

Paramedicine
EMSP 2340 – Therapeutic Modalities for Special Patient Populations
Hybrid Course Syllabus
Spring Semester 202212

COURSE INFORMATION

Credit Hours/Minutes: 4/3750

Campus/Class Location: Health Science Annex West - Room 111

Class Meets: **22% Hybrid / 78% Face-to-Face**: One to two days per week from 9:00-5:00pm

Course Reference Number (CRN): 20269

Preferred Method of Contact: The preferred method of contact for the instructor is by office phone. If there is no answer, please call the cell phone number provided below.

INSTRUCTOR CONTACT INFORMATION

Instructor Name: Jim Jones

Email Address: Jim Jones jjones@southeasterntech.edu

Campus/Office Location: Health Science Annex West Room 109, Vidalia

Office Hours: By appointment (Due to shift friendly schedule)

Phone: 912-538-3218 (office) 912-293-5161 (cell)

Fax Number: 912-538-3259

Tutoring Hours (if applicable): By Appointment

This course is taught in a hybrid format. Hybrid classes require students to complete a portion of the required contact hours traditionally by attending classes on campus while completing the remaining portion online at the student's convenience with respect to the instructor's requirements.

SOUTHEASTERN TECHNICAL COLLEGE (STC) CATALOG AND HANDBOOK

Students are responsible for all policies and procedures and all other information included in Southeastern Technical College's Catalog and Handbook (<http://www.southeasterntech.edu/student-affairs/catalog-handbook.php>).

REQUIRED TEXT

Paramedic Care: Principles & Practice, Introduction to Paramedicine, 4th Edition, by Bryan E. Bledsoe, Robert S. Porter, Richard A. Cherry, Publish Date: February 2, 2012 by Prentice Hall. ISBN-10: 0-13-211208-6.

REQUIRED SUPPLIES & SOFTWARE

Note: Although students can use their smart phones and tablets to access their online course(s), exams, discussions, assignments, and other graded activities should be performed on a personal computer. Neither Blackboard nor Georgia Virtual Technical Connection (GVTC) provide technical support for issues relating to the use of a smart phone or tablet so students are advised to not rely on these devices to take an online course.

Students should not share login credentials with others and should change passwords periodically to maintain security.

COURSE DESCRIPTION

This course will enable the student to integrate assessment findings with principles of pathophysiology and knowledge of psychosocial needs to formulate a field impression and implement a comprehensive treatment/disposition plan for various special patient populations. During this course, the student will also complete a nationally recognized pediatric course (i.e. EPC, PALS, PEPP, etc.).

MAJOR COURSE COMPETENCIES

1. Obstetrics
2. Gynecology
3. Neonatal Care
4. Pediatrics
5. Geriatrics
6. Patients with Special Challenges
7. Assessment of Special Patient Population

PREREQUISITE(S)

Program Admission

COURSE OUTLINE

OBSTETRICS

Order	Description	Learning Domain	Level of Learning
1	Integrate the anatomy and physiology of pregnancy, pathophysiology of complications of pregnancy, and assessment of the pregnant patient.	Cognitive	Synthesis
2	Integrate the psychosocial impact, presentations, prognosis, and management of the following: normal delivery; abnormal delivery (nuchal cord, prolapsed cord, and breech); spontaneous abortion/miscarriage; ectopic pregnancy; preeclampsia/eclampsia; antepartum hemorrhage; pregnancy induced hypertension; third trimester bleeding (including placenta previa and abruptio placenta); high risk pregnancy; complications of labor (including fetal distress, pre-term labor, premature rupture of membranes, and uterine rupture); complications of delivery; and post-partum complications.	Cognitive	Synthesis
3	Articulate the psychosocial impact, presentations, prognosis, and management of hyperemesis gravidarum and post-partum depression.	Cognitive	Application

Order	Description	Learning Domain	Level of Learning
4	Apply the knowledge of anatomy, physiology, epidemiology, pathophysiology, psychosocial impact, presentations, prognosis, and management to the assessment and management of patients experiencing an obstetric emergency.	Psychomotor	Mechanism
5	Appreciate the need to apply the knowledge of anatomy, physiology, epidemiology, pathophysiology, psychosocial impact, presentations, prognosis, and management to the assessment and management of patients experiencing an obstetric emergency.	Affective	Characterization
6	Respect the emotional needs of the obstetric patient.	Affective	Organization

