## **MAJOR COURSE COMPETENCIES**

Topics include: writing analysis and practice, revision, and research.

## **PREREQUISITE(S)**

Appropriate degree-level writing (English) placement test score and appropriate degree-level reading placement test score.

## **COURSE OUTLINE**

1. Writing Analysis and Practice 2. Revision 3. Research

## **GENERAL EDUCATION CORE COMPETENCIES**

STC has identified the following general education core competencies that graduates will attain:

1. The ability to utilize standard written English.
2. The ability to solve practical mathematical problems.
3. The ability to read, analyze, and interpret information.

## **STUDENT REQUIREMENTS (HYBRID)**

Students are expected to complete all assignments by the due dates. Late assignments will NOT be accepted. No exceptions. Students are required to submit all assignments in American Psychological Association (APA) Style via the digital drop boxes for each assignment. Students are responsible for policies and procedures included in the STC Catalog and Handbook.

Students are responsible for checking e-mails and Blackboard announcements daily. Read instruction documents under Coursework tab in Blackboard if you have any further questions about course content, expectations, or due dates.

## **BASIC ERRORS**

Certain errors in writing are called basic or failing errors. A pattern of such errors must be eliminated from writing assignments. Errors include the following:

1. Lack of clarity at the sentence level
2. Subject-verb agreement errors
3. Comma splices and run-on or fused sentences
4. Sentence fragments
5. Incorrect verb forms
6. Spelling errors
7. Pronoun antecedent agreement

## **CELL PHONE POLICY**

Cell phones are not to be used while in class. When students enter the classroom, cell phones should be

placed on silent or vibrate. If cell phones become a problem, the instructor reserves the right to give a quiz to the entire class or give an individual quiz to the person not adhering to policy (upon the discretion of the instructor) each time a phone rings/vibrates or anytime a student is caught using a phone in class. Cell phone quizzes will be put into the grade book. During exams, if a student is caught with a phone or caught texting during a test, he or she will be given a zero.

### **HYBRID ATTENDANCE**

Class attendance is a very important aspect of a student's success. Being absent from class prevents students from receiving the full benefit of a course and interrupts the learning process. Southeastern Technical College considers both tardiness and leaving early as types of absenteeism. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is required for student success. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Instructors have the right to give unannounced quizzes/assignments. Students who miss an unannounced quiz or assignment will receive a grade of 0. Students who stop attending class, but do not formally withdraw, may receive a grade of "F" (Failing 0-59) and face financial aid repercussions in upcoming semesters.

Instructors are responsible for determining whether missed work may be made up and the content and dates for makeup work is at the discretion of the instructor.

Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an "F" in a course.

### **SPECIAL NEEDS**

Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact [Helen Thomas \(hthomas@southeasterntech.edu\)](mailto:hthomas@southeasterntech.edu), 912-538-3126, to coordinate reasonable accommodations.

### **SPECIFIC ABSENCES**

Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

### **PREGNANCY**

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please advise me and make appropriate arrangements with [Helen Thomas \(hthomas@southeasterntech.edu\)](mailto:hthomas@southeasterntech.edu), 912-538-3126.

### **WITHDRAWAL PROCEDURE**

Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% portion of the semester (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" (Withdrawn) is assigned when the student completes the withdrawal form from the course.

Students who are dropped from courses due to attendance (see your course syllabus for attendance policy) after drop/add until the 65% point of the semester will receive a "W" for the course. Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of "F" being assigned.

After the 65% portion of the semester, the student will receive a grade for the course. (Please note: A zero will be given for all missed assignments.)

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. All grades, including grades of "W", will count in attempted hour calculations for the purpose of Financial Aid.

**Remember** - Informing your instructor that you will not return to his/her course does not satisfy the approved withdrawal procedure outlined above.

### **MAKEUP GUIDELINES**

Tests and assignments must be completed on the assigned date in the course calendar or per the instructor. **Students can make up tests/quizzes within one week of missing the assignment.** If the student does not make up the test within the one week period, a zero will be given for the test grade without any other make-up opportunities. **There are no late submissions for writing assignments.** If you do not submit the assignment by the due date, a zero will be given. There is one day provided on the class calendar to make up one writing assignment of the student's choice. Students can make up this assignment if they missed the deadline, or they want to revise and improve the writing assignment for a better grade.

### **ACADEMIC DISHONESTY POLICY**

The Southeastern Technical College Academic Dishonesty Policy states that all forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline. The policy can also be found in the Southeastern Technical College Catalog and Handbook.

### **PROCEDURE FOR ACADEMIC MISCONDUCT**

The procedure for dealing with academic misconduct and dishonesty is as follows:

#### **1. First Offense**

Student will be assigned a grade of "0" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

#### **2. Second Offense**

Student is given a grade of "WF" (Withdrawn Failing) for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

#### **3. Third Offense**

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of third offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.
