STUDENT REQUIREMENTS: Online courses require students to be academically engaged each week doing course related activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws or receives an F in a course. A student's last date of attendance can have a negative effect on his/her financial aid and academic progress. Students are expected to complete all work required by the instructor, and to attend the required proctored campus exam. Students will have at least one week to complete tests and assignments. **All weekly assignments are due no later than midnight Monday of each week.**

- **Students are responsible for working on course material individually** and are responsible for communicating questions of concern to the instructor in a timely manner. Students are expected to complete all tests and assignments by the due dates.

- **Students are responsible for reading this syllabus/lesson plan and policies/procedures in the STC E-Catalog as well as the Online Course Orientation.** All online students must post a pledge that they have read and understand the syllabus and STC Online Orientation policy. The Pledge should be posted in Blackboard within the “Start Here” link within the first three days of the semester.
- **Students are responsible for checking emails and Blackboard announcements daily.** Students must use their student Owl E-Mail as the method of communication.
- **Students are required to post an introduction of him/herself** within the first three days of class. The Introduction should be posted in Blackboard within the “Start Here” link within the first three days of the semester.
- **Students are required to take chapter exams.** Exams are posted in the weekly folders located in the “*Weekly Assignment Schedule*” link. Exams must be taken by the due date posted in the lesson plan part of the syllabus. Students are allowed to complete weekly assignment (exams) early so no make ups will be given for missed assignments. Any student who does not take an exam by the due date will be given a grade of zero. **ATTENTION:** Once any exam/test has begun, students cannot move away from it, or refresh the screen or the system will submit it automatically whether it has actually been completed or not.
- **Students are required to take two tests during the semester.** A midterm test and a final (proctored) test. **ATTENTION:** Once any test or quiz has begun, students cannot move away from the test/quiz, or refresh the screen or the system will submit it automatically whether it has actually been completed or not.
 - The **Mid-term test** will be available for students to take online from their home or elsewhere. Due date for the midterm test is located in the lesson plan portion of this syllabus. Failure to take the midterm test within the allowed timeframes will result in a grade of zero. No make ups will be allowed.
 - The **Proctored Final test** must be taken in person at STC on either of the two designated dates and campuses. Failure to take this proctored test will result in a grade F for this course. See the “Proctored” section of this syllabus below for more detailed information.
- **Students are required to submit chapter Homework Assignments.** Questions for homework assignments are posted in the weekly folders located in the “*Weekly Assignment Schedule*” link and must be submitted by the due date posted in the lesson plan part of the syllabus. Students are required to submit all homework assignments in the designated weekly Drop Box. Failure to submit homework by that week’s due date will result in a grade of zero. Students are allowed to turn in homework assignments early so no submissions will be accepted late. **HOMEWORK INSTRUCTIONS:** *Access the course and click on the “Course Work/Lessons” folder. Then go into the individual “Weekly Assignment Schedule” folder to find the chapter work due for a particular week. Click on the appropriate weekly chapter to find the appropriate homework assignment. Then click the “browse my computer” button to find the file you want to attach. Then click “submit” and it will attach the file. This will submit your homework file to the weekly drop box for grading. NOTE: THIS IS THE ONLY WAY ASSIGNMENTS WILL BE ACCEPTED FOR THIS CLASS. IF YOU HAVE ANY SPECIFIC QUESTIONS REGARDING ASSIGNMENTS, PLEASE EMAIL ME. DO NOT TYPE YOUR ASSIGNMENTS IN THE COMMENTS BOX. YOU MUST COMPLETE THE ASSIGNMENTS IN MICROSOFT WORD FORMAT (.doc or .docx) AND THEN ATTACH THE FILE IN THE DROP BOX FOR GRADING.*
- **Students are required to participate in Discussion Topic assignments.** Students are required to respond to the Discussion Topic and are also required to reply to one other student’s post in order to get full credit for the assignment. (See the *Discussion Board Grading Rubric* below.) Failure to post your response and reply by that week’s due date will result in a grade of zero. Students are allowed to post discussion topics early so no posts or replies will be accepted late. **Discussion Board responses and replies must be at least 4-5 sentences. Comments must be written in complete sentences using correct spelling and grammar. Simply stating “yes or no” or “agree or disagree” is not sufficient and will not be accepted. Do not copy any other students’ post/reply. It is considered plagiarism and will not be accepted.**
- **Students are required to complete MindTap Assignments**  such as You Decide, Video Cases, Labs, and Lab quizzes -. Students are required to log into **MindTap** through the posted weekly Blackboard assignments using the Access Code provided with the purchase of the textbook.

