- B. The ability to solve practical mathematical problems.
- C. The ability to read, analyze, and interpret information.

All students pursuing a degree, a diploma, or a Technical Certificate of Credit with a General Education component will be required to pass the General Education Competency Exams prior to graduation.

STUDENT REQUIREMENTS: Class attendance is a very important aspect of student success. Responsibility for class attendance rests solely with each student. Regular punctual attendance at the scheduled class time is expected. Unannounced quizzes or activities may be assigned. Students absent during an unannounced quiz or assignment may receive a grade of 0.

Students are expected to complete tests and assignments by the due dates listed in the lesson plan. A

ten point penalty may be assessed for each day an assignment is late. Assignments may not be accepted if turned in 5 days past the due date. Students are responsible for policies and procedures included in the *STC Catalog*.

Students should read each chapter in preparation for the exams. At the end of each chapter there is a list of "Keys Terms." Students will be given a vocabulary assignment each week over the key terms. The vocabulary will be graded Thursday of each week. Any student who does not complete the vocabulary by Wednesday of each week will receive a 0 on the assignment. No make-up assignments will be allowed. The chapters covered on each vocabulary/Chapter questions will be listed in the lesson plan. Each assignment will comprise of 20-25 vocabulary words. Students will be allowed the class period or should complete the assignment for homework

The instructor may assign additional assignments and assign the points for those assignments as deemed appropriate.

There will be 3 exams, 1 mid-term exam and a comprehensive exam given throughout the semester. There will be a lesson plan posted with the syllabus that details the chapters covered on each exam and the dates for the exam. It is the responsibility of the student to check the lesson plan and be prepared for the exam on the date specified. The exam will be given throughout a three (3) day period. Students will have 60 minutes to complete the exam. Once the student begins the exam, the student will be required to complete the exam before the student navigates away from the exam.

There will be a comprehensive exam for this course. The exam will be a 50 question (multiple choice/true false) exam covering all chapters that have been covered throughout the semester. The exam will be given on the dates listed on the lesson plan. The exam must be taken on the dates listed. There will be **NO** make-up comprehensive exam.

ATTENDANCE GUIDELINES: Class attendance is a very important aspect of a student's success. Being absent from class prevents students from receiving the full benefit of a course and also interrupts the learning process. Southeastern Technical College considers both tardiness and leaving early as types of absenteeism. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is required for student success. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Instructors have the right to give unannounced quizzes/assignments. Students who miss an unannounced quiz or assignment will receive a grade of 0. Students who stop attending class, but do not formally withdraw, may receive a grade of F and face financial aid repercussions in upcoming semesters.

Instructors are responsible for determining whether missed work may be made up and the content and dates for makeup work is at the discretion of the instructor.

Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an F in a course.

SPECIAL NEEDS: Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact Jan Brantley, Room 1208 Swainsboro Campus, 478-289-2274, or Helen Thomas, Room 108 Vidalia Campus, 912-538-3126, to coordinate reasonable accommodations.

PREGNANCY

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please advise me and make appropriate arrangements with the Special Needs Office. Swainsboro Campus: Jan Brantley,

Room 1208, (478) 289-2274 -- Vidalia Campus: Helen Thomas, Room 108, (912) 538-3126.

WITHDRAWAL PROCEDURE: Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% portion of the semester (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" is assigned when the student completes the withdrawal form from the course.

Students who are dropped from courses due to attendance (see your course syllabus for attendance policy) after drop/add until the 65% point of the semester will receive a "W" for the course. Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of 'F' being assigned.

After the 65% portion of the semester, the student will receive a grade for the course. (Please note: A zero will be given for all missed assignments.)

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. All grades, including grades of 'W', will count in attempted hour calculations for the purpose of Financial Aid.

Remember - Informing your instructor that you will not return to his/her course does not satisfy the approved withdrawal procedure outlined above.

MAKEUP GUIDELINES (Tests, quizzes, homework, projects, etc...): Make-up exams will only be given when the student provides a legitimate excuse for missing the exam on the scheduled date. If the student does not make contact by email or phone with the instructor within 2 days of the scheduled exam date, then a grade of 0 will be given for the exam. Also, students who do not take the exam on the scheduled date will not be awarded any bonus or extra credit points that may be given by the instructor on the exam. Makeup for unannounced quizzes or assignments are not allowed.

ACADEMIC DISHONESTY POLICY: The STC Academic Dishonesty Policy states All forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline. The policy can also be found in the STC Catalog and Student Handbook.