GYNECOLOGY

Order	Description	Learning Domain	Level of Learning
1	Integrate the anatomy, physiology, epidemiology, pathophysiology, psychosocial impact, presentations, prognosis, and management of common or major gynecological diseases and/or emergencies for the following: vaginal bleeding and sexual assault.	Cognitive	Synthesis
2	Articulate the anatomy, physiology, epidemiology, pathophysiology, psychosocial impact, presentations, prognosis, and management of common or major gynecological diseases and/or emergencies for the following: gynecologic infections; pelvic inflammatory disease; ovarian cysts; dysfunctional uterine bleeding; and vaginal foreign body.	Cognitive	Application
3	Apply the knowledge of anatomy, physiology, epidemiology, pathophysiology, psychosocial impact, presentations, prognosis, and management to the assessment and management of patients with a gynecologic complaint.	Psychomotor	Mechanism
4	Promote the need for respecting the privacy of various gynecologic patients during assessment and treatment.	Affective	Characterization
5	Appreciate the need to apply the knowledge of anatomy, physiology, epidemiology, pathophysiology, psychosocial impact, presentations, prognosis, and management to the assessment and management of patients with a gynecologic complaint.	Affective	Characterization

NEONATAL CARE

Order	Description	Learning Domain	Level of Learning
1	Integrate the anatomy and physiology of neonatal circulation with assessment of the newborn.	Cognitive	Synthesis
2	Integrate the presentation and management of the newborn with the principles of neonatal resuscitation.	Cognitive	Synthesis

Order	Description	Learning Domain	Level of Learning
3	Apply the principles of neonatal resuscitation to the assessment and management of a newborn.	Psychomotor	Mechanism
4	Motivate other resuscitation team members to use appropriate neonatal resuscitation techniques.	Affective	Characterization

PEDIATRICS

Order	Description	Learning Domain	Level of Learning
1	Integrate age-related assessment findings, age-related anatomic and physiologic variations, age-related and developmental stage related assessment and treatment modifications of the following pediatric specific major or common diseases and/or emergencies: foreign body (upper and lower) airway obstruction; bacterial tracheitis; asthma; bronchiolitis [including Respiratory Syncytial Virus (RSV)]; pneumonia; croup; epiglottitis; respiratory distress/failure/arrest; shock; seizures; Sudden Infant Death Syndrome (SIDS); hyperglycemia; and hypoglycemia.	Cognitive	Synthesis
2	Articulate age-related assessment findings, age-related anatomic and physiologic variations, age-related and developmental stage related assessment and treatment modifications of the following pediatric specific major or common diseases and/or emergencies: pertussis; cystic fibrosis; bronchopulmonary dysplasia; congenital heart diseases; and hydrocephalus/ventricular shunts.	Cognitive	Application
3	Implement age-related and developmental stage related assessment and treatment modifications for various pediatric specific major or common diseases and/or emergencies.	Psychomotor	Mechanism
4	Promote the need for modification of general assessment and treatment modalities for various pediatric diseases and/or emergencies.	Affective	Characterization
5	Motivate other resuscitation team members to properly perform appropriate pediatric basic and advanced cardiac life support techniques consistent with the current American Heart Association guidelines for Emergency Cardiovascular Care.	Affective	Characterization

GERIATRICS

Order	Description	Learning Domain	Level of Learning
1	Integrate the normal and abnormal changes associated with aging, pharmacokinetic changes, psychosocial and economic aspects of aging, polypharmacy, and age-related assessment and treatment modifications for the following major or common geriatric diseases and/or emergencies: cardiovascular diseases; respiratory diseases; neurological	Cognitive	Synthesis

