SOUTHEASTERN TECHNICAL COLLEGE'S (STC) CATALOG AND HANDBOOK

Students are responsible for all policies and procedures and all other information included in Southeastern Technical College's [Catalog and Handbook \(https://catalog.southeasterntech.edu/college-catalog/downloads/current.pdf\)](https://catalog.southeasterntech.edu/college-catalog/downloads/current.pdf).

REQUIRED TEXT

13th Edition Milady Standard Cosmetology Bundle; Includes: Hard Cover Textbook, Exam Review, Haircutting Simulation & MindTap; ISBN: 9781305942349 and Milady Online Licensing Prep; ISBN: 9781285769790.

REQUIRED SUPPLIES & SOFTWARE

Spring Semester Southeastern Tech Cosmetology kit, black uniform and black leather closed-toe shoes, Microsoft Office and Internet. Other items may be necessary.

Note: Although students can use their smartphones and tablets to access their online course(s), exams, discussions, assignments, and other graded activities should be performed on a personal computer. Neither Blackboard nor Georgia Virtual Technical College (GVTC) provides technical support for issues relating to the use of a smartphone or tablet so students are advised to not rely on these devices to take an online course.

Students should not share login credentials with others and should change passwords periodically to maintain security.

COURSE DESCRIPTION

Provides experience necessary for professional development and completion of requirements for state licensure. Emphasis will be placed on the display of professional conduct and positive attitudes. The appropriate number of applications for completion of state board service credit requirements for this course may be met in a laboratory setting.

MAJOR COURSE COMPETENCIES

Topics include texture services; haircolor and lightening; hair and scalp treatment; haircutting; styling; dispensary; reception; safety precautions/decontamination; Hazardous Duty Standards Act compliance; state licensure prep and hour completion.

GENERAL EDUCATION CORE COMPETENCIES

Southeastern Technical College (STC) has identified the following general education core competencies that graduates will attain:

1. The ability to utilize standard written English.
2. The ability to solve practical mathematical problems.
3. The ability to read, analyze, and interpret information.

STUDENT REQUIREMENTS

Students are expected to complete all performance exercises, exams, and assignments within the scheduled time. Students who miss an exam will be assigned a grade of zero. Students are responsible for policies and procedures included in the Southeastern Technical College (STC) Catalog and Handbook. At the end of the semester, students must have an AVERAGE of 70 or higher on the Theory exams, an AVERAGE of 70 or higher on the Performance exams, and an overall average of 70 or higher to take the final exams. If averages are below 70 for theory, performance, or overall, students will be unable to take final exams and a grade of D will be assigned for the course. No scores will be rounded (up or down). All final averages will be recorded as is (i.e. a 69.9 is a 69.9). Students are required to be on time for all Written and Performance Exams; late admittance will not be allowed under any circumstances.

Students must bring all required materials to class per assignments for the day and must be dressed in black uniform and black leather closed-toe shoes. When a student fails to bring required materials to class, **1st offense:** student will not be allowed to participate in the activity and will have to do another assignment as directed by the instructor. **2nd offense:** student will be assigned a zero for the activity. **3rd offense:** student will be dismissed, receive a tardy or absence as appropriate and receive a zero for the assignment. A student not wearing their student ID and/or required uniform will be dismissed from class, given a tardy or absence, until they return.

COVID-19 MASK REQUIREMENT

Regardless of vaccination status, students are highly encouraged to wear masks or face coverings while in a classroom or lab at Southeastern Technical College. Masking may be implemented in some program areas (i.e. Health Sciences and Cosmetology) where students, faculty, and clients are in close proximity and social distancing cannot be maintained. This measure is being implemented to reduce COVID-19 related health risks for everyone engaged in the educational process. Masks or face coverings must be worn over the nose and mouth, in accordance with the Centers for Disease Control and Prevention (CDC).

COVID-19 SIGNS AND SYMPTOMS

We encourage individuals to monitor for the signs and symptoms of COVID-19 prior to coming on campus.

If you have experienced the symptoms listed below or have a body temperature 100.4°F or higher, we encourage you to self-quarantine at home and contact a primary care physician's office, local urgent care facility, or health department for further direction. Please notify your instructor(s) by email and do not come on campus for any reason.

