GENERAL EDUCATION CORE COMPETENCIES

Southeastern Technical College has identified the following general education core competencies that graduates will attain:

1. The ability to utilize standard written English.
2. The ability to solve practical mathematical problems.
3. The ability to read, analyze, and interpret information.

STUDENT REQUIREMENTS (ONLINE)

Students are expected to complete all work required by the instructor and to attend the required proctored campus exam. Students will have at least one week to complete tests and assignments. All tests and assignments are due at midnight on Monday of each week. Assignments must be keyed in Microsoft Word, saved, uploaded, and attached for grading in Blackboard.

Students are expected to prove weekly academic engagement by meeting assignment deadlines each week and spending a minimum of 45 hours (3 hours per week x 15 weeks) during the semester doing the required homework, quizzes, and tests. Students are expected to communicate frequently through college email and discussion boards. College email is accessed at <https://portal.office.com>, under Quick links on our webpage, or in the menu of your Blackboard course.

Online courses require students to be academically engaged each week by undertaking course related assignments and activities. The completion date of each assignment or activity will be used to determine a student's last date of attendance in the event a student withdraws or receives a failing grade (F) in the course. A student's last day of attendance can have an adverse effect on a student's financial aid and/or academic progress.

Students are expected to complete all work required by the instructor and to attend the required proctored campus exam.

Students will have at least one week to complete tests and assignments. All tests and assignments are due at midnight each week on Monday.

Students are expected to complete test and assignments by the due dates listed in the lesson plan. **TURN IN ALL VOCABULARY AND CHAPTER QUESTIONS VIA BLACKBOARD/EMAIL INDICATING THE COURSE (1021) AND CHAPTER COMPLETED. PLEASE SEND ALL CHAPTER ASSIGNMENTS AS AN ATTACHMENT IN EMAIL OR DIRECTLY**

VIA BLACKBOARD WITH A COPY TO THE INSTRUCTOR'S STC EMAIL: nmartin@southeasterntech.edu A ten point penalty may be assessed for each day an assignment is late. Assignments may not be accepted if turned in 5 days past the due date. Students are responsible for policies and procedures included in the *STC Catalog*.

Be constructive in discussion these topics with your classmates.

Do not answer the discussion board questions with only a "yes or no" answer. Provide detail as to why you think "yes or no" or why you feel a particular way about the issue within the question. Discussion board posts that are not received within 3 days past the due date will receive a 0 on the assignment.

Discussion Board Rubric

Students who post their initial discussion board response to the discussion board topic and respond to at least one answer posted by their classmate will be given a 100 on the assignment if the post is turned in by the due date and free of grammatical and spelling errors. The student may receive a 10 point deduction for each day that the student's discussion post is turned in past the due date. The student will receive a one point deduction for each grammatical and spelling error in the student's discussion post. A 10 point deduction may be given to any student who only responds to their classmate with an answer of "yes/no" or "I agree/disagree."

Any student that does not respond to at least one answer posted by their classmates will not receive a grade above 70 on the discussion post. The grade of 70 will be the highest grade that the student will be able to receive on the discussion post if the post is turned in by the due date and free of grammatical errors and spelling errors. The student may receive a 10 point deduction for each day that the student's discussion post is turned in past the due date. Students who only post a yes or no answer to the discussion question will receive a 0 on the discussion question topic.

Discussion posts that are not received within 3 days of the due date may receive a 0 on the discussion topic.

Overview of Course Assessments

The instructor may assign additional assignments and assign the points for those assignments as deemed appropriate.

There will be 2 exams, a mid-term exam and a proctored final exam – for a total of four - given throughout the semester. There will be a lesson plan posted with the syllabus that details the chapters covered on each exam and the dates for the exam. It is the responsibility of the student to check the lesson plan and be prepared for the exam on the date specified. The exam will be given throughout the weekly period. Students will have 60 minutes to complete the exam. Once the student begins the exam, the student will be required to complete the exam before the student navigates away from the exam.

There will be a proctored final exam for this course. The exam will be a 50 question (multiple choice/true false) exam covering chapters that have been covered after midterm of the semester. The exam will be given on the dates listed on the lesson plan. The exam must be taken on the dates listed. There will be **NO** make-up final exam.

ONLINE ATTENDANCE

It is the student's responsibility to be academically engaged each week doing course related activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an "F" (Failing 0-59) in a course.

Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Students will have at least one week to complete tests and assignments. All tests and assignments are due at midnight on Monday of each week. Exceptions to the due dates of assignments due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

STUDENTS WITH DISABILITIES

Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact the appropriate campus coordinator to request services.

Swainsboro Campus: [Macy Gay, \(mgay@southeasterntech.edu\)](mailto:mgay@southeasterntech.edu), 478-289-2274, Building 1, Room 1210.

Vidalia Campus: [Helen Thomas, \(hthomas@southeasterntech.edu\)](mailto:hthomas@southeasterntech.edu), 912-538-3126, Building A, Room 165.

