COURSE DESCRIPTION

Fundamentals of Commercial Driving introduces students to the transportation industry, federal and state regulations, records and forms, industrial relations, and other non-driving activities. This course provides an emphasis on safety that will continue throughout the program.

Note:

The standard curriculum for the Commercial Truck Driving (CTD) program includes three (3) semester courses taught sequentially within the 7 1/2 week course of study. Each course of the sequence must be successfully completed within the designated teaching time frame of the course before moving on to the next course. Students will be withdrawn from remaining courses if successful completion is not acquired on pre-requisite courses. Although the College operates on the semester system, due to the nature of the coursework, the CTD program will offer classes five (5) times during the school year, enabling five (5) cohorts of students each year. The program will therefore admit new students five (5) times a year. To graduate, students must earn a minimum of nine (9) semester credit hours.

MAJOR COURSE COMPETENCIES / OUTLINE

The student(s) will be competent and able to successfully perform, complete, and/or discuss the following:

1. Introduce Fundamentals of Commercial Driving
2. Safe Operating Procedures
3. Advanced Operating Procedures
4. Vehicle Systems and Reporting Malfunctions
5. Non-driving Activities

REGULATORY REQUIREMENTS

Students who do not meet regulatory requirements, such as passing drug tests, are administratively withdrawn from the program. Students are responsible for costs incurred.

This course meets the minimum Federal curricula requirements as set forth in the Entry-Level Driver Training (ELDT) regulations. Southeastern Technical College is registered as a training provider at <http://tpr.fmcsa.dot.gov/provider>. Students who do not earn a minimum overall score of 80 percent on the CTDL 1010 theory assessment(s), or obtain a B in CTDL 1010, are withdrawn from the remainder of the program for the term. (i.e. withdrawn from CTDL 1021 and CTDL 1031. Students are responsible for costs incurred.

ATTENDANCE GUIDELINES COMMERCIAL TRUCK DRIVING

Class attendance is a very important aspect of a student's success. Being absent from class prevents students from receiving the full benefit of a course and also interrupts the learning process. Southeastern Technical College considers both tardiness and leaving early as types of absenteeism. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is required for student success. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Instructors have the right to give unannounced quizzes/assignments. Students who miss an unannounced quiz or assignment will receive a grade of 0. Students who stop attending class, but do not formally withdraw, may receive a grade of "F" (Failing 0–59) and face financial aid repercussions in upcoming semesters.

Instructors are responsible for determining whether missed work may be made up and the content and dates for makeup work is at the discretion of the instructor.

Attendance is counted from the first scheduled class meeting of each semester. To receive credit for a course a student must attend at least 90% of the scheduled instructional time. All work missed due to tardiness or absences must be made up at the convenience of the instructor. Any student attending less than the required scheduled instructional time (90%) may be dropped from the course as stated below in the Withdrawal Procedure.

Tardy means arriving after the scheduled time for instruction to begin. Early departure means leaving before the end of the scheduled time. Three (3) tardies or early departures equal one (1) absence for the course.

For this day program, which meets 4 days a week for 7.5 weeks, the maximum number of days a student may miss is 3 days during the semester.

For this night program, which meets 5 days a week for 7.5 weeks, the maximum number of days a student may miss is 3 days during the semester.

SPECIFIC ABSENCES

Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

PREGNANCY

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please make arrangements with the appropriate campus coordinator.

Swainsboro Campus: Daphne Scott (dscott@southeasterntech.edu) 478-289-2274, Building 1, Room 1210.

Vidalia Campus: Helen Thomas (hthomas@southeasterntech.edu), 912-538-3126, Building A, Room 165.

It is strongly encouraged that requests for consideration be made **PRIOR** to delivery and early enough in the pregnancy to ensure that all the required documentation is secured before the absence occurs. Requests made after delivery **MAY NOT** be accommodated. The coordinator will contact your instructor to discuss accommodations when all required documentation has been received. The instructor will then discuss a plan with you to make up missed assignments.