COVID-19 Key Symptoms
Fever or felt feverish
Chills
Shortness of breath or difficulty breathing (not attributed to any other health condition)
Cough: new or worsening, not attributed to another health condition
Fatigue
Muscle or body aches
Headache
New loss of taste or smell
Sore throat (not attributed to any other health condition)
Congestion or runny nose (not attributed to any other health condition)

COVID-19 Key Symptoms
Nausea or vomiting
Diarrhea
In the past 14 days, if you:
Have had close contact with or are caring for an individual diagnosed with COVID-19 at home (not in healthcare setting), please do not come on campus and contact your instructor (s).

COVID-19 SELF-REPORTING REQUIREMENT

Students, regardless of vaccination status, who test positive for COVID-19 or who have been exposed to a COVID-19 positive person, are required to self-report using <https://www.southeasterntech.edu/covid-19/>. Report all positive cases of COVID-19 to your instructor and [Stephannie Waters](mailto:swaters@southeasterntech.edu), Exposure Control Coordinator, swaters@southeasterntech.edu, 912-538-3195.

ADDITIONAL PROVISIONS

HEALTH SCIENCE AND COSMETOLOGY PROGRAMS

Requirements for instructional hours within Health Science and Cosmetology programs reflect the rules of respective licensure boards and/or accrediting agencies. Therefore, these programs have stringent attendance policies. Each program's attendance policy is published in the program's handbook and/or syllabus which specifies the number of allowable absences. All provisions for required make-up work in the classroom or clinical experiences are at the discretion of the instructor.

ATTENDANCE FOR COSMETOLOGY

Class attendance is a very important aspect of a student's success. Being absent from class prevents students from receiving the full benefit of a course and also interrupts the learning process. Southeastern Technical College considers both tardiness and leaving early as types of absenteeism. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is required for student success. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Instructors have the right to give unannounced quizzes/assignments. Students who miss an unannounced quiz or assignment will receive a grade of 0. Students who stop attending class, but do not formally withdraw, may receive a grade of F and face financial aid repercussions in upcoming semesters.

Instructors are responsible for determining whether missed work may be made up and the content and dates for makeup work is at the discretion of the instructor.

Attendance is counted from the first scheduled class meeting of each semester. To receive credit for a course a student must attend at least 90% of the scheduled instructional time. All work missed due to tardiness or absences must be made up at the convenience of the instructor. Any student attending less than the required scheduled instructional time (90%) may be dropped from the course as stated below in the Withdrawal Procedure.

Tardy means arriving after the scheduled time for instruction to begin. Early departure means leaving before the end of the scheduled time. Three (3) tardies or early departures equal one (1) absence for the course.

For this class, which meets 3 days a week for 15 weeks, the maximum number of days a student may miss is 5 days during the semester. All time missed must be made up beginning on the day after the last day of the semester and will need to be completed within four (4) consecutive school days. Failure to do so may result in a grade of "F". A student who has no attendance violations will be rewarded 5 points, to be added to their lowest exam grade. (excluding final exam)

STUDENTS WITH DISABILITIES

Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact the appropriate campus coordinator to request services.

Swainsboro Campus: [Emily Jarrell](mailto:emily.jarrell@southeasterntech.edu) emily.jarrell@southeasterntech.edu, 478-289-2259, Building 1, Room 1210.

Vidalia Campus: [Helen Thomas](mailto:helen.thomas@southeasterntech.edu) [hthomas@southeasterntech.edu](mailto:helen.thomas@southeasterntech.edu), 912-538-3126, Building A, Room 165

SPECIFIC ABSENCES

Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

PREGNANCY

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please make arrangements with the appropriate campus coordinator.

Swainsboro Campus: [Emily Jarrell](mailto:emily.jarrell@southeasterntech.edu) emily.jarrell@southeasterntech.edu, 478-289-2259, Building 1, Room 1210.

Vidalia Campus: [Helen Thomas](mailto:helen.thomas@southeasterntech.edu) [hthomas@southeasterntech.edu](mailto:helen.thomas@southeasterntech.edu), 912-538-3126, Building A, Room 165

It is strongly encouraged that requests for consideration be made **PRIOR** to delivery and early enough in the pregnancy to ensure that all the required documentation is secured before the absence occurs. Requests made after delivery **MAY NOT** be accommodated. The coordinator will contact your instructor to discuss accommodations when all required documentation has been received. The instructor will then discuss a plan with you to make up missed assignments.

