MAJOR COURSE COMPETENCIES

Topics include analysis of writing, applied grammar and writing skills, editing and proofreading skills; research skills; oral communications skills.

PREREQUISITE(S)

None

COURSE OUTLINE

1. Analysis of Writing
2. Applied Grammar and Writing Skills
3. Editing and Proofreading
4. Research Skills
5. Oral Communication Skills

GENERAL EDUCATION CORE COMPETENCIES

STC has identified the following general education core competencies that graduates will attain:

1. The ability to utilize standard written English.
2. The ability to solve practical mathematical problems.
3. The ability to read, analyze, and interpret information.

STUDENT REQUIREMENTS (ONLINE)

Students are expected to complete all work required by the instructor and to attend the required proctored campus exam. Students will have at least one week to complete tests and assignments. All tests and assignments are due at midnight on Monday of each week. Assignments must be keyed in Microsoft Word, saved, uploaded, and attached for grading in Blackboard.

Students are expected to prove weekly academic engagement by meeting assignment deadlines each week and doing the required homework, quizzes, and tests. Students are expected to communicate frequently through college email and discussion boards. College email is accessed at <https://portal.office.com>, under Quick links on our webpage, or in the menu of your Blackboard course.

Weeks begin on Mondays, and work is due the following Monday by midnight.

Assignments must be completed by the assigned dates or per the instructor. Students are required to submit all assignments in American Psychological Association (APA) Style via the digital drop boxes for each assignment. Students are responsible for policies and procedures included in the STC Catalog and Handbook. Students are responsible for checking e-mails and Blackboard announcements daily. Students should be and become familiar with all tabs in gray on left in Blackboard

Students will have one week to complete assignments and two days (usually) to complete tests. All assignments are due by midnight on the following Monday of each week. For example, Week 3's assignments should be submitted by Monday at midnight of Week 4. Exceptions will be made at the discretion of the instructor.

Weeks begin on Mondays and work is due the following Monday by midnight.

Assignments must be completed by the assigned dates or per the instructor. Students are required to submit all assignments in APA Style via the digital drop boxes for each assignment

Discussion Boards (DBs) : For DBs, students should submit a grammatically correct 100-plus word initial post and two response posts of at least 50 words apiece in order to receive full credit.

REMEMBER:

- Submit all assignments in a Word document.
- Always use APA formatting (including headings).
- Do not plagiarize. All assignments should be completed in your own words.
- Submit all assignments as attachments through the provided digital drop box. (Assignments submitted in text box will receive a 0.)
- Do not submit any written assignment in text-like format. Use standard forms of writing.
- It is a good idea to save all your assignments on a jump drive or the student R-drive.
- Assignments are “by week” on lesson plans but not on Blackboard. Use the left gray area to find what needs to be completed during a given week.
- Print syllabus and Lesson Plans.
- You are required to attend one of the two Proctored Events to be eligible to pass the course.

Online students are responsible for checking e-mails and Blackboard announcements daily.

DISCUSSION BOARDS

For DBs, students should submit a grammatically correct 100-word post plus two response posts of at least 50 words apiece in order to receive full credit.

ONLINE ATTENDANCE

It is the student's responsibility to be academically engaged each week doing course related activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an “F” (Failing 0-59) in a course.

Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Students will have at least one week to complete tests and assignments. All tests and assignments are due by midnight on the following Monday of each week. Exceptions to the due dates of assignments due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

STUDENTS WITH DISABILITIES

Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact the appropriate campus coordinator to request services.

Swainsboro Campus: [Helen Thomas hthomas@southeasterntech.edu](mailto:hthomas@southeasterntech.edu), 478-289-2274, Building 1, Room 1208

Vidalia Campus: [Helen Thomas hthomas@southeasterntech.edu](mailto:hthomas@southeasterntech.edu), 912-538-3126, Building A, Room 108

SPECIFIC ABSENCES

Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

PREGNANCY

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please advise me and make appropriate arrangements with the appropriate campus coordinator.

Swainsboro Campus: [Helen Thomas hthomas@southeasterntech.edu](mailto:hthomas@southeasterntech.edu), 478-289-2274, Building 1, Room 1208

Vidalia Campus: [Helen Thomas hthomas@southeasterntech.edu](mailto:hthomas@southeasterntech.edu). 912-538-3126, Building A, Room 108

It is strongly encouraged that requests for consideration be made **PRIOR** to delivery and early enough in the pregnancy to ensure that all the required documentation is secured before the absence occurs. Requests made after delivery **MAY NOT** be accommodated. The coordinator will contact your instructor to discuss accommodations when all required documentation has been received. The instructor will then discuss a plan with you to make up missed assignments.

WITHDRAWAL PROCEDURE

Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% point of the term in which student is enrolled (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" (Withdrawn) is assigned for the course(s) when the student completes the withdrawal form.

Important – Student-initiated withdrawals are not allowed after the 65% point. After the 65% point of the term in which student is enrolled, the student has earned the right to a letter grade and will receive a grade for the course. Please note: Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of "F" (Failing 0-59) being assigned.

