a Mandatory requirement for this course. The live dates for HAVEN are located on your syllabus, Please locate the HAVEN folder in Blackboard and follow directions.

HYBRID ATTENDANCE

Class attendance is a very important aspect of a student's success. Being absent from class prevents students from receiving the full benefit of a course and also interrupts the learning process. Southeastern Technical College considers both tardiness and leaving early as types of absenteeism. Responsibility for class attendance

rests with the student. Regular and punctual attendance at all scheduled classes is required for student success. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Instructors have the right to give unannounced quizzes/assignments. Students who miss an unannounced quiz or assignment will receive a grade of 0. Students who stop attending class, but do not formally withdraw, may receive a grade of F and face financial aid repercussions in upcoming semesters.

Instructors are responsible for determining whether missed work may be made up and the content and dates for makeup work is at the discretion of the instructor.

Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an F in a course.

SPECIAL NEEDS

Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact Helen Thomas, 912-538-3126, hthomas@southeasterntech.edu, to coordinate reasonable accommodations.

Specific Absences

Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

PREGNANCY

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please advise me and make appropriate arrangements with Helen Thomas, 912-538-3126, hthomas@southeasterntech.edu.

WITHDRAWAL PROCEDURE

Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% portion of the semester (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" is assigned when the student completes the withdrawal form from the course.

Students who are dropped from courses due to attendance (see your course syllabus for attendance policy) after drop/add until the 65% point of the semester will receive a "W" for the course. Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of 'F' being assigned.

After the 65% portion of the semester, the student will receive a grade for the course. (Please note: A zero will be given for all missed assignments.)

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. All grades, including grades of 'W', will count in attempted hour calculations for the purpose of Financial Aid.

Remember - Informing your instructor that you will not return to his/her course does not satisfy the approved withdrawal procedure outlined above.

MAKEUP GUIDELINES (TESTS, QUIZZES, HOMEWORK, PROJECTS, ETC...)

Failure to take the chapter tests or final exam at the end of the semester will result in a grade of zero. Makeups will be given at the discretion of the instructor. Continued make-up exams and quizzes will not be allowed. If Internet or browser failure occurs, contact instructor immediately. A decision will be made at that time if the exam will be reset. Instructor reserves the right to deduct points from the exam scores for exceeding the scheduled time limit on the exam. Assignment due dates are listed on the syllabus. **There will be NO MAKEUP of Final Exams!**

NOTE: Students who have **NO absences** and **NO tardies** will be allowed to exempt the course final. Students who have absences that are excused under STC's attendance policy are not excused to exempt the final exam—**no exceptions!**

If a student is on a field trip, this will be excused. You will be considered TARDY after I call roll.