WITHDRAWAL PROCEDURE

Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% point of the term in which student is enrolled (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" (Withdrawn) is assigned for the course(s) when the student completes the withdrawal form.

Students who are dropped from courses due to attendance after drop/add until the 65% point of the semester will receive a "W" for the course.

Important – Student-initiated withdrawals are not allowed after the 65% point. Only instructors can drop students after the 65% point for violating the attendance procedure of the course. Students who are dropped from courses due to attendance after the 65% point will receive either a "WP" (Withdrawn Passing) or "WF" (Withdrawn Failing) for the semester.

Informing your instructor that you will not return to his/her course, does not satisfy the approved withdrawal procedure outlined above.

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. A grade of 'W' will count in attempted hour calculations for the purpose of Financial Aid.

EXIT EXAM

All students are required to pass an exit exam, written and performance, at the end of their last semester before graduating from the cosmetology or hair design program. The exit exam is the Final Exam. Students are required to score a grade of 70 or higher on the written portion and the performance portion of the exit exam to graduate. Failure to do so will result in the student repeating the semester courses. Students are required to be on time for all Written and Performance Exams; late admittance will not be allowed under any circumstances.

MAKEUP GUIDELINES (EXAMS, QUIZZES, HOMEWORK, PROJECTS, ETC...)

When a student is absent for, tardy for, or misses an exam, a grade of zero is assigned until the makeup exam is taken. Make-up exams must be taken on the assigned makeup day at the discretion of the instructor. An 11-point penalty will be assessed for all make-up exams. Only one (1) make-up exam will be given per student.

Students are required to be on time for all Written and Performance Exams; late admittance will not be allowed under any circumstances. Make-up exams are not given for Mock State Board Exams, Mid-Term Exams, Semester Review Exams or Final Exams. No makeup exams are given for performance exams. Unannounced quizzes are subject to be given on any day. A grade of zero will be assigned for any missed assignments, performance labs or quizzes. Any zeroes recorded will be included in the final score calculation.

UNPLANNED INSTRUCTOR ABSENCES

Most instructor absences will be planned and students will be given assignments/instructions in advance. In the event of an unplanned instructor absence, students should remain in class unless otherwise instructed by another instructor, administrator or staff member. Students are expected to act responsibly during this time by working on assignments given in class.

CELL PHONE USAGE AND OTHER ELECTRONIC DEVICES: SCHOOL POLICY

The use of cell phones, smart watches, ear buds and/or electronic devices is not permitted in the classroom/lab facilities. The use of these devices during class or lab time will result in disciplinary action and could lead to dismissal. **Instructor Policy:** In cases of emergency, permission to put your phone on vibrate must be cleared with your instructor, but the phone should not be answered while inside the classroom. Therefore, it is best to put them away and out of sight. **When a student violates this policy, 10 points will be deducted from the most recent test score. On the 3rd offense, the student will be dismissed from class and receive an absence for the day.**

ACADEMIC DISHONESTY POLICY

The Southeastern Technical College Academic Dishonesty Policy states that all forms of academic dishonesty, including but not limited to cheating on exams, plagiarism, collusion, and falsification of information, will call for discipline. The policy can also be found in the Southeastern Technical College Catalog and Student Handbook.

PROCEDURE FOR ACADEMIC MISCONDUCT

The procedure for dealing with academic misconduct and dishonesty is as follows:

1. First Offense

The student will be assigned a grade of "0" for the exam or assignment. The instructor keeps a record in course/program files and notes as a first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

2. Second Offense

The student is given a grade of "WF" (Withdrawn Failing) for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of a second offense. The Registrar will input the incident into Banner for tracking purposes.

3. Third Offense

The student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of a third offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.

STATEMENT OF NON-DISCRIMINATION

As set forth in the student catalog, Southeastern Technical College does not discriminate on the basis of race, color, creed, national or ethnic origin, sex, religion, disability, age, political affiliation or belief, genetic information, veteran status, or citizenship status (except in those special circumstances permitted or mandated by law).

The following individuals have been designated to handle inquiries regarding the non-discrimination policies:
