## REQUIRED TEXT:

### Criminal Investigation, 10th Edition

- Christine Hess Orthmann & Kären M. Hess
- ISBN-13: 9781133018926, ©2013

**REQUIRED SUPPLIES & SOFTWARE:** Internet access (Internet Explorer 7 or Mozilla Firefox 2.0 or higher) and Microsoft Office is required for this course.

**COURSE DESCRIPTION:** This course presents the fundamentals of criminal investigation. The duties and responsibilities of the investigator both in field and in the courtroom are highlighted. Emphasis is placed on techniques commonly utilized by investigative personnel as well as the procedures used for investigating various crimes.

**MAJOR COURSE COMPETENCIES:** Role of the Investigator, Fundamental Investigative Techniques, Felony Investigation Procedures

**PREREQUISITE(S):** Program Admission

## COURSE OUTLINE:

- (1) Role of the Investigator
- (2) Fundamental Investigative Techniques
- (3) Felony Investigation Procedures

**GENERAL EDUCATION CORE COMPETENCIES:** STC has identified the following general education core competencies that graduates will attain:

1. The ability to utilize standard written English.
2. The ability to solve practical mathematical problems.
3. The ability to read, analyze, and interpret information.

All students pursuing a degree, a diploma, or a Technical Certificate of Credit with a General Education component will be required to pass the General Education Competency Exams prior to graduation.

**STUDENT REQUIREMENTS:** Online courses require students to be academically engaged each week doing course related activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws or receives an F in a course. A student's last date of attendance can have a negative effect on his/her financial aid and academic progress. Students are expected to complete all work required by the instructor, and to attend the required proctored campus exam. **Students will have at least one week to complete tests and assignments. All weekly assignments are due no later than midnight Monday of each week but can be submitted earlier.** Exceptions to the due dates of assignments due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

- **Students are responsible for working on course material individually and are responsible for communicating questions of concern to the instructor in a timely manner. Students are expected to complete all tests and assignments by the due dates.**

- **Students are responsible for reading this syllabus/lesson plan and policies/procedures in the STC E-Catalog as well as the Online Course Orientation.** All online students must post a pledge that they have read and understand the syllabus and STC Online Orientation policy within the first three days of class.
- **Students are responsible for checking emails and ANGEL announcements daily.** Students may use either Owl Mail or ANGEL E-mail as a method of communication.
- **Students are required to post an introduction of him/herself** within the first three days of class.
- **Students are required to take chapter Quizzes.** Quizzes are posted in the weekly folders located in the “*Weekly Assignment Schedule*” link. Quizzes must be taken by the due date posted in the lesson plan part of the syllabus. Students are allowed to submit weekly assignment (quizzes) early so no make ups will be given for missed quizzes. Any student who does not take a quiz by the due date will be given a grade of zero.
- **Students are required to take two tests during the semester.** A midterm test and a final test (proctored).
  - **The Mid-term test** will be available for students to take online from their home or elsewhere. Due date for the midterm test is located in the lesson plan portion of this syllabus. Failure to take the midterm test within the allowed timeframes will result in a grade of zero. No make ups will be allowed.
  - **The Final test (proctored)** must be taken in person at STC on either of the two designated dates and locations. Failure to take this proctored final test will result in a grade F for this course. See the “Proctored” section of this syllabus below for more detailed information.  
 {TEST INSTRUCTIONS: Tests are located under the “*Course Work/Test*” link. Make sure you are ready to take the tests without interruption since they are timed and there are no retakes. Tests taken that exceed the time limit allowed may result in a grade of zero or points being deducted from the grade. You cannot enter the test, change your mind, and reenter the test later. Because test are available for a certain time frame and each has a time limit, make sure that you enter the test with enough time to take it before it expires. (Example: If you have until midnight to take the test and are only given 50 minutes to do so, make sure to begin the test no later than 11pm.) If your Internet connection is interrupted, you may not be able to reenter the test. This is very important so do not enter the test link unless you have uninterrupted time to do so. If your computer locks up or you lose power during the test, let me know immediately by email or phone so that I can address the situation. All tests have to be taken within the available time frames allowed. If you fail to take the test by the due dates/times you will receive a grade of zero (0). (Once the test has been submitted, students will get instant feedback on the grade.)} (All grades will be posted under the “*Report*” link.)
- **Students are required to submit chapter Homework Assignments.** Homework assignments are posted in the weekly folders located in the “*Weekly Assignment Schedule*” link and must be submitted by the due date posted in the lesson plan part of the syllabus. Students are required to submit all homework assignments in the designated weekly Drop Box. Failure to submit homework by that week’s due date will result in a grade of zero. Students are allowed to turn in homework assignments early so no submissions will be accepted late. **HOMEWORK INSTRUCTIONS:** Step 1: Access the course and click on the “*Course Work*” folder. Go into the individual “*Weekly Assignment Schedule*” folder to find the homework drop box due for a particular week. Enter a Title and type a message. Then click the Attach button to browse and attach your files. Step 3: When you click the Attachments button, the dialog box appears. Click the Browse button and then Upload file button to load each assignment. Click Finished when completed and it will attach the file. Then click Submit. This will submit your work to the weekly drop box for grading. **NOTE: THIS IS THE ONLY WAY ASSIGNMENTS WILL BE ACCEPTED FOR THIS CLASS. IF YOU HAVE ANY SPECIFIC QUESTIONS REGARDING ASSIGNMENTS, PLEASE EMAIL ME. DO NOT TYPE YOUR ASSIGNMENTS IN THE MESSAGE BOX. YOU MUST COMPLETE THE ASSIGNMENTS IN MICROSOFT WORD FORMAT (.doc or .docx) AND THEN ATTACH THE FILE IN THE DROP BOX FOR GRADING.** (All grades will be posted under the “*Report*” link.)
- **Students are required to participate in Discussion Topic assignments.** Students are required to respond to the Discussion Topic and are also required to reply to one other student’s post in order to get full credit for the assignment. (See *Discussion Board Grading Rubric* on next page). Failure to post your response and reply by that week’s due date will result in a grade of zero. Students are allowed to post discussion topics early so no posts or replies will be accepted late. (All grades will be posted under the “*Report*” link.) **Discussion Board responses and replies must be at least 4-5 sentences. Comments must be written in complete sentences using correct spelling and grammar. Simply stating “yes or no” or “agree or disagree” is not sufficient and will not be accepted. Proof read your comments before submitting.**

