

## PNSG 2010 COURSE SYLLABUS Fall Semester 2016

Semester: Fall 2016  
Course Title: Intro to Pharmacology and Calculations  
Course Number: PNSG 2010  
Credit Hours/ Minutes: 2/3000  
Class Location: Bldg 8 Room 8103  
Class Meets: Mon.-Thurs. from 2:00pm to 3:35pm  
CRN: 20314

Instructor: Shannon Veal RN, MSN  
Office Hours: Mon-Thurs 3:30-5:00  
Office Location: Bldg 8 # 8101  
Email Address: sveal@southeasterntech.edu  
Phone: 478-289-2333  
Fax Number: 478-289 2336  
Tutoring Hours: During office hours

### REQUIRED TEXT:

- (1). Pharmacology Clear & Simple, 2<sup>nd</sup> edition, F.A. Davis
- (2). Fundamental Nursing Skills and Concepts, Text 10<sup>th</sup> edition, Lippincott
- (3). Nursing 2017 Drug Handbook, Lippincott
- (4). Understanding Medical Surgical Nursing, 5<sup>th</sup> edition, FA Davis by Williams & Hopper
- (5.) Skills Forms /Clinical Forms packet (in our bookstore)
- (6). ATI testing web service

### OPTIONAL TEXT:

- (1). Study Guide for Timby's Fundamental Nursing Skills and Concepts, 10<sup>th</sup> edition, Lippincott
- (2). Comprehensive Review for the NCLEX-PN Examination, 6<sup>th</sup> edition, Saunders by Silverstri
- (3). Understanding Medical Surgical Nursing Student Workbook, 5<sup>th</sup> edition, FA Davis, by Williams & Hopper

**REQUIRED SUPPLIES & SOFTWARE:**

Ear phones (for ATI Skills Modules)  
Calculator  
Pencils with erasers

**COURSE DESCRIPTION:**

Applies fundamental mathematical concepts and includes basic drug administration. Emphasizes critical thinking skills. Topics include: systems of measurement, calculating drug problems, resource materials usage, fundamental pharmacology, administering medications in a simulated clinical environment, principles of IV therapy techniques, and client education.

**MAJOR COURSE COMPETENCIES:**

1. Systems of Measurement
2. Medication Calculations
3. Resource Materials Usage
4. Fundamental Pharmacology
5. Client Education
6. Medication Administration (Simulated Clinical Environment)

**PREREQUISITE(S):** Program Admission

<b>Order</b>	<b>Systems of Measurement</b>	<b>Learning Domain</b>	<b>Level of Learning</b>
1	Compare and Contrast methods of metric and household measurements.	Cognitive	Evaluation
2	Describe common units utilized in medications.	Cognitive	Comprehension
3	Differentiate the relationship between methods of measurement.	Cognitive	Analysis
<b>Order</b>	<b>Medication Calculations</b>	<b>Learning Domain</b>	<b>Level of Learning</b>
1	Perform computation of correct medication dosages.	Psychomotor	Guided Response
2	Perform calculations of I.V. fluid rate and intake.	Psychomotor	Guided Response
<b>Order</b>	<b>Resource Materials Usage</b>	<b>Learning Domain</b>	<b>Level of Learning</b>
1	Discuss reference sources for medications.	Cognitive	Comprehension
2	Research information on assigned medications.	Cognitive	Analysis
3	Identify the abbreviations associated with medication administration.	Cognitive	Knowledge
4	Interpret the information found in prescriptions and other medication labels.	Cognitive	Application
5	Interpret medication orders.	Cognitive	Application
<b>Order</b>	<b>Fundamental Pharmacology</b>	<b>Learning Domain</b>	<b>Level of Learning</b>
1	Explain medication origins and nomenclature.	Cognitive	Comprehension
2	Discuss commonly used over the counter pharmaceuticals including supplements.	Cognitive	Comprehension
3	Discuss actions, uses, contraindications, adverse reactions, dosages, routes, food and medication interactions, and implications for patient care of medications.	Cognitive	Comprehension
<b>Order</b>	<b>Client Education</b>	<b>Learning Domain</b>	<b>Level of Learning</b>
1	Integrate client education as it relates to various drug classifications and routes of medication administration.	Psychomotor	Complex Response
<b>Order</b>	<b>Medication Administration (Simulated Clinical Environment)</b>	<b>Learning Domain</b>	<b>Level of Learning</b>
1	Interpret the laws governing the use and misuse of medications.	Cognitive	Comprehension
2	Demonstrate correct administration of oral, parenteral and percutaneous medications.	Psychomotor	Guided Response
3	Recognize administration rights of patients.	Cognitive	Analysis
4	Consider administration rights of patients.	Affective	Valuing
5	Implement safety principles in medication administration.	Psychomotor	Mechanism
6	Integrate appropriate protocol for medication error reporting.	Cognitive	Synthesis
7	Demonstrate basic principles of intravenous therapy.	Psychomotor	Guided Response

