**REQUIRED TEXT**

No textbook is required for READ 0090.

You are required to purchase the *MyReadingLab* – Standalone Access Card from Southeastern Technical College Bookstore or from Pearson

**REQUIRED SUPPLIES & SOFTWARE**

Note: Although students can use their smart phones and tablets to access their online course(s), exams,

discussions, assignments, and other graded activities should be performed on a personal computer. Neither Blackboard nor GVTC provide technical support for issues relating to the use of a smart phone or tablet so students are advised to not rely on these devices to take an online course.

- *MyReadingLab – Standalone Access Card* – purchased @ the STC bookstore or from the publisher, Pearson
- Access to Internet
- Headset/Earphones - if you wish to have access to *MyReadingLab* audio
- The recommended resolution for *MyReadingLab* is 1280 x 800. Lower resolutions may result in display issues, such as pages being cut off on the right.
- Depending on the content of your site, you may also need to download one or more free plug-ins such as Adobe Reader®, Adobe Flash Play®, or Adobe Shockwave® Player. Mozilla Firefox or Goggle is the preferred browsers.
- Access to Blackboard and Student Owl Mail

## **COURSE DESCRIPTION**

This course uses a modular approach to emphasize the strengthening of fundamental reading competencies, vocabulary, comprehension skills, critical reading skills, and content reading skills. Students will progress at their own pace to master each module.

## **MAJOR COURSE COMPETENCIES**

1. Module 1 – Vocabulary Skills
2. Module 2 - Comprehension Skills
3. Module 3 – Study Skills 1
4. Module 4 – Study Skills 2
5. Module 5 – Content Area Reading Skills
6. Module 6 - Critical Reading Skills

## **PREREQUISITE(S)**

### **GENERAL EDUCATION CORE COMPETENCIES**

STC has identified the following general education core competencies that graduates will attain:

1. The ability to utilize standard written English.
2. The ability to solve practical mathematical problems.
3. The ability to read, analyze, and interpret information.

### **STUDENT REQUIREMENTS (HYBRID)**

READ 0090 is a personalized learning environment and computerized base learning is the primary mode of content delivery. Therefore, student requirements are as follows:

1. Students are expected to complete all assignments required by the Path Builder of the student’s *MyReadingLab*.
2. Students are expected to be on task with the assignments while in the *MyReadingLab* classroom.
3. Students must work outside of the *MyReadingLab* classroom a minimum of 1 hour in order to complete the modular assignments of the *MyReadingLab* Learning Path and to meet the hybrid component of the course.
4. As STC policy states no cell phones usage will be allowed in the classroom. The instructor reserves the right to ask students to exit the classroom when cell phone usage is observed.
5. *MyReadingLab* pre-tests and post-tests must be taken on campus in the *MyReadingLab* classroom with the instructor present.

6. No notes or other material may be used during the *MyReadingLab* pre-tests or post-tests.
7. Students must complete any *MyReadingLab* pre-test or *MyReadingLab* post-test in one class session without interruption and in the presence of the instructor or assigned designee.
8. Students will meet with the instructor to discuss the results of their personal Learning Path Manager results.
9. Should any component of this course need to be altered during the semester, students will receive oral and written communication.

## **HYBRID ATTENDANCE**

Class attendance is a very important aspect of a student's success. Being absent from class prevents students from receiving the full benefit of a course and also interrupts the learning process. Southeastern Technical College considers both tardiness and leaving early as types of absenteeism. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is required for student success. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Instructors have the right to give unannounced quizzes/assignments. Students who miss an unannounced quiz or assignment will receive a grade of 0. Students who stop attending class, but do not formally withdraw, may receive a grade of F and face financial aid repercussions in upcoming semesters.

Instructors are responsible for determining whether missed work may be made up and the content and dates for makeup work is at the discretion of the instructor.

Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an F in a course.

## **EXIT EXAM – INTERMEDIATE MASTERY SKILLS:**

Students must score at least 70 on the Intermediate Mastery Check. This component is the final assignment in READ 0090. The Intermediate Mastery Check must be taken in the classroom with the instructor present. Students will have 2 attempts to meet the minimum score. If more attempts are needed, students will complete additional *MyReadingLab* modules that will be assigned by the instructor.