Order	Description	Learning Domain	Level of Learning
	diseases; endocrine diseases; Alzheimer's; dementia; and delirium (including acute confusional state).		
2	Articulate the normal and abnormal changes associated with aging, pharmacokinetic changes, psychosocial and economic aspects of aging, polypharmacy, and age-related assessment and treatment modifications for the following major or common geriatric diseases and/or emergencies: Herpes zoster and inflammatory arthritis.	Cognitive	Application
3	Implement age-related assessment and treatment modifications for older patients with various major or common geriatric diseases and/or emergencies.	Psychomotor	Mechanism
4	Promote the need for modification of general assessment and treatment modalities for various geriatric diseases and/or emergencies.	Affective	Characterization

PATIENTS WITH SPECIAL CHALLENGES

Order	Description	Learning Domain	Level of Learning
1	Appraise the healthcare implications of the following: abuse; neglect; poverty; bariatrics; technology dependent; hospice/terminally ill; and tracheostomy care/dysfunction.	Cognitive	Evaluation
2	Adapt the patient assessment and management of various patients with special needs to accommodate the healthcare implications of patients with special challenges.	Psychomotor	Origination
3	Appreciate the need to adapt the patient assessment and management of various patients with special needs to accommodate the healthcare implications of patients with special challenges.	Affective	Characterization
4	Promote appropriate sensitivity for patients with special needs.	Affective	Characterization

ASSESSMENTS OF SPECIAL PATIENT POPULATIONS

Order	Description	Learning Domain	Level of Learning
1	Integrate assessment findings with principles of pathophysiology and knowledge of psychosocial needs to formulate a field impression and implement a comprehensive treatment/disposition plan for patients with special needs.	Psychomotor	Complex Response
2	Promote respect for patients with special needs during the assessment and treatment of various complaints.	Affective	Characterization
3	Appreciate the critical nature of accurate field impressions during the assessment and management of special needs patients with various complaints.	Affective	Characterization
4	Establish certification in a nationally recognized pediatric course (i.e. EPC, PALS, PEPP, etc.). This pediatric course may be integrated throughout the various course competencies	Psychomotor	Guided Response

Order	Description	Learning Domain	Level of Learning
	of EMSP 2340.		

GENERAL EDUCATION CORE COMPETENCIES

STC has identified the following general education core competencies that graduates will attain:

1. The ability to utilize standard written English.
2. The ability to solve practical mathematical problems.
3. The ability to read, analyze, and interpret information.

STUDENT REQUIREMENTS (HYBRID)

Students are expected to complete all work shown on the attached assignment sheet. Students are also expected to complete all tests and comprehensive problems on the dates specified on the attached calendar. Students are responsible for policies and procedures included in the *STC Catalog and Handbook*.

Paramedicine program students must earn a minimum grade of C in this course and successfully complete the American Heart Association (AHA) PALS course to advance to EMSP 2330.

COVID-19 MASK REQUIREMENT

Masks or face coverings must be worn at all times while on the campus of Southeastern Technical College. This measure is being implemented to reduce COVID-19 related health risks for everyone engaged in the educational process. Masks or face coverings must be worn over the nose and mouth, in accordance with the Centers for Disease Control and Prevention (CDC). A student's refusal to wear a mask or face covering will be considered a classroom disruption and the student may be asked to leave campus and/or receive further discipline.

COVID-19 SIGNS AND SYMPTOMS

We encourage individuals to monitor for the signs and symptoms of COVID-19 prior to coming on campus.

If you have experienced the symptoms listed below or have a body temperature 100.4°F or higher, we encourage you to self-quarantine at home and contact a primary care physician's office, local urgent care facility, or health department for further direction. Please notify your instructor(s) by email and do not come on campus for any reason.

COVID-19 Key Symptoms
Fever or felt feverish
Cough: new or worsening, not attributed to another health condition
Shortness of breath, not attributed to another health condition
New loss of taste or smell
Chills; Repeated shaking with chills
Sore throat, not attributed to another health condition
Muscle pain, not attributed to another health condition or exercise
Headache, not attributed to another health condition
Diarrhea (unless due to known cause)
In the past 14 days, if you:
Have had close contact with or are caring for an individual diagnosed with COVID-19 at home (not in healthcare setting), please do not come on campus and contact your instructor (s).