Discussion Board Rubric			
# of discussion posts	# of discussion replies	Grade	Due Date, Length, Grammar and Spelling Requirements
1	1	100	Students who post their initial discussion board response to the discussion board topic and reply to at least one other students' post will be given a 100 on the assignment if the post is turned in by the due date, contain 4-5 sentences and free of grammatical and spelling errors. The student will receive a one point deduction for each grammatical and spelling error in both their response and reply. A 10 point deduction will be given for any response or reply that is not 4-5 sentences in length. No credit will be given for any response or reply that is an answer of "yes/no" or "I agree/disagree."
1	0	70	Any student that does not respond to at least one other students' post will not receive a grade above 70. The grade of 70 will be the highest grade that the student will be able to receive on the discussion post if the post is turned in by the due date, contain 4-5 sentences and free of grammatical errors and spelling errors. The student will receive a one point deduction for each grammatical and spelling error in their response. A 10 point deduction will be given for any response that is not 4-5 sentences in length.
0	1	50	Students who only respond to a classmate's discussion post will not receive a grade above 50. The grade of 50 will be the highest grade that the student will be able to receive on the discussion response if the response is turned in by the due date, contain 4-5 sentences and free of grammatical errors and spelling errors. The student will receive a one point deduction for each grammatical and spelling error in their reply. A 10 point deduction will be given for any reply that is not 4-5 sentences in length.
0	0	0	Students will receive a 0 on the discussion topic if the student does not post an answer or response to one other students' post by the due date.

**ONLINE ATTENDANCE:** It is the student's responsibility to be academically engaged each week doing course related activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an F in a course. Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

**Students will have at least one week to complete tests and assignments. All tests and assignments are due by midnight on Monday of each week, but can be submitted earlier. Exceptions to the due dates of assignments due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.**

**SPECIAL NEEDS:** *Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact Jan Brantley, Room 1208 Swainsboro Campus, 478-289-2274, or Helen Thomas, Room 108 Vidalia Campus, 912-538-3126, to coordinate reasonable accommodations.*

**SPECIFIC ABSENCES:** Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

**PREGNANCY:** Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please advise me and make appropriate arrangements with the Special Needs Office. Swainsboro Campus: Jan Brantley, Room 1208, (478) 289-2274 -- Vidalia Campus: Helen Thomas, Room 108, (912) 538-3126.

**WITHDRAWAL PROCEDURE:** Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% portion of the semester (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" is assigned when the student

completes the withdrawal form from the course.

Students who are dropped from courses due to attendance (see your course syllabus for attendance policy) after drop/add until the 65% point of the semester will receive a "W" for the course. Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of 'F' being assigned.