## **ATTENDANCE GUIDELINES: LEARNING SUPPORT CLASSES**

Class attendance is a very important aspect of a student's success. Being absent from class prevents students from receiving the full benefit of a course and also interrupts the learning process. Southeastern Technical College considers both tardiness and leaving early as types of absenteeism. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is required for student success. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Instructors have the right to give unannounced quizzes/assignments. Students who miss an unannounced quiz or assignment will receive a grade of 0. Students who stop attending class, but do not formally withdraw, may receive a grade of F and face financial aid repercussions in upcoming semesters.

Instructors are responsible for determining whether missed work may be made up and the content and dates

for makeup work is at the discretion of the instructor.

READ 0090 meets 1 session per week for 15 weeks, and students are allowed to miss 10% of the scheduled classes. Therefore, students who miss 2 classes will be dropped from READ 0090 and will receive a grade according to STC's Learning Support policies. Also, students who fail to meet the 1 hour hybrid component of this class can be dropped from READ 0090.

### **READ 0090 ATTENDANCE/CLASSROOM POLICY**

READ 0090 is a personalized learning environment; therefore, students may complete the required assignments of their *MyReadingLab* Learning Path at any point during the semester; however, until the assignments are complete, the attendance policy of STC will be enforced.

Students are expected to attend regularly, to be in class on time, to remain in class for the schedule time, and to complete a minimum of 1 hour of coursework each week.

Students will work through the required modules as quickly as academically possible. Refer to the pacing guide attached to this document. Ultimate responsibility for timely completion of READ 0090 required modules fall on the student and will be dependent on the amount of time and effort spent on task in the READ 0090 classroom environment and outside the classroom environment.

### **SPECIAL NEEDS**

Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact Helen Thomas, 912-538-3126, [hthomas@southeasterntech.edu](mailto:hthomas@southeasterntech.edu), to coordinate reasonable accommodations.

### **SPECIFIC ABSENCES**

Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

### **PREGNANCY**

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please advise me and make appropriate arrangements with Helen Thomas, 912-538-3126, [hthomas@southeasterntech.edu](mailto:hthomas@southeasterntech.edu).

### **WITHDRAWAL PROCEDURE**

Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% portion of the semester (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" is assigned when the student completes the withdrawal form from the course.

Students who are dropped from courses due to attendance (see your course syllabus for attendance policy) after drop/add until the 65% point of the semester will receive a "W" for the course. Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of 'F' being assigned.

After the 65% portion of the semester, the student will receive a grade for the course. (Please note: A zero

will be given for all missed assignments.)

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. All grades, including grades of 'W', will count in attempted hour calculations for the purpose of Financial Aid.

**Remember** - Informing your instructor that you will not return to his/her course does not satisfy the approved withdrawal procedure outlined above.

### **MAKEUP GUIDELINES (TESTS, QUIZZES, HOMEWORK, PROJECTS, ETC...)**

READ 0090 is a personalized learning environment; therefore, no makeup guidelines are applicable for this course. Students are expected to complete all components of each assignment.

### **ACADEMIC DISHONESTY POLICY**

The STC Academic Dishonesty Policy states All forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline. The policy can also be found in the STC Catalog and Student Handbook.

### **PROCEDURE FOR ACADEMIC MISCONDUCT**

The procedure for dealing with academic misconduct and dishonesty is as follows:

#### **1. First Offense**

Student will be assigned a grade of "0" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

#### **2. Second Offense**

Student is given a grade of "WF" for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

#### **3. Third Offense**

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.

### **STATEMENT OF NON-DISCRIMINATION**

The Technical College System of Georgia and its constituent Technical Colleges do not discriminate on the basis of race, color, creed, national or ethnic origin, sex, religion, disability, age, political affiliation or belief, genetic information, disabled veteran, veteran of the Vietnam Era, spouse of military member or citizenship status (except in those special circumstances permitted or mandated by law). This school is in compliance with Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color, or national origin; with the provisions of Title IX of the Educational Amendments of 1972, which prohibits discrimination

on the basis of gender; with the provisions of Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of handicap; and with the American with Disabilities Act (ADA).

The following individuals have been designated to handle inquiries regarding the nondiscrimination policies:

<b>ADA/Section 504 - Equity- Title IX (Students) - OCR Compliance Officer</b>	<b>Title VI - Title IX (Employees) - EEOC Officer</b>