Informing your instructor that you will not return to his/her course, does not satisfy the approved withdrawal procedure outlined above.

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. A grade of "W" will count in attempted hour calculations for the purpose of Financial Aid.

Online Proctored Event Withdrawals

Students who do not complete the proctored exam for an online class on the scheduled date and do not present a valid excuse within three business days of the scheduled event will be withdrawn from the course with a "WF" (Withdrawn Failing) and will be disabled in their online class. If the proctored event is scheduled during final exams, any student who misses the proctored exam will receive an "F" for the course.

PROCTORED EVENT REQUIREMENT

****Due to the uncertainties of COVID-19, this event will not be proctored for Summer Semester 202116. Students will complete the event but will not be required to come on campus to do it.**

In order to validate student identity for all online courses, students enrolled in online courses are **required** to complete one proctored event per online course. The proctored event will be administered on separate days—once on the Vidalia campus and once on the Swainsboro campus. Students must attend one of the proctored sessions as scheduled on the Lesson Plan/Course Calendar. Dual enrollment students enrolled in

online courses have the same options, but can also complete the event on the high school campus. The event will be monitored by the instructor, another College employee, or high school counselor. The proctored event may be a major exam, assignment, or presentation, etc. that will count a minimum of 20% of the course grade. Students must attend one of the scheduled proctored sessions and will need to make arrangements with work, childcare, etc. The specific dates of the proctored event are scheduled on the Lesson Plan/Calendar for the online course.

Students living farther than 75 miles from either campus who cannot come to Southeastern Tech for the event must secure an approved proctoring site. The site and the proctor must meet Southeastern Technical College's requirements (instructor will provide more information and necessary forms if this is the case). Note: Students taking proctored events off campus will utilize the Proctor Scheduling and Approval Form found in Blackboard within the Getting Started/Start Here and Proctoring Event area. The completed form should be submitted to the course instructor a minimum of two weeks prior to the proctored event. If approved, the instructor will notify the proctor.

Students arranging off-campus proctoring must take the event on one of the originally scheduled days. Students who do not complete the proctored event as scheduled must submit a valid documented excuse within three business days after the scheduled event. If the excuse is approved by the instructor of the course, students must make arrangements with the instructor to makeup/reschedule the missed event. The penalty and makeup instructions will be at the instructor's discretion. Proctored events will be given after the 65% point of the semester. **Students who do not complete the proctored exam for an online class on the scheduled date and do not present a valid excuse within three business days of the scheduled event will be withdrawn from the course with a "WF" (Withdrawn Failing) and will be disabled in their online class. If the proctored event is scheduled during final exams, any student who misses the proctored exam will receive an "F" for the course.**

PROCTORING FEES

****Due to the uncertainties of COVID-19, this event will not be proctored for Summer Semester 202116. Students will complete the event but will not be required to come on campus to do it.**

Students are not charged a proctoring fee when taking a proctored event at Southeastern Technical College or any other TCSG college. Students who choose to use an off-campus proctor may be assessed a proctoring fee by the proctoring site. In this instance, the student is responsible for payment.

The required proctored event for this class is scheduled on the following day and time: Tuesday, June 29; 9:00am-1:00pm. You must be online at this time.

MAKEUP GUIDELINES (TESTS, QUIZZES, HOMEWORK, PROJECTS, ETC...)

Assignments are due on Mondays by midnight of the following week. Assignments must be completed by the assigned dates or per the instructor. **Extra credit work to increase a grade will not be given.** If a student misses a test during a week, a grade of zero will be assigned. Only students with extenuating circumstances (who contact the instructor during the week of the test regarding their absence) will be allowed to take a makeup test, which will replace the zero. Extenuating circumstances are determined at the instructor's discretion. Unless otherwise scheduled with the instructor, it is expected that the test will be taken as soon as possible. Failure to follow this procedure will result in a grade of zero.

ACADEMIC DISHONESTY POLICY

The STC Academic Dishonesty Policy states All forms of academic dishonesty, including but not limited to

cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline. The policy can also be found in the STC Catalog and Student Handbook.

PROCEDURE FOR ACADEMIC MISCONDUCT

The procedure for dealing with academic misconduct and dishonesty is as follows:

1. First Offense

Student will be assigned a grade of "0" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

2. Second Offense

Student is given a grade of "WF" for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

3. Third Offense

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of third offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.

Academic dishonesty includes the following:

Collusion (obtaining help from someone else with your writing except during peer review) and **other forms of cheating**, such as cheating on tests or quizzes, will result in a zero on the assignment.

Plagiarism will result in a grade of "0" for the assignment—no exceptions. You've committed plagiarism if you've done one of the following in preparing an essay, report, or assignment:

- Used three or more consecutive words written by another person without putting quotes around the words
- Used several consecutive sentences written by another person, changing the words only slightly to keep it from being an exact quotation
- Created a "mosaic" of other people's words, sentences, and paragraphs from a variety of sources
- Used someone else's ideas without citing that person as the original thinker
- Turned in a paper written in part or in whole by someone else

Plagiarism is the most serious form of academic dishonesty and can result in expulsion from a college or university.