**GENERAL EDUCATION CORE COMPETENCIES:** STC has identified the following general education core competencies that graduates will attain:

1. The ability to utilize standard written English.
2. The ability to solve practical mathematical problems.
3. The ability to read, analyze, and interpret information.

**STUDENT REQUIREMENTS:** Students are expected to complete all exams and daily assignments. **A unit exam average of 70% or above for the unit exams must be obtained in order to take the final exam.** A course grade of 70% must be obtained in order to advance into future nursing courses.

**No assignment opportunities will be given for extra credit. Any test grade will be entered as is to the nearest 10<sup>th</sup>. No scores will be rounded (up or down). This rule applies to every grade issued during this semester.**

It is highly recommended that students take full advantage of the all resources available to them; workbooks, end of chapter review questions, NCLEX-PN review questions, and internet sources but, will be **REQUIRED** to complete **all ATI assignments** that correspond with covered chapters. **Any ATI assignments; these must be completed with a passing score; print out report and turn in prior to test.**

**If these requirements are not met the student will not be allowed to take the exam. This will be counted as the 1 make-up exam unless the student has already missed a previous test and then it will be counted as a zero for the exam. The make-up exam is subject to a 10 point deduction if the student does not provide the instructor with an excused absence.**

\*\*\*Students are subject to pop quizzes

All students are responsible for bringing their skills check off notebook with them to the skills lab. Failure to have the check off notebook will result in a zero for the day and will be considered an absence.

### **Power Points**

Power points for each chapter are available on the student **M: drive**. This student drive can be accessed by going to the STC website and logging into Remote Lab Access.

### **Remediation Procedure:**

Failure to pass any regular examination with a minimum grade of 70 or above will result in mandatory remediation of the material covered in the exam. Remediation assignments are non-negotiable. The Student Remediation Conference Form will be completed, and the student must complete a remediation assignment. For the designated remediation assignment, the student will be given a written assignment based on the weak area(s) noted on the exam. All remediation assignments must be completed before the student will be allowed to take the final exam.

### **EXIT EXAM:**

Prior to graduation from the STC PN program, the student is required to pass the ATI PN Comprehensive Predictor Exit Exam with a minimum 90% predicted probability of passing NCLEX. This is a requirement for graduation and not an option. The student will have three chances to achieve this. If the student does not meet the required percentage on the first try, the student may retake the exam. On the second try, if the student does not achieve the required percentage then the student will remediate with an instructor in the deficient content areas prior to retaking the exam for the third try. The student will be required to pay for the exam if a third attempt is required. If on the third try the percentage is not achieved, the student must retake the nursing courses which include the deficient content material. The student will also receive a grade of "F" in PNSG 2415.

**ATTENDANCE GUIDELINES:** Class attendance is a very important aspect of a student's success. Being absent from class prevents students from receiving the full benefit of a course and also interrupts the learning process. Southeastern Technical College considers both tardiness and leaving early as

types of absenteeism. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is required for student success. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Instructors have the right to give unannounced quizzes/assignments. Students who miss an unannounced quiz or assignment will receive a grade of 0. Students who stop attending class, but do not formally withdraw, may receive a grade of F and face financial aid repercussions in upcoming semesters.

