3. The ability to read, analyze, and interpret information.

STUDENT REQUIREMENTS: Class attendance is a very important aspect of a student's success in this course. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is expected. Students are expected to complete all work required by the instructor. Unannounced quizzes/assignments may be given. Students that miss an unannounced quiz or assignment will receive a grade of 0.

- **Students are expected to come prepared for each class meeting, focused and ready to learn.** This means that it is necessary to read the chapters and work outside of class in order to succeed in this course. A detailed lesson schedule has been provided at the end of this syllabus.

- **Students MUST wear their STC id; one free lanyard is provided in the student affairs division. Students may NOT enter the classroom without their student id visible.**
- Students should complete all work shown on the attached tentative lesson schedule by the scheduled deadlines, unless otherwise notified of a change in deadline.
- Homework will be collected for a grade. **Homework assignments will not be graded after the due date resulting in a zero (0).**
- There may be graded in class activities planned in which you will not be able to participate if you are not prepared for that day's class.
- Unannounced quizzes or in-class assignments are subject to be given on any day. A grade of zero will be assigned for any quizzes or in class assignments missed. There will be no makeup of quizzes or in class assignments.
- Please make every effort to be in class every day.
- Students are also expected to complete all tests, practice sets, and other assignments on the dates specified on the attached lesson schedule.
- Students are expected to have assignments (homework, practice sets, etc.) completed at the beginning of class on the date that it is due.
- No late submissions will be accepted; a zero will be recorded.
- Instructor reserves the right to modify the tentative lesson schedule attached to this syllabus with notice.
- Students should subscribe to remind.com for reminders from the instructor via email or text. Instructions for subscribing are located in Blackboard, under Course Work.
- Students are responsible for policies and procedures included in the STC Catalog and must acknowledge this by signing the acknowledgement provided on the first day of class.

EXIT EXAM: All Accounting diploma and Accounting degree students are required to take the **Accounting Exit Exam** at the end of the semester the student is enrolled in ACCT 2000. The test will be administered by the Accounting Instructor and taken as a traditional timed exam. **Students must score 70% or better on this exam to successfully complete the course. Students scoring below 70 will be required to retake ACCT 2000.**

ATTENDANCE GUIDELINES: Class attendance is a very important aspect of a student's success. Being absent from class prevents students from receiving the full benefit of a course and also interrupts the learning process. Southeastern Technical College considers both tardiness and leaving early as types of absenteeism. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is required for student success. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Instructors have the right to give unannounced quizzes/assignments. Students who miss an unannounced quiz or assignment will receive a grade of 0. Students who stop attending class, but do not formally withdraw, may receive a grade of F and face financial aid repercussions in upcoming semesters.

Instructors are responsible for determining whether missed work may be made up and the content and dates for makeup work is at the discretion of the instructor.

Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an F in a course.

SPECIAL NEEDS: Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact Jan Brantley, Room 1208 Swainsboro Campus, 478-289-2274, or Helen Thomas, Room 108 Vidalia Campus, 912-538-3126, to coordinate reasonable accommodations.

SPECIFIC ABSENCES: Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

PREGNANCY: Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please advise me and make appropriate arrangements with the Special Needs Office. Swainsboro Campus: Jan Brantley, Room 1208, (478) 289-2274 -- Vidalia Campus: Helen Thomas, Room 108, (912) 538-3126.

WITHDRAWAL PROCEDURE: Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% portion of the semester (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" is assigned when the student completes the withdrawal form from the course.

Students who are dropped from courses due to attendance (see your course syllabus for attendance policy) after drop/add until the 65% point of the semester will receive a "W" for the course. Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of 'F' being assigned.

After the 65% portion of the semester, the student will receive a grade for the course. (Please note: A zero will be given for all missed assignments.) **The 65% point for spring semester is Monday, March 21.**

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be

accessed due to the withdrawal. All grades, including grades of 'W', will count in attempted hour calculations for the purpose of Financial Aid.

Remember - Informing your instructor that you will not return to his/her course does not satisfy the approved withdrawal procedure outlined above.

MAKEUP GUIDELINES: If a student misses a test, a grade of zero will be assigned. Only students with extenuating circumstances (who contact the instructor on the day of the test regarding their absence) will be allowed to take a makeup test, which will replace the zero.

Extenuating circumstances are determined at the instructor's discretion. If you send an email, please check for the instructor's response regarding if/when you will be able to make up the exam. Failure to check your email for the response will be no excuse for missing the makeup exam. Unless otherwise scheduled with the instructor, it is expected that the test will be taken the next day, scheduled outside of regular class time. Please keep in mind that your instructor has to ask another instructor to administer the makeup test on the next day. **If you do not contact instructor on the day of the missed exam, you will receive a zero on the test, and there will be no opportunity to make up the exam. Do not ask for an exception. STUDENTS WILL ONLY BE ALLOWED TO TAKE ONE MAKEUP TEST DURING THE SEMESTER.**

Unannounced quizzes or in-class assignments are subject to be given on any day. A grade of zero will be assigned for any quizzes or in class assignments missed. There will be no makeup of quizzes or in class assignments. Please make every effort to be in class every day.

Assignment due dates are listed on the attached lesson plan. Students are expected to have the assignment completed at the beginning of class on the date that it is due.

Any zeros recorded will be included in the final score calculation.

ACADEMIC DISHONESTY POLICY: The STC Academic Dishonesty Policy states *All forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline.* The policy can also be found in the *STC Catalog and Student Handbook.*

Procedure for Academic Misconduct

The procedure for dealing with academic misconduct and dishonesty is as follows:

--First Offense--

Student will be assigned a grade of "0" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

--Second Offense--

Student is given a grade of "WF" for the course in which offense occurs. The instructor will

notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

--Third Offense--

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.