SPECIFIC ABSENCES

Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

PREGNANCY

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please make arrangements with the appropriate campus coordinator.

Swainsboro Campus: [Macy Gay, \(mgay@southeasterntech.edu\)](mailto:mgay@southeasterntech.edu), 478-289-2274, Building 1, Room 1210.

Vidalia Campus: [Helen Thomas, \(hthomas@southeasterntech.edu\)](mailto:hthomas@southeasterntech.edu), 912-538-3126, Building A, Room 165.

It is strongly encouraged that requests for consideration be made **PRIOR** to delivery and early enough in the pregnancy to ensure that all the required documentation is secured before the absence occurs. Requests made after delivery **MAY NOT** be accommodated. The coordinator will contact your instructor to discuss

accommodations when all required documentation has been received. The instructor will then discuss a plan with you to make up missed assignments.

WITHDRAWAL PROCEDURE

Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% point of the term in which student is enrolled (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of “W” (Withdrawn) is assigned for the course(s) when the student completes the withdrawal form.

Important – Student-initiated withdrawals are not allowed after the 65% point. After the 65% point of the term in which student is enrolled, the student has earned the right to a letter grade and will receive a grade for the course. Please note: Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of “F” (Failing 0-59) being assigned.

Informing your instructor that you will not return to his/her course, does not satisfy the approved withdrawal procedure outlined above.

There is no refund for partial reduction of hours. Withdrawals may affect students’ eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. A grade of “W” will count in attempted hour calculations for the purpose of Financial Aid.

Online Proctored Event Withdrawals

Students who do not complete the proctored exam for an online class on the scheduled date and do not present a valid excuse within three business days of the scheduled event will be withdrawn from the course with a “WF” (Withdrawn Failing) and will be disabled in their online class. If the proctored event is scheduled during final exams, any student who misses the proctored exam will receive an “F” for the course.

PROCTORED EVENT REQUIREMENT

In order to validate student identity for all online courses, students enrolled in online courses are **required** to complete one proctored event per online course. The proctored event will be administered on separate days—once on the Vidalia campus and once on the Swainsboro campus. Students must attend one of the proctored sessions as scheduled on the Lesson Plan/Course Calendar. The event will be monitored by the instructor or by an approved proctor. The proctored event may be a major exam, assignment, or presentation, etc. that will count a minimum of 20% of the course grade. Students must attend one of the scheduled proctored sessions and will need to make arrangements with work, childcare, etc. The specific dates of the proctored event are scheduled on the Lesson Plan/Calendar for the online course.

Students living farther than 75 miles from either campus who cannot come to Southeastern Tech for the event must secure an approved proctoring site. The site and the proctor must meet Southeastern Technical College's requirements (instructor will provide more information and necessary forms if this is the case).

Note: Students taking proctored events off campus will utilize the Proctor Scheduling and Approval Form found in Blackboard within the Getting Started/Start Here and Proctoring Event area. The completed form should be submitted to the course instructor a minimum of two weeks prior to the proctored event. If approved, the instructor will notify the proctor.

Students arranging off-campus proctoring must take the event on one of the-originally scheduled days. Students who do not complete the proctored event as scheduled must submit a valid documented excuse within three business days after the scheduled event. If the excuse is approved by the instructor of the course, students must make arrangements with the instructor to makeup/reschedule the missed event. The

penalty and makeup instructions will be at the instructor's discretion. Proctored events will be given after the 65% point of the semester. **Students who do not complete the proctored event on the scheduled date and do not present a valid documented excuse within three business days of the scheduled event will be withdrawn from the course with a "WF" (Withdrawn Failing). If the proctored event is scheduled during final exams, any student who misses the proctored event will be issued an "F" (Failing) for the course.**

PROCTORING FEES

Students are not charged a proctoring fee when taking a proctored event at Southeastern Technical College or any other TCSG college. Students who choose to use an off-campus proctor may be assessed a proctoring fee by the proctoring site. In this instance, the student is responsible for payment.

The required proctored event for this class is scheduled on the following dates and times: Vidalia Campus, Tuesday, April 28 between 1 and 3:30pm in Room 833 and Swainsboro Campus, Wednesday, April 29, between 1:00 and 3:30pm in Room 2159.

MAKEUP GUIDELINES (TESTS, QUIZZES, HOMEWORK, PROJECTS, ETC.)

Make-up exams will only be given when the student provides a legitimate excuse for missing the exam on the scheduled date. If the student does not make contact by email or phone with the instructor within 2 days of the scheduled exam date, then a grade of 0 will be given for the exam. Also, students who do not take the exam on the scheduled date will not be awarded any bonus or extra credit points that may be given by the instructor on the exam.

ACADEMIC DISHONESTY POLICY

The Southeastern Technical College Academic Dishonesty Policy states that all forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline. The policy can also be found in the Southeastern Technical College Catalog and Handbook.

The Registrar will input the incident into Banner for tracking purposes.

3. Third Offense

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of third offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time.