## **ADDITIONAL ATTENDANCE PROVISIONS**

### ***Health Sciences***

Requirements for instructional hours within Health Science and Cosmetology programs reflect the rules of respective licensure boards and/or accrediting agencies. Therefore, these programs have stringent attendance policies. Each program's attendance policy is published in the program's handbook and/or syllabus which specify the number of allowable absences. All provisions for required make-up work in the classroom or clinical experiences are at the discretion of the instructor.

Attendance is counted from the first scheduled class meeting of each semester. To receive credit for a course a student must attend at least 90% of the scheduled instructional time. Time and/or work missed due to tardiness or absences must be made up at the convenience of the instructor. Any student attending less than the required scheduled instructional time (90%) may be dropped from the course as stated below in the Withdrawal Procedure.

Tardy means arriving after the scheduled time for instruction to begin. Early departure means leaving before the end of the scheduled time. Three (3) tardies or early departures equal one (1) absence for the course. **A tardy will be issued if a student has missed less than 20% of instructional class time. An automatic absence will be issued if the student misses greater than 20% of instructional class time. This averages out to 10 minutes per hour. For example, in this class which meets from 2:00-3:35, a student will be counted tardy if he/she arrives between 2:01 and 2:19. After 2:19, the student will be counted absent. Early departures are calculated in the same manner.**

**For this class, which meets 4 days a week for 10 weeks, the maximum number of days a student may miss is 3 days during the semester.**

**SPECIAL NEEDS:** Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact Jan Brantley, Room 1208 Swainsboro Campus, 478-289-2274, or Helen Thomas, Room 108 Vidalia Campus, 912-538-3126, to coordinate reasonable accommodations.

**SPECIFIC ABSENCES:** Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

**PREGNANCY:** Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please advise me and make appropriate arrangements with the Special Needs Office. Swainsboro Campus: Jan Brantley, Room 1208, (478) 289-2274 -- Vidalia Campus: Helen Thomas, Room 108, (912) 538-3126.

**WITHDRAWAL PROCEDURE:** Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% portion of the semester (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" is assigned when the student completes the withdrawal form from the course.

Students who are dropped from courses due to attendance (see your course syllabus for attendance policy) after drop/add until the 65% point of the semester will receive a "W" for the course. Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of 'F' being assigned.

After the 65% portion of the semester, the student will receive a grade for the course. (Please note: A zero will be given for all missed assignments.)

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. All grades, including grades of 'W', will count in attempted hour calculations for the purpose of Financial Aid.

**Remember** - Informing your instructor that you will not return to his/her course does not satisfy the approved withdrawal procedure outlined above.

**MAKEUP GUIDELINES (Tests, quizzes, homework, projects, etc...):** In the event of an absence on an exam day, the instructor may require a physician's excuse before a student is allowed to take a make-up exam. A student will only be allowed to re-take one theory exam which will be given at the discretion of the instructor. A grade of "0" will be given to all subsequent exams missed. The make-up exam may or may not be the same as the original exam. It may also be a different test format. If a student misses the final exam and has already used their ONE time make-up, the student will NOT be allowed to make-up the final exam and be given a zero for the final exam.

**ACADEMIC DISHONESTY POLICY:** The STC Academic Dishonesty Policy states *All forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline.* The policy can also be found in the *STC Catalog and Student Handbook.*

#### **Procedure for Academic Misconduct**

The procedure for dealing with academic misconduct and dishonesty is as follows:

##### **--First Offense--**

Student will be assigned a grade of "0" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

##### **--Second Offense--**

Student is given a grade of "WF" for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

##### **--Third Offense--**

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.

**STATEMENT OF NON-DISCRIMINATION:** Southeastern Technical College does not discriminate on the basis of race, color, creed, national or ethnic origin, gender, religion, disability, age, disabled veteran, veteran of Vietnam Era or citizenship status, (except in those special circumstances permitted or mandated by law). This school is in compliance with Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color, or national origin; with the provisions of Title IX of the Educational Amendments of 1972, which prohibits discrimination on the basis of gender; with the

provisions of Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of handicap; and with the American with Disabilities Act (ADA).

