

**BIOL 2114 L : Anatomy & Physiology Lab II**  
**COURSE SYLLABUS**  
**Laboratory - Thursday**  
**Spring Semester 2016**

**Semester:** Spring 2016  
**Course Title:** Anatomy & Physiology II  
**Course Number:** BIOL 2114 L  
**Credit Hours/ Minutes:** 1 / 2250  
**Class Location:** RMTC 729  
**Class Meets:** 5:30-8:00 R  
**CRN:** 40066

**Instructor:** Erica M. Harrison  
**Office Hrs:** 7:30-9:30 MW, 7:30-10:30 TR  
**Office Location:** Room 901 HSA  
**Email Address:** [eharrison@southeasterntech.edu](mailto:eharrison@southeasterntech.edu)  
**Phone:** 912.538.3188  
**Fax Number:** 912.538.3156  
**Tutoring Hours:** By appointment.

---

**REQUIRED TEXTS:**

<sup>1</sup>Principles of Anatomy and Physiology, Tortora/Grabowski, 13<sup>th</sup> Edition, John Wiley & Sons, Inc.  
<sup>2</sup>Exercises for the Anatomy & Physiology Laboratory, Erin C. Amerman, 2<sup>nd</sup> Edition, Morton Publishing Inc.  
<sup>3</sup>A Photographic Atlas for the Anatomy and Physiology Laboratory, 7<sup>th</sup> Edition, Morton.

**REQUIRED SUPPLIES & SOFTWARE:**

3 hole binder, clear front report cover (make sure it is sturdy and can hold 100 pages or more), colored pencils, ink pens, highlighter, and any other supplies deemed necessary by instructor.

**COURSE DESCRIPTION:**

Selected laboratory exercises paralleling the topics in BIOL 2114. The laboratory exercises for this course include endocrine system, cardiovascular system, blood and lymphatic system, immune system, respiratory system, digestive system, urinary system, and reproductive system

---

**MAJOR COURSE COMPETENCIES:**

1. Laboratory Safety
2. Endocrine System
3. Cardiovascular System
4. Blood and Lymphatic System
5. Immune System
6. Respiratory System
7. Digestive System
8. Urinary System
9. Reproductive System

**GENERAL EDUCATION CORE COMPETENCIES:** STC has identified the following general education core competencies that graduates will attain:

- a) The ability to utilize standard written English.
- b) The ability to solve practical mathematical problems.
- c) The ability to read, analyze, and interpret information.

All students pursuing a degree, a diploma, or a Technical Certificate of Credit with a General Education component will be required to pass the General Education Competency Exams prior to graduation.

**Pre-requisite:** BIOL 2113 and 2113 L

**Co-requisites:** BIOL 2114, Anatomy and Physiology I

## **COURSE OUTLINE:**

1. **Laboratory Safety**
  - **Discuss and apply laboratory exercises encompassing the appropriate practice of laboratory precautions and laboratory safety.**
2. **Endocrine System**
  - **Perform and apply laboratory exercises encompassing the endocrine system.**
3. **Cardiovascular System**
  - **Perform and apply laboratory exercises encompassing the cardiovascular system.**
4. **Blood and Lymphatic System**
  - **Perform and apply laboratory exercises encompassing the blood and lymphatic system.**
5. **Immune System**
  - **Perform and apply laboratory exercises encompassing the immune system.**
6. **Respiratory System**
  - **Perform and apply laboratory exercises encompassing the respiratory system.**
7. **Digestive System**
  - **Perform and apply laboratory exercises encompassing the digestive system**
8. **Urinary System**
  - **Perform and apply laboratory exercises encompassing the urinary system.**
9. **Reproductive System**
  - **Perform and apply laboratory exercises encompassing the reproductive system.**

## **STUDENT RESPONSIBILITIES/REQUIREMENTS**

In order to be successful in this class, each student should study a minimum of 2 hours per day. Before arriving to class, the student should come to class prepared by reading the assigned chapters, learning the bold faced vocabulary terms for each assigned chapter, and answering the study questions for each chapter. Failure to comply with these suggestions will make it impossible to understand the lecture material and will result in unsuccessfulness in the course. This course contains a lot of information and you must keep up on a daily basis.

**Students are responsible for the policies and procedures in the STC E-Catalog. During an examination, students are required to place all textbooks and personal property on the floor or counter located in the back or to the side of the classroom. Students are to be seated with an empty seat between each student. No talking is allowed once the test begins. Students found with their cell phone or any other personal communication device during the test will be considered cheating and given a zero for the test. This also applies to students who have completed/submitted test to instructor and using cell phone in classroom while testing is still in progress or others are still testing.**

## **NO EATING/DRINKING IS ALLOWED IN LAB OR CLASSROOMS!!**

Students are expected to exhibit professional behavior at all times. Each student must show respect and concern for fellow students and for the course instructor. Insubordination will not be tolerated, and disciplinary measures will be enacted. No cell phones or pagers are allowed to be turned on in the classroom. Personal phone calls must be handled after class. Watches with alarms should not be programmed to sound during class.

**ATTENDANCE GUIDELINES:** Class attendance is a very important aspect of a student's success. Being absent from class prevents students from receiving the full benefit of a course and also interrupts the learning process. Southeastern Technical College considers both tardiness and leaving early as types of absenteeism. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is required for student success. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Instructors have the right to give unannounced quizzes/assignments. Students who miss an unannounced quiz or assignment will receive a grade of 0. Students who stop attending class, but do not formally withdraw, may receive a grade of F and face financial aid repercussions in upcoming semesters.