COVID-19 SELF-REPORTING REQUIREMENT

Students, who test positive for COVID-19 or who have been exposed to a COVID-19 positive person, are required to self-report using the [COVID 19 Health Reporting Form](#). Report all positive cases of COVID-19 to your instructor and [Stephannie Waters](#), Exposure Control Coordinator, swaters@southeasterntech.edu, 912-538-3195.

HYBRID ATTENDANCE

Class attendance is a very important aspect of a student's success. Being absent from class prevents students from receiving the full benefit of a course and interrupts the learning process. Southeastern Technical College considers both tardiness and leaving early as types of absenteeism. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is required for student success. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Instructors have the right to give unannounced quizzes/assignments. Students who miss an unannounced quiz or assignment will receive a grade of 0. Students who stop attending class, but do not formally withdraw, may receive a grade of "F" (Failing 0-59) and face financial aid repercussions in upcoming semesters.

Instructors are responsible for determining whether missed work may be made up and the content and dates for makeup work is at the discretion of the instructor.

Attendance is counted from the first scheduled class meeting of each semester. To receive credit for a course a student must attend at least 90% of the scheduled instructional time. All work missed due to tardiness or absences must be made up at the convenience of the instructor. Any student attending less than the required scheduled instructional time (90%) may be dropped from the course as stated below in the Withdrawal Procedure.

Tardy means arriving after the scheduled time for instruction to begin. Early departure means leaving before the end of the scheduled time. Three (3) tardies or early departures equal one (1) absence for the course.

For this class, which meets for a total of 65 days during the semester, the maximum number of days a student may miss is 1 day during EMSP 2340.

Students, who are more than 15 minutes late on exam dates, will not be allowed to take the exam once the exam has started. These students must schedule a time to make up the exam or a zero will be given for the exam. This time will be other than normal class hours, must be prior to the next class, and will be at the instructor's convenience. If the student is less than 15 minutes late, and the exam has started, the student may begin the exam, but he/she must turn in their exam at the end of the allotted exam time, whether finished or not. Example: Exam begins at 9:05am -- 50 minutes are allotted for the exam -- ALL exams must be turned in by 9:55am.

Students must maintain a **70%** or higher average on Chapter exams to sit for the Final exam.

Students must also maintain an **70%** or higher average on all Pretest, Homework, and Post-test assignments in order to sit for the Final Exam.

STUDENTS WITH DISABILITIES

Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact the appropriate campus coordinator to request services.

Swainsboro Campus: [Macy Gay mgay@southeasterntech.edu](mailto:Macy_Gay_mgay@southeasterntech.edu), 478-289-2274, Building 1, Room 1210.

Vidalia Campus: [Helen Thomas hthomas@southeasterntech.edu](mailto:Helen_Thomas_hthomas@southeasterntech.edu), 912-538-3126, Building A, Room 165.

Specific Absences

Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

PREGNANCY

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please make arrangements the appropriate campus coordinator.

Swainsboro Campus: [Macy Gay mgay@southeasterntech.edu](mailto:MacyGay@southeasterntech.edu), 478-289-2274, Building 1, Room 1210.

Vidalia Campus: [Helen Thomas hthomas@southeasterntech.edu](mailto:HelenThomas@southeasterntech.edu), 912-538-3126, Building A, Room 165.

It is strongly encouraged that requests for consideration be made **PRIOR** to delivery and early enough in the pregnancy to ensure that all the required documentation is secured before the absence occurs. Requests made after delivery MAY NOT be accommodated. The coordinator will contact your instructor to discuss accommodations when all required documentation has been received. The instructor will then discuss a plan with you to make up missed assignments.

WITHDRAWAL PROCEDURE

Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% point of the term in which student is enrolled (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" (Withdrawn) is assigned for the course(s) when the student completes the withdrawal form.

Students who are dropped from courses due to attendance after drop/add until the 65% point of the semester will receive a "W" for the course.

Important – Student-initiated withdrawals are not allowed after the 65% point. Only instructors can drop students after the 65% point for violating the attendance procedure of the course. Students who are dropped from courses due to attendance after the 65% point will receive either a "WP" (Withdrawn Passing) or "WF" (Withdrawn Failing) for the semester.

Informing your instructor that you will not return to his/her course, does not satisfy the approved withdrawal procedure outlined above.

