The full-time accounting internship is implemented through the use of written individualized training plans, written performance evaluation, and weekly documentation or seminars and/or other projects as required by the instructor.

PREREQUISITE(S)

All non-elective courses required for program completion.

COURSE OUTLINE

1. Appropriate Work Habits
2. Acceptable Job Performance
3. Accounting Knowledge and Skills
4. Interpersonal Relations
5. Productivity

GENERAL EDUCATION CORE COMPETENCIES

Southeastern Technical College has identified the following general education core competencies that graduates will attain:

1. The ability to utilize standard written English.
2. The ability to solve practical mathematical problems.
3. The ability to read, analyze, and interpret information.

STUDENT REQUIREMENTS

Students must perform the required minimum of 300 hours of work at the internship site. These hours may be accrued in a manner that is agreed upon by the internship worksite and student.

The key to success in the internship is COMMUNICATION with both your instructor and your supervisor. Prior to the beginning of the internship, students should discuss with instructor regarding internship details such as location, supervisor name, and duties to be performed in order to determine if the chosen site qualifies for an internship site. Upon advisor approval, student should provide the following information necessary for completing the Technical College System of Georgia (TCSG) Memorandum of Agreement: Employer Name, Supervisor Name, Employer Address, Contact Phone and email for Supervisor. A signed TCSG Memorandum of Agreement must be on file at STC before the internship can commence. If your instructor has not requested this information from you, we have probably used the internship site before and already have one on file.

IMPORTANT: Students participating in internships are required to check their STC student email EVERY DAY in the event that I am communicating important information.

SPECIFIC REQUIREMENTS

Complete all work assignments that include:

- Timesheets: Students are required to submit to the appropriate Blackboard drop box a biweekly timesheet. The timesheet must be signed by the supervisor of the internship site. The deadline for submission is always on Monday at midnight. See the lesson plan for specific due dates.
- Journal: Students are required to keep a daily journal detailing what was done on the days worked at the internship site and submit it to the appropriate biweekly Blackboard drop box. The journal must be typed and turned in biweekly along with the corresponding timesheet. The deadline for submission is always on Monday at midnight. See the lesson plan for specific due dates. Don't disclose any confidential information, but at the same time, there should be plenty of detail of your activities to document your accounting training. The journal should include:
 - job duties, assignments, and any other tasks that were completed or observed
 - detail how the job duties/assignments/tasks are necessary for the daily operation of the business
 - detail daily interaction with supervisor and other members of the business
 - include the likes and dislikes of the internship
- Journal Article Reviews: Students are required to submit to the appropriate Blackboard drop box bi-weekly reviews of a *Journal of Accountancy* article, for a total of eight (8) article reviews. Research and locate any recent (within the last year) *Journal of Accountancy* article and prepare a typed, double-spaced, minimum one-page summary of the article in Microsoft Word. You must include the web link to access the article in order to receive credit. Do not copy/paste the article contents and submit it as your summary.

This is plagiarism, and it will be considered a violation of the STC Academic Dishonesty policy discussed later in this syllabus. See the attached rubric for the grading scale on the article reviews. Please proofread and spellcheck your work. The deadline for submission is always on Monday at midnight. See the lesson plan for specific due dates.

- At midterm students are responsible for completing a midterm self-evaluation and submitting it to the appropriate Blackboard drop box. The evaluation is located in the student internship packet. See the lesson plan for specific due date.
- At the end of the term, students are responsible for completing a final self-evaluation and submitting it to the appropriate Blackboard drop box. The evaluation is located in the student internship packet. See the lesson plan for specific due date.
- Before or during the last week of the term, a job description should be submitted via the appropriate Blackboard drop box. See the last page of this syllabus/lesson plan regarding instructions for completing the job description. See the attached rubric for the grading scale on the job description. Please proofread and spellcheck your work. See the lesson plan for specific due date.
- All assignments (timesheets, journals, article reviews, self-evaluations, and job description) should be submitted as an attachment to the appropriate Blackboard drop boxes provided. Please proofread and spellcheck your work. The deadline for submission is always Monday at midnight. See the lesson plan for specific due dates.
- If you meet the 300 hour requirement before the end of the semester, you may cease to submit the timesheets and journals, but the bi-weekly article review, evaluations, and job description will still be required.
- No late assignments will be accepted for this course. Students registered for an internship are at the end of their college careers and are working in a professional environment; therefore the expectation is that students will submit the required assignments on time, just as if meeting a work deadline. Do not ASK your instructor to accept late timesheets, journals, job description, article reviews, and/or self-evaluations. Any hours worked but not supported by timely submission of timesheets and journal will NOT count towards the 300 hours required for this course.
- The employer is responsible for completing and submitting directly to me both a midterm and final evaluation of the student. The employer's midterm and final evaluations should be completed and signed by the supervisor at the internship site by the specified due date in the course lesson plan and mailed directly to Southeastern Technical College, Attn: Lori Sweat, 346 Kite Rd, Swainsboro GA 30401. The evaluation forms are located in the employer internship packet.
- Students will be required to participate in a mock interview and to attend Career Services workshops during the semester. More information will be provided regarding this later in the semester.