**GRIEVANCE PROCEDURES:** Grievance procedures can be found in the Catalog and Handbook located on STC's website.

**ACCESS TO TECHNOLOGY:** Students can now access Blackboard, Remote Lab Access, Student Email, Library Databases (Galileo), and BannerWeb via the mySTC portal or by clicking the Current Students link on the STC website at [www.southeasterntech.edu](http://www.southeasterntech.edu).

**TCSG GUARANTEE/WARRANTY STATEMENT:** The Technical College System of Georgia guarantees employers that graduates of State Technical Colleges shall possess skills and knowledge as prescribed by State Curriculum Standards. Should any graduate employee within two years of graduation be deemed lacking in said skills, that student shall be retrained in any State Technical College at no charge for instructional costs to either the student or the employer.

**TCSG GUARANTEE/WARRANTY STATEMENT:**  
*The Technical College System of Georgia guarantees employers that graduates of State Technical Colleges shall possess skills and knowledge as prescribed by State Curriculum Standards. Should any graduate employee within two years of graduation be deemed lacking in said skills, that student shall be retrained in any State Technical College at no charge for instructional costs to either the student or the employer.*

**GRADING SCALE:**

- A: 90-100
- B: 80-89
- C: 70-79
- D: 60-69

Unit Exams	75%
Final Exam	25%
Lab skills	pass/fail

**Each student's final course grade will be determined as follows:**

- Unit exam grade x 0.75 = \_\_\_\_\_
- Final exam grade x 0.25 = + \_\_\_\_\_
- Numerical course grade = \_\_\_\_\_

**Course Number: PNSG 2010 INTRODUCTION TO PHARMACOLOGY AND CLINICAL CALCULATIONS**

**Fall SEMESTER 2016 Lesson Plan**

\*\*\*\* Schedule may change at instructors discretion

Date	Chapter	Content	Assignments/Tests	*Competency Area
<b>Week 1</b> Monday 8/15/16		<b>ATI Fee Due \$800.00 pay to Student Affairs</b> Introduction to class Workbook/CD ATI Pharmacology 3.0 Rounding Rules Conversion table 100 Drug problems from Med Surg Book	Read upcoming chapters and do end of chapter exercises. <b>ATI Pharmacology 3.0 : Introduction to Pharmacology Complete ALL modules under Intro to Pharmacology only not the systems.</b>	Course 1-6 Core a-c
Tuesday 8/16/16	CH 1	History of Pharmacology	Read upcoming chapters and do end of chapter exercises. Memorize rounding rules and conversion table <b>ATI Pharmacology 3.0 : Introduction to Pharmacology Complete ALL modules</b>	Course 1-6 Core a-c
Wednesday 8/17/16	Ch 2	Basics of Pharmacology	Read chapters and do end of chapter exercises. <b>ATI Pharmacology 3.0 : Introduction to Pharmacology Complete ALL modules</b>	Course 1-6 Core a-c
Thursday 8/18/16	Ch 3	Patient Safety in Medication Administration	Read chapters and do end of chapter exercises. Memorize seven rights of safe medication administration. <b>ATI Pharmacology 3.0 : Introduction to Pharmacology Complete ALL modules</b>	Course 1-6 Core a-c
<b>Week 2</b> Monday 8/22/16	Ch 4	Regulations	Read chapters and do end of chapter exercises. <b>ATI Pharmacology 3.0 : Introduction to Pharmacology Complete ALL modules</b>	Course 1-6 Core a-c
Tuesday 8/23/16	Ch 5	Prescriptions and Labels	Read chapters and do end of chapter exercises. <b>ATI Pharmacology 3.0 : Introduction to Pharmacology Complete ALL modules</b>	Course 1-6 Core a-c

