COURSE DESCRIPTION: Introduces the application and reinforcement of accounting and employability principles in an actual job setting. Acquaints the student with realistic work situations and provides insights into accounting applications on the job.

MAJOR COURSE COMPETENCIES: Topics include: appropriate work habits, acceptable job performance, application of accounting knowledge and skills, interpersonal relations, and development of productivity. The full-time accounting internship is implemented through the use of written individualized training plans, written performance evaluation, and weekly documentation or seminars and/or other projects as required by the instructor.

PREREQUISITES: All non-elective courses required for program completion.

COURSE OUTLINE:

1. Appropriate Work Habits
2. Acceptable Job Performance
3. Accounting Knowledge and Skills
4. Interpersonal Relations
5. Productivity

GENERAL EDUCATION CORE COMPETENCIES: STC has identified the following general education core competencies that graduates will attain:

1. The ability to utilize standard written English.
2. The ability to solve practical mathematical problems.
3. The ability to read, analyze, and interpret information.

STUDENT REQUIREMENTS: Students must perform the required minimum of 300 hours of work at the internship site. These hours may be accrued in a manner that is agreed upon by the internship worksite and student.

Complete all work assignments that include:

- Timesheets: Must be turned in biweekly and signed by the supervisor of the internship site.
- Journal: Students are required to keep a journal detailing what was done on the days worked at the internship site (i.e. a DAILY log). The journal must be typed and turned in biweekly along with the corresponding timesheet. Don't disclose any confidential information, but at the same time, there should be plenty of detail of your activities to document your accounting training. The journal should include:
 - job duties, assignments, and any other tasks that were completed or observed
 - detail how the job duties/assignments/tasks are necessary for the daily operation of the business
 - detail daily interaction with supervisor and other members of the business
 - include the likes and dislikes of the internship
- Journal Article Reviews: Students are required to turn in bi-weekly reviews of a *Journal of Accountancy* article, for a total of 8 article reviews. Research and locate any recent (within the last two years) *Journal of Accountancy* article and prepare a typed, double-spaced, one-page summary of the article in Microsoft Word. **You must include the web link to access the article in order to receive credit.** Plagiarism will be considered a violation of the STC Academic Dishonesty policy discussed later in this syllabus. See the attached rubric for the grading scale on the article reviews. Please proofread and spellcheck your work.
- The last week of the term, a job description should be submitted. See the last page of this syllabus/lesson plan regarding instructions for completing the job description.
- All assignments (timesheets, journals, job description, article reviews, and self-evaluations) should be submitted as an attachment to the Blackboard drop boxes provided.
- If you meet the 300 hour requirement before the end of the semester, you may cease to submit the timesheets and journals, but the bi-weekly article review will still be required.

- **No late assignments will be accepted.** You are at the end of your college career and are working in a professional environment; the expectation is that you will submit these documents timely, just as you would meet work deadlines. **Do not ASK instructor to accept late timesheets, journals, job description, article reviews, and/or self-evaluations.**
- **The employer's midterm and final evaluations should be completed and signed by the supervisor at the internship site by the specified due date in the course lesson plan and mailed directly to Southeastern Technical College, Attn: Attn: Lori Sweat, 3001 East First Street, Vidalia GA 30474 or 346 Kite Rd, Swainsboro GA 30401.**
- Students are responsible for policies and procedures included in the STC Catalog.

WITHDRAWAL PROCEDURE: Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% portion of the semester (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" is assigned when the student completes the withdrawal form from the course.

Students who are dropped from courses due to attendance (see your course syllabus for attendance policy) after drop/add until the 65% point of the semester will receive a "W" for the course. Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of 'F' being assigned.

After the 65% portion of the semester, the student will receive a grade for the course. (Please note: A zero will be given for all missed assignments.) **The 65% point for fall semester is Tuesday, October 25.**

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. All grades, including grades of 'W', will count in attempted hour calculations for the purpose of Financial Aid.

Remember - Informing your instructor that you will not return to his/her course does not satisfy the approved withdrawal procedure outlined above.

MAKEUP GUIDELINES: All assignments (timesheets, journals, job description, article reviews, and self-evaluations) should be submitted as an attachment to the Blackboard drop boxes provided. **No late assignments will be accepted.** You are at the end of your college career and are working in a professional environment; the expectation is that you will submit these documents timely, just as you would meet work deadlines. Do not ASK instructor to accept late timesheets, journals, job description, article reviews, and/or self-evaluations.

ACADEMIC DISHONESTY POLICY: The STC Academic Dishonesty Policy states *All forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline.* The policy can also be found in the *STC Catalog and Student Handbook.*

Procedure for Academic Misconduct

The procedure for dealing with academic misconduct and dishonesty is as follows:

--First Offense--

Student will be assigned a grade of "0" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

--Second Offense--

Student is given a grade of "WF" for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

--Third Offense--

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.

Your instructor is more than willing to assist you with any help you might need; it merely requires you to make the extra effort to come by for help during your instructor's office hours. This is your responsibility. Accounting professionals deal with money; in-class behaviors give some insight into a student's professional ethics in the workplace, or lack thereof. Cheating is never an option; dishonesty cannot and will not be tolerated. If you are involved in an academic dishonesty incident, expect a private conference with your instructor and the Dean of Business Technologies and Human Services.