## **ADDITIONAL ATTENDANCE PROVISIONS**

### ***Health Sciences***

Requirements for instructional hours within Health Science and Cosmetology programs reflect the rules of respective licensure boards and/or accrediting agencies. Therefore, these programs have stringent attendance policies. Each program's attendance policy is published in the program's handbook and/or syllabus which specify the number of allowable absences. All provisions for required make-up work in the classroom or clinical experiences are at the discretion of the instructor.

Attendance is counted from the first scheduled class meeting of each semester. To receive credit for a course a student must attend at least 90% of the scheduled instructional time. Time and/or work missed due to tardiness or absences must be made up at the convenience of the instructor. Any student attending less than the required scheduled instructional time (90%) may be dropped from the course as stated below in the Withdrawal Procedure.

Tardy means arriving after the scheduled time for instruction to begin. Early departure means leaving before the end of the scheduled time. Three (3) tardies or early departures equal one (1) absence for the course.

**For this class, which meets 1 day a week for 16 weeks, the maximum number of days a student may miss is 2 days during the semester.**

**SPECIAL NEEDS:** Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact Jan Brantley, Room 1208 Swainsboro Campus, 478-289-2274, or Helen Thomas, Room 108 Vidalia Campus, 912-538-3126, to coordinate reasonable accommodations.

**SPECIFIC ABSENCES:** Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

**PREGNANCY:** Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please advise me and make appropriate arrangements with the Special Needs Office. Swainsboro Campus: Jan Brantley, Room 1208, (478) 289-2274 -- Vidalia Campus: Helen Thomas, Room 108, (912) 538-3126.

**WITHDRAWAL PROCEDURE:** Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% portion of the semester (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" is assigned when the student completes the withdrawal form from the course.

Students who are dropped from courses due to attendance (see your course syllabus for attendance policy) after drop/add until the 65% point of the semester will receive a "W" for the course. Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of 'F' being assigned.

After the 65% portion of the semester, the student will receive a grade for the course. (Please note: A zero will be given for all missed assignments.)

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. All grades, including grades of 'W', will count in attempted hour calculations for the purpose of Financial Aid.

**Remember** - Informing your instructor that you will not return to his/her course does not satisfy the approved withdrawal procedure outlined above.

**ACADEMIC DISHONESTY POLICY:** The STC Academic Dishonesty Policy states *All forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline.* The policy can also be found in the *STC Catalog and Student Handbook.*

### **Procedure for Academic Misconduct**

The procedure for dealing with academic misconduct and dishonesty is as follows:

#### **--First Offense--**

Student will be assigned a grade of "0" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

#### **--Second Offense--**

Student is given a grade of "WF" for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

#### **--Third Offense--**

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.

**STATEMENT OF NON-DISCRIMINATION:** Southeastern Technical College does not discriminate on the basis of race, color, creed, national or ethnic origin, gender, religion, disability, age, disabled veteran, veteran of Vietnam Era or citizenship status, (except in those special circumstances permitted or mandated by law). This school is in compliance with Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color, or national origin; with the provisions of Title IX of the Educational Amendments of 1972, which prohibits discrimination on the basis of gender; with the provisions of Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of handicap; and with the American with Disabilities Act (ADA).

**GRIEVANCE PROCEDURES:** Grievance procedures can be found in the Catalog and Handbook located on STC's website.

**ACCESS TO TECHNOLOGY:** Students can now access Angel, Blackboard, Remote Lab Access, Student Email, Library Databases (Galileo), and BannerWeb via the mySTC portal or by clicking the Current Students link on the STC website at [www.southeasterntech.edu](http://www.southeasterntech.edu).

**GRADING SCALE:**

Grading Scale:		
A	Excellent	100 - 90
B	Good	89 - 80
C	Satisfactory	79 - 70
D	Poor	69 - 60
F	Failing	59 - 0

**Each Students final grade for the course will be calculated in the following manner...**

(Lab Exam Avg.).....x 0.60 = + \_\_\_\_\_  
 (Lab Report) .....x 0.10 = + \_\_\_\_\_  
 (Final Exam Score).....x 0.30 = + \_\_\_\_\_

**Numerical Course Grade.....= \_\_\_\_\_**

**TCSG GUARANTEE/WARRANTY STATEMENT:**

The Technical College System of Georgia guarantees employer that graduates of State Technical Colleges shall possess skills and knowledge as prescribed by State Curriculum Standards. Should any graduate employee within two years of graduation be deemed lacking in said skills, that student shall be retrained in any State Technical College at no charge for instructional costs to either the student or the employer.

**GRADING COMPONENTS:**

Lab Exams	60%
Lab Report	10%
Comprehensive Final Exam	30%

**\*\*Disclaimer Statements\*\***

**\*\*\*\*Instructor reserves the right to change the syllabus and/or lesson plan as necessary.\*\*\*\***

**\*\*\*The official copy of the syllabus is located on the STC M Drive and will be discussed on the first day of class. The syllabus displayed in advance of the semester in any location other than the course you are enrolled in (folder on M Drive) is for planning purposes only.\*\*\***

GENERAL EDUCATION CORE COMPETENCIES (GC):

Southeastern Technical College has identified the following general education core competencies that graduates will attain:

- a) The ability to utilize standard written English.
- b) The ability to solve practical mathematical problems.
- c) The ability to read, analyze, and interpret information.
- d) The ability to effectively utilize basic computer skills.

COURSE COMPETENCY AREAS (CC):

1. Lab Safety
2. Endocrine System
3. Cardiovascular System
4. Blood and Lymphatic System
5. Immune System
6. Respiratory System
7. Digestive System
8. Urinary System
9. Reproductive System