		<b>ALL ATI Modules need to be complete and printed certificate turned in on test day or you will not be allowed to test!</b>	<b>Introduction to Pharmacology Complete ALL modules</b>	
Thursday 8/25/16		<b>Test 1 Chapters 1-5</b>	Read upcoming chapters and do end of chapter exercises. <b>Dosage and Calculation 2.0 choose one of the three : Ratio and Proportion, Desired Over Have, or Dimensional Analysis</b>	Course 1-6 Core a-c
<b>Week 3</b> Monday 8/29/16	Ch 7	Measurement Systems	Read chapters and do end of chapter exercises. <b>Dosage and Calculation 2.0 choose one of the three : Ratio and Proportion, Desired Over Have, or Dimensional Analysis</b>	Course 1-6 Core a-c
Tuesday 8/30/16	Ch 7	Measurement Systems	Read chapters and do end of chapter exercises. <b>Dosage and Calculation 2.0 choose one of the three : Ratio and Proportion, Desired Over Have, or Dimensional Analysis</b>	Course 1-6 Core a-c
Wednesday 8/31/16	Ch 8	<b>Dosage Calculations</b> 100 Drug problems from Med Surg Book	Read chapters and do end of chapter exercises. <b>Dosage and Calculation 2.0 choose one of the three : Ratio and Proportion, Desired Over Have, or Dimensional Analysis</b>	Course 1-6 Core a-c
Thursday 9/1/16	Ch 8	<b>Dosage Calculations</b> 100 Drug problems from Med Surg Book	Read chapters and do end of chapter exercises. <b>Dosage and Calculation 2.0 choose one of the three : Ratio and Proportion, Desired Over Have, or Dimensional Analysis</b>	Course 1-6 Core a-c
<b>Week 4</b> Monday 9/5/16		<b>Holiday</b>		Course 1-6 Core a-c
Tuesday 9/6/16	Ch 9	Enteral Medications and Administration	Read chapters and do end of chapter exercises. <b>ATI Skills Modules Medication Administration 1-4</b>	Course 1-6 Core a-c
Wednesday		<b>LAB</b>	Read chapters and do end of	Course 1-6

9/7/16		<b>Demonstrate</b> correct administration of oral, parental and percutaneous medications.	chapter exercises. <b>ATI Skills Modules Medication Administration 1-4</b>	Core a-c
Thursday 9/8/16	Ch 10	Parenteral Medications and Administration	Read chapters and do end of chapter exercises. <b>ATI Skills Modules Medication Administration 1-4</b>	Course 1-6 Core a-c
<b>Week 5</b> Monday 9/12/16	Ch 10	Parenteral Medications and Administration	Read chapters and do end of chapter exercises. <b>ATI Skills Modules Medication Administration 1-4</b>	Course 1-6 Core a-c
Tuesday 9/13/16	Ch 35	Intravenous Medications Fundamentals Text	Read chapters and do end of chapter exercises. <b>ATI Skills Modules Medication Administration 1-4</b> <b>ATI Skills Module Intravenous Therapy</b>	Course 1-6 Core a-c
Wednesday 9/14/16	Ch 35	Intravenous Medications Fundamentals Text	Read chapters and do end of chapter exercises. <b>ATI Skills Modules Medication Administration 1-4</b> <b>ATI Skills Module Intravenous Therapy</b>	Course 1-6 Core a-c
Thursday 9/15/16		<b>LAB</b> <b>Demonstrate</b> basic principles of intravenous therapy	Read chapters and do end of chapter exercises. <b>ATI Skills Modules Medication Administration 1-4</b> <b>ATI Skills Module Intravenous Therapy</b>	Course 1-6 Core a-c
<b>Week 6</b> Monday 9/19/16		<b>LAB</b> <b>Demonstrate</b> basic principles of intravenous therapy	Read chapters and do end of chapter exercises. <b>ATI Skills Modules Medication Administration 1-4</b> <b>ATI Skills Module Intravenous Therapy</b>	Course 1-6 Core a-c
Tuesday 9/20/16		Review 7-10, 35 <b>ALL ATI Modules need to be complete and printed certificate turned in on test day or you will not be allowed to test!</b>	Read chapters and do end of chapter exercises. Math Homework. <b>ATI Skills Modules Medication Administration 1-4</b> <b>ATI Skills Module Intravenous Therapy</b>	Course 1-6 Core a-c
Wednesday 9/21/16		<b>Test 2 Chapters 7-10, 35 ( Fund)</b>		Course 1-6 Core a-c