After the 65% portion of the semester, the student will receive a grade for the course. (Please note: A zero will be given for all missed assignments.)

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. All grades, including grades of 'W', will count in attempted hour calculations for the purpose of Financial Aid.

**Remember** - Informing your instructor that you will not return to his/her course does not satisfy the approved withdrawal procedure outlined above.

**PROCTORED EVENT REQUIREMENT:** In order to validate student identity for all online courses, students enrolled in online courses are **required** to complete one proctored event per online course. The proctored event will be administered on two separate days during the semester—once on the Vidalia campus and once on the Swainsboro campus and will be monitored by the instructor or another STC employee. The proctored event may be a major exam, assignment, or presentation, etc. that will count a minimum of 20% of the course grade. Students must attend one of the scheduled proctored sessions and will need to make arrangements with work, childcare, etc. The specific dates of the proctored event are scheduled on the Lesson Plan/Calendar for the online course. Students living further than 75 miles from either campus who cannot come to Southeastern Tech for the event must secure an approved proctoring site. The site and the proctor must meet Southeastern Technical College's requirements (instructor will provide more information and necessary forms if this is the case). Note: Students taking proctored events off campus will utilize the Proctor Scheduling and Approval Form found under the Proctoring Tab in ANGEL and submit the completed form to their instructor for approval a minimum of two weeks prior to the proctored event. If approved, the instructor will notify the proctor.

Students arranging off-campus proctoring must take the event on one of the originally scheduled days. Students who do not complete the proctored event as scheduled must submit a valid documented excuse within three business days after the scheduled event. If the excuse is approved, students must make arrangements with the instructor to makeup/reschedule the missed event. The penalty and makeup instructions will be at the instructor's discretion. Proctored events will be given after the 65% point of the semester. **Students who do not complete the proctored event will receive an F in the course.**

As published on STC's website, any expenses incurred to obtain a proctor will be the responsibility of the student; however, students are not charged a proctoring fee when taking the proctored exam on the campus of Southeastern Tech. Most of Georgia's technical colleges do not charge to proctor exams for students enrolled in other TCSG colleges. Students who are enrolled at Southeastern Technical College and live out of the state of Georgia or out of the country could incur a proctoring charge. However, in that instance, the instructor would assist the student in locating the least expensive proctor.

**\*\*\*The required proctored event for this class (Final Test) is scheduled on the following dates, times, and locations: Swainsboro Campus, Building 8, Health Science Bldg., Room 8150, Tuesday Dec. 1 anytime between 1:00pm– 4:00pm OR Vidalia Campus, Gillis Building, Room 830 Wednesday Dec. 2 anytime between 9:00am – 4:30pm. You must contact your instructor Karann Raines (912-538-3219), to arrange the specific day, time, and location you will come to take the proctored Final test.\*\*\***

**MAKEUP GUIDELINES:** No make-ups will be allowed for any missed tests, quizzes, chapter homework, and discussion board topics. A grade of zero will be given for all assignments not completed by the respective due date. The proctored mid-term test must be taken on either of the dates indicated in the syllabus/lesson plan and no make-ups are allowed unless a valid documented excuse is approved by the instructor.

**ACADEMIC DISHONESTY POLICY:** The STC Academic Dishonesty Policy states All forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline. The policy can also be found in the STC Catalog and Student Handbook.

#### **Procedure for Academic Misconduct**

The procedure for dealing with academic misconduct and dishonesty is as follows:

**--First Offense--**

Student will be assigned a grade of "0" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

**--Second Offense--**

Student is given a grade of "WF" for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

**--Third Offense--**

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.

**STATEMENT OF NON-DISCRIMINATION:** Southeastern Technical College does not discriminate on the basis of race, color, creed, national or ethnic origin, gender, religion, disability, age, disabled veteran, veteran of Vietnam Era or citizenship status, (except in those special circumstances permitted or mandated by law). This school is in compliance with Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color, or national origin; with the provisions of Title IX of the Educational Amendments of 1972, which prohibits discrimination on the basis of gender; with the provisions of Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of handicap; and with the American with Disabilities Act (ADA).

**GRIEVANCE PROCEDURES:** Grievance procedures can be found in the Catalog and Handbook located on STC's website.

**ACCESS TO TECHNOLOGY:** Students can now access Angel, Remote Lab Access, Student Email, Library Databases (Galileo), and BannerWeb via the mySTC portal or by clicking the Current Students link on the STC website at [www.southeasterntech.edu](http://www.southeasterntech.edu).