Students are expected to prove weekly academic engagement by meeting assignment deadlines each week and spending a minimum of 300 hours during the semester working at the internship location. Additional time should be devoted to doing the required timesheets, journal, Journal of Accountancy reviews, self-evaluations, and job description. Students are expected to communicate frequently through college email. College email is accessed at <https://portal.office.com>, under Quick links on our webpage, or in the menu of your Blackboard course.

COVID-19 MASK REQUIREMENT

Regardless of vaccination status, masks or face coverings must be worn at all times while in a classroom or lab of Southeastern Technical College. This measure is being implemented to reduce COVID-19 related health risks for everyone engaged in the educational process. Masks or face coverings must be worn over the nose and mouth, in accordance with the Centers for Disease Control and Prevention (CDC). A student's refusal to wear a mask or face covering will be considered a classroom disruption and the student may be asked to leave campus and/or receive further discipline.

COVID-19 SIGNS AND SYMPTOMS

We encourage individuals to monitor for the signs and symptoms of COVID-19 prior to coming on campus.

If you have experienced the symptoms listed below or have a body temperature 100.4°F or higher, we encourage you to self-quarantine at home and contact a primary care physician's office, local urgent care facility, or health department for further direction. Please notify your instructor(s) by email and do not come on campus for any reason.

Have had close contact with or are caring for an individual diagnosed with COVID-19 at home (not in healthcare setting), please do not come on campus and contact your instructor (s).

COVID-19 SELF-REPORTING REQUIREMENT

Students, regardless of vaccination status, who test positive for COVID-19 or who have been exposed to a COVID-19 positive person, are required to self-report using <https://www.southeasterntech.edu/covid-19/>. Report all positive cases of COVID-19 to your instructor and Stephannie Waters, Exposure Control Coordinator, swaters@southeasterntech.edu, 912-538-3195.

ATTENDANCE GUIDELINES

Class attendance is a very important aspect of a student's success. Being absent from class prevents students from receiving the full benefit of a course and interrupts the learning process. Southeastern Technical College considers both tardiness and leaving early as types of absenteeism. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is required for student success. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Instructors have the right to give unannounced quizzes/assignments. Students who miss an unannounced quiz or assignment will receive a grade of 0. Students who stop attending class, but do not formally withdraw, may receive a grade of "F" (Failing 0-59) and face financial aid repercussions in upcoming semesters.

Instructors are responsible for determining whether missed work may be made up and the content and dates for makeup work is at the discretion of the instructor.

Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an "F" in a course.

STUDENTS WITH DISABILITIES

Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact the appropriate campus coordinator to request services.

Swainsboro Campus: Daphne Scott dscott@southeasterntech.edu, 478-289-2274, Building 1, Room 1210
 Vidalia Campus: Helen Thomas (hthomas@southeasterntech.edu), 912-538-3126, Building A, Room 165

SPECIFIC ABSENCES

Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

PREGNANCY

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the

course. If you think you will need accommodations due to pregnancy, please make arrangements with the appropriate campus coordinator.

Swainsboro Campus: [Daphne Scott dscott@southeasterntech.edu](mailto:dscott@southeasterntech.edu), 478-289-2274, Building 1, Room 1210
 Vidalia Campus: [Helen Thomas \(hthomas@southeasterntech.edu\)](mailto:hthomas@southeasterntech.edu), 912-538-3126, Building A, Room 165

It is strongly encouraged that requests for consideration be made **PRIOR** to delivery and early enough in the pregnancy to ensure that all the required documentation is secured before the absence occurs. Requests made after delivery MAY NOT be accommodated. The coordinator will contact your instructor to discuss accommodations when all required documentation has been received. The instructor will then discuss a plan with you to make up missed assignments.

WITHDRAWAL PROCEDURE

Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% point of the term in which student is enrolled (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of “W” (Withdrawn) is assigned for the course(s) when the student completes the withdrawal form.

Important – Student-initiated withdrawals are not allowed after the 65% point. After the 65% point of the term in which the student is enrolled, the student has earned the right to a letter grade and will receive a grade for the course. Please note: Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of “F” (Failing 0-59) being assigned. The 65% point for this semester is Tuesday, October 26.

Informing your instructor that you will not return to his/her course, does not satisfy the approved withdrawal procedure outlined above.

There is no refund for partial reduction of hours. Withdrawals may affect students’ eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. A grade of “W” will count in attempted hour calculations for the purpose of Financial Aid.

MAKEUP GUIDELINES (TESTS, QUIZZES, HOMEWORK, PROJECTS, ETC.)

All assignments (timesheets, journals, job description, article reviews, and self-evaluations) should be submitted to the appropriate Blackboard drop boxes provided. **No late assignments will be accepted.**

You are at the end of your college career and are working in a professional environment; the expectation is that you will submit these documents timely, just as you would meet work deadlines. Please do not ask your instructor to accept late timesheets, journals, job description, article reviews, and/or self-evaluations. Any hours worked but not supported by timely submission of timesheets and journal will NOT count towards the 300 hours required for this course.

ACADEMIC DISHONESTY POLICY

The Southeastern Technical College Academic Dishonesty Policy states that all forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline. The policy can also be found in the Southeastern Technical College Catalog and Handbook.

PROCEDURE FOR ACADEMIC MISCONDUCT

The procedure for dealing with academic misconduct and dishonesty is as follows:

1. First Offense

Student will be assigned a grade of "0" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

2. Second Offense

Student is given a grade of "WF" (Withdrawn Failing) for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

3. Third Offense

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of third offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.