Thursday 9/22/16	Ch 11 Ch 12	Integumentary System Medications Musculoskeletal System Medications	Read chapters and do end of chapter exercises. <b>ATI Pharmacology 3.0: Pain and Inflammation</b> <b>ATI Pharmacology 3.0 : Musculoskeletal System</b>	Course 1-6 Core a-c
<b>Week 7</b> Monday 9/26/16	Ch 13	Nervous System Medications	Read chapters and do end of chapter exercises. <b>ATI Pharmacology 3.0 : Nervous System 1 and 2</b>	Course 1-6 Core a-c
Tuesday 9/27/16		<b>Review</b> <b>ALL ATI Modules need to be complete and printed certificate turned in on test day or you will not be allowed to test!</b>	Read chapters and do end of chapter exercises.	Course 1-6 Core a-c
Wednesday 9/28/16		<b>Test 3 Chapters 11-13</b>		Course 1-6 Core a-c
Thursday 9/29/16	Ch14	Eye and Ear Medications	Read chapters and do end of chapter exercises. <b>ATI Pharmacology 3.0 : Infection</b>	Course 1-6 Core a-c
<b>Week 8</b> Monday 10/3/16		<b>9 AM CPR/FIRST AID \$40</b> <b>FIT TEST \$20</b> <b>Economic Development Center</b> <b>Vidalia Ga.</b> <b>100 A Brinson Road</b> <b>Vidalia, Ga. 30474</b> <b>Tommy Jenkins</b> <b>912-538-3200</b> <b>Demonstrate</b> various techniques for control of bleeding. <b>Demonstrate</b> certification in basic life support for healthcare providers (including 2 person CPR) by a certified instructor from American Heart Association		Course 1-6 Core a-c
Tuesday 10/4/16	CH 15	Endocrine System Medications	Read chapters and do end of chapter exercises. <b>ATI Pharmacology 3.0 : Endocrine System</b>	Course 1-6 Core a-c
Wednesday 10/5/16	CH 16	Cardiovascular System Medications	Read chapters and do end of chapter exercises. <b>ATI Pharmacology 3.0 : Cardiovascular System</b>	Course 1-6 Core a-c
Thursday 10/6/16		Reviw <b>ALL ATI Modules need to be complete and printed certificate turned in on test day or you will not</b>	Read chapters and do end of chapter exercises.	Course 1-6 Core a-c

		<b>be allowed to test!</b>		
<b>Week 9</b> Monday 10/10/16	Ch 17	<b>Test 4 Chapters 14-16</b> Immunological System medications	Read chapters and do end of chapter exercises. <b>ATI Pharmacology 3.0 : Immune System and Hematologic System</b>	Course 1-6 Core a-c
Tuesday 10/11/16	Ch 18	<b>Drug Calculation Exam 1</b> Pulmonary System Medications	Read chapters and do end of chapter exercises. <b>ATI Pharmacology 3.0 : Respiratory System</b>	Course 1-6 Core a-c
Wednesday 10/12/16	CH 19 CH 20	<b>Drug Calculation Exam 2</b> Gastrointestinal System Medications Reproductive and Urinary Systems Medications	Read chapters and do end of chapter exercises. <b>ATI Pharmacology 3.0 : Gastrointestinal System and Reproductive and Genitourinary System</b>	Course 1-6 Core a-c
Thursday 10/13/16		Review <b>ALL ATI Modules need to be complete and printed certificate turned in on test day or you will not be allowed to test!</b>	Read chapters and do end of chapter exercises.	Course 1-6 Core a-c
<b>Week 10</b> Monday 10/17/16		<b>Test 5 Chapters 17-20</b>	Study for Final	Course 1-6 Core a-c
Tuesday 10/18/16		Review for Final <b>Drug Calculation Exam 3</b>	Study for Final	Course 1-6 Core a-c
Wednesday 10/19/16		<b>Final Exam</b>		Course 1-6 Core a-c

**\* COURSE COMPETENCIES:**

1. Systems of Measurement
2. Medication Calculations
3. Resource Materials Usage
4. Fundamental Pharmacology
5. Client Education
6. Medication Administration (Simulated Clinical Environment)

**\* General Core Competency Areas:**

- (a) The ability to utilize standard written English.
- (b) The ability to solve practical math problems.
- (c) The ability to read, analyze, and interpret information.