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. A grade of "W" will count in attempted hour calculations for the purpose of Financial Aid.

MAKEUP GUIDELINES (Tests, quizzes, homework, projects, etc...)

If a student misses a test, a grade of zero will be assigned. Only students with extenuating circumstances (who contact the instructor on or before the day of the test regarding their absence) will be allowed to take a makeup test, which will replace the zero. Extenuating circumstances are determined at the instructor's discretion. Unless otherwise scheduled with the instructor, it is expected that the test will be taken prior to the next class, and will be scheduled outside of regular class time. Failure to follow this procedure will result in a grade of zero.

Assignment due dates are listed on the attached lesson schedule and in MyBradyLab. Students are expected to have the assignment completed when it is due. It is within the instructor's discretion to accept or reject

late assignments. Any late assignments accepted will be subject to a ten point penalty each day the assignment is late. After three class meetings, no late assignments will be accepted; a zero will be recorded.

Unannounced quizzes are subject to be given on any day. A grade of zero will be assigned for any quizzes missed. There will be no makeup of quizzes.

Any zeros recorded will be included in the final score calculation.

Students must have a 70% or above average on all EMSP 2340 chapter exams to be eligible to sit for the EMSP 2340 final exam. Any student not having a 70% average or above will not be allowed to take the EMSP 2340 final exam and will not be allowed to advance to EMSP 2330.

ACADEMIC DISHONESTY POLICY

The Southeastern Technical College Academic Dishonesty Policy states that all forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline. The policy can also be found in the Southeastern Technical College Catalog and Handbook.

PROCEDURE FOR ACADEMIC MISCONDUCT

The procedure for dealing with academic misconduct and dishonesty is as follows:

1. First Offense

Student will be assigned a grade of "0" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

2. Second Offense

Student is given a grade of "WF" (Withdrawn Failing) for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

3. Third Offense

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of third offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.

Statement of Non-Discrimination

The Technical College System of Georgia (TCSG) and its constituent Technical Colleges do not discriminate on the basis of race, color, creed, national or ethnic origin, gender, religion, disability, age, political affiliation or belief, genetic information, disabled veteran, veteran of the Vietnam Era, spouse of military member, or citizenship status (except in those special circumstances permitted or mandated by law). This nondiscrimination policy encompasses the operation of all technical college-administered programs, federally financed programs, educational programs and activities involving admissions, scholarships and loans, student life, and athletics. It also applies to the recruitment and employment of personnel and contracting for goods and services.

All work and campus environments shall be free from unlawful forms of discrimination, harassment and retaliation as outlined under Title IX of the Educational Amendments of 1972, Title VI and Title VII of the Civil Rights Act of 1964, as amended, the Age Discrimination in Employment Act of 1967, as amended, Executive Order 11246, as amended, the Vietnam Era Veterans Readjustment Act of 1974, as amended, Section 504 of

the Rehabilitation Act of 1973, as amended, the Americans With Disabilities Act of 1990, as amended, the Equal Pay Act, Lilly Ledbetter Fair Pay Act of 2009, the Georgia Fair Employment Act of 1978, as amended, the Immigration Reform and Control Act of 1986, the Genetic Information Nondiscrimination Act of 2008, the Workforce Investment Act of 1998 and other related mandates under TCSG Policy, federal or state statutes.

The Technical College System and Technical Colleges shall promote the realization of equal opportunity through a positive continuing program of specific practices designed to ensure the full realization of equal opportunity.

The following individuals have been designated to handle inquiries regarding the nondiscrimination policies:

American With Disabilities Act (ADA)/Section 504 - Equity- Title IX (Students) – Office of Civil Rights (OCR) Compliance Officer	Title VI - Title IX (Employees) – Equal Employment Opportunity Commission (EEOC) Officer
Helen Thomas, Special Needs Specialist Vidalia Campus 3001 East 1 st Street, Vidalia Office 165 Phone: 912-538-3126 Email: Helen Thomas hthomas@southeasterntech.edu	Lanie Jonas, Director of Human Resources Vidalia Campus 3001 East 1 st Street, Vidalia Office 138B Phone: 912-538-3230 Email: Lanie Jonas ljonas@southeasterntech.edu

ACCESSIBILITY STATEMENT

Southeastern Technical College is committed to making course content accessible to individuals to comply with the requirements of Section 508 of the Rehabilitation Act of Americans with Disabilities Act (ADA). If you find a problem that prevents access, please contact the course instructor.

