3. The ability to read, analyze, and interpret information.

STUDENT REQUIREMENTS

Students are expected to complete all work included in the internship packet. This packet will be reviewed at the beginning of the semester. Students are responsible for policies and procedures included in the *STC Catalog*. A grade of C or better is required for this class. All work submitted must be a student's original work. **National Fingerprint-Based Criminal History Background Check:** All students enrolled in ECCE 2245 Internship must undergo a fingerprint-based criminal history background check through a local Cogent Systems site and receive a Satisfactory Determination Letter from the Georgia Department of Early Care and Learning before beginning their Practicum or Internship at child care facilities. **Students are required to provide a copy of the determination letter to their instructor before beginning the practicum or internship.** It is the responsibility of the student to pay the fingerprint-based criminal history background check fee. Students assigned to an internship or practicum at a site that is not required to be licensed by DECAL may not be subject to the fingerprinting requirement. These students, however, may be required to meet similar or other standards established by the local board of education. *Additional standards may be established by individual site operators which must be met before a placement at a particular site for internship or practicum is finalized. The final approval of a placement is contingent upon acceptance by the individual center/facility operator. All Early Childhood diploma and degree students are required to pass the Exit Interview and Portfolio portion of ECCE 2246 at the end of the semester. **Students must score 70% or better on the Exit Interview and Portfolio to successfully complete the course. Students scoring below 70 will be required to retake ECCE 2246.**

ATTENDANCE

Class attendance is a very important aspect of a student's success. Being absent from class prevents students from receiving the full benefit of a course and also interrupts the learning process. Southeastern Technical College considers both tardiness and leaving early as types of absenteeism. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is required for student success. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Instructors have the right to give unannounced quizzes/assignments. Students who miss an unannounced quiz or assignment will receive a grade of 0. Students who stop attending class, but do not formally withdraw, may receive a grade of F and face financial aid repercussions in upcoming semesters.

Instructors are responsible for determining whether missed work may be made up and the content and dates for makeup work is at the discretion of the instructor.

Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an F in a course..

SPECIAL NEEDS

Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact Helen Thomas, 912-538-3126, hthomas@southeasterntech.edu, to coordinate reasonable accommodations.

SPECIFIC ABSENCES

Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

PREGNANCY

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please advise me and make appropriate arrangements with Helen Thomas, 912-538-3126, hthomas@southeasterntech.edu.

WITHDRAWAL PROCEDURE

Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% portion of the semester (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" is assigned when the student completes the withdrawal form from the course.

Students who are dropped from courses due to attendance (see your course syllabus for attendance policy) after drop/add until the 65% point of the semester will receive a "W" for the course. Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of 'F' being assigned.

After the 65% portion of the semester, the student will receive a grade for the course. (Please note: A zero will be given for all missed assignments.)

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. All grades, including grades of 'W', will count in attempted hour calculations for the purpose of Financial Aid.

Remember - Informing your instructor that you will not return to his/her course does not satisfy the approved withdrawal procedure outlined above.

MAKEUP GUIDELINES (TESTS, QUIZZES, HOMEWORK, PROJECTS, ETC...)

Students will have at least one week to complete tests and assignments. All tests and assignments are due at midnight on Monday of each week. Assignments and test not received on the due date will be assigned a 0 until received. Ten points per week will be deduct points for work that is submitted late.
