

Vertical Shielded Metal Arc Welding / WELD 1060 COURSE SYLLABUS Fall Semester 2016(201712)

Semester: Fall 2015
Course Title: Vertical Shielded Metal Arc Welding
Course Number: WELD 1060
Credit Hours/ Minutes: 4 / 5000
Class Location: Room # 6106
Class Meets: M/T/W/R 1:00 – 2:30 pm
CRN: 20177

Instructor: Mr. Chris Cumbee
Email Address: ccumbee@southeasterntech.edu
Day Instructor: Mr. Chris Cumbee
Office Location: Room 6106 Building 6
Office Hours of Day Instructor: M/T/W/TH 7 – 8 am
Email Address: ccumbee@southeasterntech.edu
Phone: 478-289-2325

REQUIRED TEXT: None Required

REQUIRED SUPPLIES & SOFTWARE: Spiral notebook, pen, highlighter, welding helmet, clear safety glasses, welding gloves, ear plugs, chipping hammer, half round file with tang, wire brush, wire cutters, Shade 5 cutting glasses, striker, Vice grips, combination square, torpedo level, ball peen hammer, 12" Crescent Wrench, 12' tape measure and a 4 ½" angle grinder. **All students must have these items by the 2nd week of class; no exceptions.**

PRE-REQUISITE(S): None

CO-REQUISITE(S): All Required, WELD 1040 Flat Shielded Metal Arc Welding

COURSE DESCRIPTION: Introduces the major theory, safety practices, and techniques for shielded metal arc welding (SMAW) in the vertical position. Qualification tests, vertical position, are used in the evaluation of student progress toward making industrial standard welds. Topics include: Vertical SMAW safety and health practices, selection and applications of electrodes for vertical SMAW, vertical SMAW joints, and vertical SMAW specification

MAJOR COURSE COMPETENCIES:

1. Vertical SMAW Safety and Health Practices
2. Selection and Applications of Electrodes for Vertical SMAW
3. Vertical SMAW Joints
4. Vertical SMAW to specification

COURSE OUTLINE: Vertical SMAW Safety and Health practices, Selection and Applications of Electrodes for Vertical SMAW, Vertical SMAW Joints, and Vertical SMAW to Specification.

GENERAL EDUCATION CORE COMPETENCIES: STC has identified the following general education core competencies that graduates will attain:

1. The ability to utilize standard written English.
2. The ability to solve practical mathematical problems.
3. The ability to read, analyze, and interpret information.

All students pursuing a degree, a diploma, or a Technical Certificate of Credit with a General Education component will be required to pass the General Education Competency Exams prior to graduation.

STUDENT REQUIREMENTS: Tests and assignments must be completed on the specified date. Students are also responsible for policies and procedures in the STC E-Catalog.

STC ATTENDANCE POLICY: Class attendance is a very important aspect of a student's success. Being absent from class prevents students from receiving the full benefit of a course and also interrupts the learning process. Southeastern Technical College considers both tardiness and leaving early as types of absenteeism. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is required for student success. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Instructors have the right to give unannounced quizzes/assignments. Students who miss an unannounced quiz or assignment will receive a grade of 0. Students who stop attending class, but do not formally withdraw, may receive a grade of F and face financial aid repercussions in upcoming semesters.

Instructors are responsible for determining whether missed work may be made up and the content and dates for makeup work is at the discretion of the instructor.

Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an F in a course.

SPECIAL NEEDS: Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact Helen Thomas, 912-538-3126, hthomas@southeasterntech.edu, to coordinate reasonable accommodations.

SPECIFIC ABSENCES: Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

PREGNANCY: Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please advise me and make appropriate arrangements with Helen Thomas, (912) 538-3126, hthomas@southeasterntech.edu.

WITHDRAWAL PROCEDURE: Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% portion of the semester (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" is assigned when the student completes the withdrawal form from the course.

Students who are dropped from courses due to attendance (see your course syllabus for attendance policy) after drop/add until the 65% point of the semester will receive a "W" for the course. Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of 'F' being assigned.

After the 65% portion of the semester, the student will receive a grade for the course. (Please note: A zero will be given for all missed assignments.)

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. All grades, including grades of 'W', will count in attempted hour calculations for the purpose of Financial Aid.

Remember - Informing your instructor that you will not return to his/her course does not satisfy the approved withdrawal procedure outlined above.