Your instructor is more than willing to assist you with any help you might need; it merely requires you to make the extra effort to come by for help during your instructor's office hours. This is your responsibility. Accounting professionals deal with money; in-class behaviors give some insight into a student's professional ethics in the workplace, or lack thereof. Cheating is never an option; dishonesty cannot and will not be tolerated. If you are involved in an academic dishonesty incident, expect a private conference with your instructor and the Dean of Business Technologies and Human Services.

STATEMENT OF NON-DISCRIMINATION: Southeastern Technical College does not discriminate on the basis of race, color, creed, national or ethnic origin, gender, religion, disability, age, disabled veteran, veteran of Vietnam Era or citizenship status, (except in those special circumstances permitted or mandated by law). This school is in compliance with Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color, or national origin; with the provisions of Title IX of the Educational Amendments of 1972, which prohibits discrimination on the basis of gender; with the provisions of Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of handicap; and with the American with Disabilities Act (ADA).

GRIEVANCE PROCEDURES: Grievance procedures can be found in the Catalog and Handbook located on STC's website.

Syllabus Addendum-

Please note the following classroom courtesies, which are designed to maximize the classroom experience for you and your classmates.

- Class begins promptly at the start time shown on your schedule.
 - Please make arrangements to be here on time.
 - Attendance is taken daily at the beginning of class.
 - The classroom door is locked as a safety precaution; therefore arriving late will be disruptive and inconsiderate to your instructor and your fellow classmates. Expect to wait if you arrive late and a lecture is in progress.
 - Failure to be present and accounted for at the beginning of class may result in missing an unannounced quiz, for which there are **NO MAKEUPS**.
- In an attempt to simulate a work environment, please notify your instructor if you are absent by emailing or leaving a voice message. To avoid telephone tag, please do not leave a message your instructor to call you back. Leave a message with the information regarding your absence. You would call in to your workplace if you were going to be absent from your job; class is preparation for the workplace. See instructor contact information on the syllabus.
- **The classroom is a learning environment; enter the classroom quietly EVERY DAY. Conversations should take place in the student center or outside. You will be asked to leave if you disrupt the class; this includes sleeping.**
- Please do not turn on or use the computers while class is being conducted unless requested by your instructor.
- **EVERY DAY**--Please turn your cell phone on silent when in the classroom. In emergencies, please go outside the building to make or receive a call. If your phone interrupts class by ringing or vibrating, you will be asked to leave class.
- Also, no texting is allowed during class; you will be asked to leave class. Texting during an exam, in particular, may result in an academic dishonesty policy violation being noted in your records.
- You may not use your cell phone or the computer as a calculator during an exam. You will need to become familiar with the 10-key calculator provided in the classroom, or you may use your own calculator.
- **No food or drinks are allowed in the classroom.** Bottled drinks may be kept in your book bag or on the floor. They should never be open or consumed in the classroom. Do **not** bring an open can or cup into the classroom. If you have a medical condition that requires a snack or drink, you should see Jan Brantley, Room 1208 Swainsboro Campus, 478-289-2274, or Helen Thomas, Room 108 Vidalia Campus, 912-538-3126, to coordinate reasonable accommodations.
- Please dress appropriately for class. You may be asked to leave if dressed inappropriately, and you will be counted absent. **Regardless of current fashion trends or the time you awoke for class, no hats, caps, scarves, etc. covering the head are allowed in the classroom. This refers to both ladies and gentlemen.**

- If a student misses a test, a grade of zero will be assigned. Only students with extenuating circumstances (who contact the instructor on the day of the test regarding their absence) will be allowed to take a makeup test, which will replace the zero. Extenuating circumstances are determined at the instructor's discretion. If you send an email, please check for the instructor's response regarding if/when you will be able to make up the exam. Failure to check your email for the response will be no excuse for missing the makeup exam. Unless otherwise scheduled with the instructor, it is expected that the test will be taken the next day, scheduled outside of regular class time. Please keep in mind that your instructor has to ask another instructor to administer the makeup test on the next day. **If you do not contact instructor on the day of the missed exam, you will receive a zero on the test, and there will be no opportunity to make up the exam. Do not ask for an exception. STUDENTS WILL ONLY BE ALLOWED TO TAKE ONE MAKEUP TEST DURING THE SEMESTER.**
- On exam/test days, be considerate of others, and observe the following:
 - Enter the room quietly; your fellow classmates may be studying/preparing for the exam.
 - Students **will not** be allowed to enter the classroom late on test days unless advance notice has been given to the instructor regarding an extenuating circumstance. Otherwise, if you are tardy, expect to receive a zero for the test, as you will not be allowed to enter the room late to disturb your fellow classmates. Coming to class late is disrespectful to your instructor and to your fellow classmates on any day, but particularly on a test day. All students deserve a quiet environment in which to test.
 - Always use a pencil; **NEVER** use a pen. Sharpen pencils **BEFORE** the exam, **NOT** during the exam.
 - Use the restroom **BEFORE** the exam, **NOT** during unless there is an emergency. If you have a special need that will regularly require leaving the classroom during an exam, please see the Special Needs section of the syllabus and follow the protocol to receive accommodations.
 - Clear your desk of all books, working papers, notebooks, etc. **Working papers and scratch paper will be provided.** You only need a pencil, erasers, calculator, and a straight edge. Having any other materials on your desk will be considered an academic dishonesty violation.
 - It should be **silent** during testing; any communication between students will be considered an academic dishonesty violation.
 - Raise your hand or come quietly to the instructor if you have a question during an exam.
 - When you finish your exam, you should quietly turn it in, return to your seat and **begin reviewing the upcoming material.** This is not a time for sleeping or to have conversations with your classmates or to use the computer for other classwork. All students deserve a quiet environment in which to test.