The student will receive a one point deduction for each grammatical and spelling error in their reply. A 10 point deduction will be given for any reply that is not 4-5 sentences in length.

ONLINE ATTENDANCE: It is the student's responsibility to be academically engaged each week doing course related activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an F in a course. Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Students will have at least one week to complete tests and assignments. All tests and assignments are due by midnight on Monday of each week, but can be submitted earlier. Exceptions to the due dates of assignments due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

SPECIAL NEEDS: Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact Helen Thomas, 912-538-3126, hthomas@southeasterntech.edu, to coordinate reasonable accommodations.

SPECIFIC ABSENCES: Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

PREGNANCY: Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please advise me and make appropriate arrangements with Helen Thomas, 912-538-3126, hthomas@southeasterntech.edu.

WITHDRAWAL PROCEDURE: Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% portion of the semester (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" is assigned when the student completes the withdrawal form from the course.

Students who are dropped from courses due to attendance (see your course syllabus for attendance policy) after drop/add until the 65% point of the semester will receive a "W" for the course. Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of 'F' being assigned.

After the 65% portion of the semester, the student will receive a grade for the course. (Please note: A zero will be given for all missed assignments.)

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. All grades, including grades of 'W', will count in attempted hour calculations for the purpose of Financial Aid.

Remember - Informing your instructor that you will not return to his/her course does not satisfy the approved withdrawal procedure outlined above.

PROCTORED EVENT REQUIREMENT: In order to validate student identity for all online courses, students enrolled in online courses are **required** to complete one proctored event per online course. The proctored event will be administered on two separate days during the semester—once on the Vidalia campus and once on the Swainsboro campus and will be monitored by the instructor or another STC employee. The proctored event may be a major exam, assignment, or presentation, etc. that will count a minimum of 20% of the course grade. Students must attend one of the scheduled proctored sessions and will need to make arrangements with work, childcare, etc. The specific dates of the proctored event are scheduled on the Lesson Plan/Calendar for the online course. Students living further than 75 miles from either campus who cannot come to Southeastern Tech for the event must secure an approved proctoring site. The site and the proctor must meet Southeastern Technical College's requirements (instructor will provide more information and necessary forms if this is the case). Note: Students taking proctored events off campus will utilize the Proctor Scheduling and Approval Form found in Blackboard within the Getting Started/Start Here and Proctoring Event area. The completed form should be submitted to the course instructor a minimum of two weeks prior to the proctored event. If approved, the instructor will notify the proctor.

Students arranging off-campus proctoring must take the event on one of the originally scheduled days. Students who do not complete the proctored event as scheduled must submit a valid documented excuse within three business days after the scheduled event. If the excuse is approved, students must make arrangements with the instructor to makeup/reschedule the missed event. The penalty and makeup instructions will be at the instructor's discretion. Proctored events will be given after the 65% point of the semester. **Students who do not complete the proctored event will receive an F in the course.**

As published on STC's website, any expenses incurred to obtain a proctor will be the responsibility of the student; however, students are not charged a proctoring fee when taking the proctored exam on the campus of Southeastern Tech. Most of Georgia's technical colleges do not charge to proctor exams for students enrolled in other TCSG colleges. Students who are enrolled at Southeastern Technical College and live out of the state of Georgia or out of the country could incur a proctoring charge. However, in that instance, the instructor would assist the student in locating the least expensive proctor.

*****The required proctored event for this class (Final Test) is scheduled on the following dates, times, and locations: Swainsboro Campus, Building 8, Health Science Bldg., Room 8150, Tuesday Nov. 29 anytime between 1:00pm– 4:00 p.m. OR Vidalia Campus, Gillis Building, Room 830 Wednesday Nov. 30 anytime between 9:00 a.m. – 4:30 p.m. You must contact your instructor Karann Raines (912-538-3219), to arrange the specific day, time, and location you will come to take the proctored Final test.*****

MAKEUP GUIDELINES: No make-ups will be allowed for any missed tests, quizzes, chapter homework, and discussion board topics. A grade of zero will be given for all assignments not completed by the respective due date. The proctored final test must be taken on either of the dates indicated in the syllabus/lesson plan and no make-ups are allowed unless a valid documented excuse is approved by the instructor.

ACADEMIC DISHONESTY POLICY: The STC Academic Dishonesty Policy states All forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline. The policy can also be found in the STC Catalog and Student Handbook.

Procedure for Academic Misconduct

The procedure for dealing with academic misconduct and dishonesty is as follows:

--First Offense--

Student will be assigned a grade of "0" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

--Second Offense--

Student is given a grade of "WF" for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

--Third Offense--

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.