ACADEMIC DISHONESTY POLICY: The STC Academic Dishonesty Policy states *All forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline.* The policy can also be found in the *STC Catalog and Student Handbook*.

Procedure for Academic Misconduct

The procedure for dealing with academic misconduct and dishonesty is as follows:

--First Offense--

Student will be assigned a grade of "0" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

--Second Offense--

Student is given a grade of "WF" for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

--Third Offense--

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.

STATEMENT OF NON-DISCRIMINATION: Southeastern Technical College does not discriminate on the basis of race, color, creed, national or ethnic origin, gender, religion, disability, age, disabled veteran, veteran of Vietnam Era or citizenship status, (except in those special circumstances permitted or mandated by law). This school is in compliance with Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color, or national origin; with the provisions of Title IX of the Educational Amendments of 1972, which prohibits discrimination on the basis of gender; with the provisions of Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of handicap; and with the American with Disabilities Act (ADA).

GRIEVANCE PROCEDURES: Grievance procedures can be found in the Catalog and Handbook located on STC's website.

ACCESS TO TECHNOLOGY: Students can now access [Blackboard](#), Remote Lab Access, Student Email, Library Databases (Galileo), and BannerWeb via the mySTC portal or by clicking the Current Students link on the STC website at www.southeasterntech.edu.

GRADING POLICY

Welding Assignments 100%

GRADING SCALE

A: 90-100
B: 80-89
C: 70-79
D: 60-69
F: 0-59

TCSG GUARANTEE/WARRANTY

STATEMENT: *The Technical College System of Georgia guarantees employers that graduates of State Technical Colleges shall possess skills and knowledge as prescribed by State Curriculum Standards. Should any graduate employee within two years of graduation be deemed lacking in said skills, that student shall be retrained in any State Technical College at no charge for instructional costs to either the student or the employer.*

WELD 1060—VERTICAL SHIELDED METAL ARC WELDING
Fall Semester 2016 Lesson Schedule

Date	Chapter / Lesson	Content	Assignments Tests	*Competency Area
Aug 15	SMAW Set Up and Electrode Selection	First day of class/Class Introduction—Syllabi, Outline, Rules, Regulations Coverage, Library Resources and tour. SMAW Set Up and Electrode Selection	Refreshing of proper SMAW Set Up and Electrode Selection by instructor. SMAW Equipment and Filler Metals	1,2,3,4,5,6 A,B,C
16	3F Padded Plate 7018 Electrodes	3F Padded Plate 7018 Electrodes	Instructor demonstrates welding a padded plate using 7018 electrodes. Students practicing padded plate.	1,2,3,4,5,6 A,B,C
17	3F Padded Plate 7018 Electrodes	3F Padded Plate 7018 Electrodes	3F Padded Plate 7018 Electrodes	1,2,3,4,5,6 A,B,C
18	3F Padded Plate 7018 Electrodes	3F Padded Plate 7018 Electrodes	3F Padded Plate 7018 Electrodes	1,2,3,4,5,6 A,B,C
22	3F Padded Plate 6010 Electrodes	3F Padded Plate 6010 Electrodes	Instructor demonstrates welding a padded plate in the vertical position using 6010 electrodes. Students practicing padded plate.	1,2,3,4,5,6 A,B,C
23	3F Padded Plate 6010 Electrodes	3F Padded Plate 6010 Electrodes	3F Padded Plate 6010 Electrodes	1,2,3,4,5,6 A,B,C
24	3F Padded Plate 6010 Electrodes	3F Padded Plate 6010 Electrodes	3F Padded Plate 6010 Electrodes	1,2,3,4,5,6 A,B,C
25	Butt Joints -3F Fillet Welds 7018 Electrodes	Butt Joints - 3F Fillet Welds 7018 Electrodes	Instructor demonstrates welding Butt Joint using 7018 Electrodes. Students practicing Butt Joints.	1,2,3,4,5,6 A,B,C
29	Butt Joints -3F Fillet Welds 7018 Electrodes	Butt Joints - 3F Fillet Welds 7018 Electrodes	Students practicing Butt Joints.	1,2,3,4,5,6 A,B,C

Competency Areas:

1. Vertical SMAW Safety Practices and Health Practices
2. Selection and Applications of Electrodes for Vertical SMAW
3. Vertical SMAW Joints
4. Vertical SMAW to Specification

General Education Competencies:

- A. The ability to utilize standard written English.
- B. The ability to solve practical mathematical problems.
- C. The ability to read, analyze, and interpret information.