GRIEVANCE PROCEDURES

Grievance procedures can be found in the Catalog and Handbook located on Southeastern Technical College’s website.

ACCESS TO TECHNOLOGY

Students can now access Blackboard, Remote Lab Access, Student Email, Library Databases (Galileo), and BannerWeb via the mySTC portal or by clicking the Current Students link on the [Southeastern Technical College's Website \(www.southeasterntech.edu\)](http://www.southeasterntech.edu).

TECHNICAL COLLEGE SYSTEM OF GEORGIA (TCSG) GUARANTEE/WARRANTY STATEMENT

The Technical College System of Georgia guarantees employers that graduates of State Technical Colleges shall possess skills and knowledge as prescribed by State Curriculum Standards. Should any graduate employee within two years of graduation be deemed lacking in said skills, that student shall be retrained in any State Technical College at no charge for instructional costs to either the student or the employer.

GRADING POLICY

EMSP 2340 CRN# 20269

Fall Semester 2021 - Lesson Plan

Pre-course Assignment

Complete the following Essay Assignment: - Due August 18, 2021

Assume you are the parent of a 12 year old female. It is time for you to address the “facts of life” with your child. Construct an essay that reflects the conversation you would have with your daughter, explaining menstruation and the female reproductive organs. If medical terms are used, you must fully explain their meaning. The essay must contain a minimum of 400 words. The essay must be submitted as a word document in electronic format. Hand written essays will not be accepted.

Submit the assignment via e-mail no later than 9:00am, August 18, 2021.

NO HAND-WRITTEN ESSAYS WILL BE ACCEPTED.

Hybrid: READ CHAPTERS 1v5 & 2v5

Complete the Chapter 1v5 Gynecology and Chapter 2v5 Obstetrics Pretest, Homework, and Post Test prior to midnight on 8/17/2021

Date/Week	Chapter/Lesson	Content	Assignments & Tests Due Dates	Competency Area
Wednesday August 18, 2021 MIKE	Chapters 1v5 & 2v5	Gynecology In class - Chapter 1v5 will be discussed and assignments will be reviewed. Obstetrics In class - Chapter 2v5 will be discussed and assignments will be reviewed.	Chapter 1v5 & Chapter 2v5 EXAM will be administered next class. Hybrid: Read Chapter 3v5 and complete the Chapter 3v5 Neonatology Pretest, Homework, and Post Test prior to midnight on 8/23/2021	2 a,b,c
Tuesday August 24, 2021 MIKE	Chapter 3v5	In Class via MyBradyLab - Chapter 1v5 & Chapter 2v5 EXAM Neonatal Care In class - Chapter 3v5 will be discussed and assignments will be reviewed.	Chapter 3v5 EXAM will be administered next class. Hybrid: Read Chapter 4v5 and complete the Chapter 4v5 Pediatric Part 1 Homework prior to midnight on 8/29/2021	*1 **a,b,c

Obstetrics Essay Assignment: - Due August 30, 2021

Your 12 year old female child asks you “Where do babies come from?” Explain the process of coitus and fetal development. The essay must contain a minimum of 400 words. If medical terms are used, you must fully explain their meaning. The essay must be submitted as a word document in electronic format. Hand written essays will not be accepted.

Submit the assignment via e-mail no later than 9:00am August 30, 2021.

NO HAND-WRITTEN ESSAYS WILL BE ACCEPTED.

***COMPETENCY AREAS:**

1. Obstetrics
2. Gynecology
3. Neonatal Care
4. Pediatrics
5. Geriatrics
6. Patients with Special Challenges
7. Assessment of Special Patient Populations

****GENERAL CORE EDUCATIONAL COMPETENCIES**

- a) The ability to utilize standard written English.
- b) The ability to solve practical mathematical problems.
- c) The ability to read, analyze, and interpret information.
