See Technology Access sheet in Blackboard for instructions on logging in to Blackboard, BannerWeb, Student Email, etc.

**STUDENT REQUIREMENTS (ONLINE)**

Online students are responsible for checking e-mails and Blackboard announcements DAILY. It is my only means of communication with you. It only takes a few minutes. Please discipline yourself to check email and Blackboard announcements daily. You cannot succeed in an online class without checking emails and Blackboard announcements frequently.

See Technology Access sheet in Blackboard for instructions on logging in to Blackboard, BannerWeb, Student Email, etc.

**NO SHOW REQUIREMENTS**

In order to acknowledge attendance for the class the student **must** complete ALL of the following for this course within the first three days of class:

- Send your instructor an email from your STC account stating your intentions to take the course. I need to see that you know how to access your STC email. ALL email correspondence is sent to your STC email during the semester. Do not use your personal email account; always use your STC email. See the technology access link in Blackboard if you need help accessing your STC email.
- Complete the Pledge Acknowledgement Quiz in the "Getting Started" link.
- Complete the Student Introduction in the "Getting Started" link.

ACCT 1130 Online

- Subscribe to remind.com for text reminders from the instructor. See Blackboard for instructions to subscribe to remind.com.
- Take the syllabus quiz in Blackboard and score 100%.

### **NO HARM NO FOUL POLICY**

It is the student's responsibility to drop courses during the first three days by completing a withdrawal form with a Counselor in Student Affairs. If a student completes the above no-show requirements during the first three days, the student will be dropped with no penalty **only if they have completed the Withdrawal Form with Student Affairs by the close of business on the third business day of the semester. The student must formally withdraw from classes in order to receive the no harm-no foul benefit.**

### **DEADLINES**

Students are expected to complete all assignments (homework, tests, discussion boards, and other assignments) by the dates specified on the attached lesson plan. Early submissions are accepted. Chapter homework assignments should be completed in CengageNOW. Tests should be completed in Blackboard. I recommend printing the assignments from Cengage, working them on paper, and then keying your answers into Cengage. This way you can see HOW you got your answer. If you have a question, your instructor will need to see how you got your incorrect answer in order to provide assistance. Also, if you have technical difficulties while entering your answers, you will want to have something to go back to so that you can re-enter your answers. Homework assignments may not be submitted after the due date, resulting in a zero (0). Any zeroes recorded for missed assignments, discussion boards, and tests will be included in the final score calculation.

### **TESTS**

Tests are posted for a week in Blackboard; tests must be completed by the date specified on the lesson plan. There are no makeup tests, and students who miss a test are assigned a grade of zero. Please do not wait until the last minute to submit in case you have internet problems with your computer because there are no make-up tests, and there are no exceptions. If internet or browser failure occurs, contact the instructor immediately by email. A decision will be made at that time IF the test will be reset. Only one test per student will be reset per semester if the instructor is notified in time according to the instructions and if the request is granted. Check your email for instructor response to a request for a test reset. If you do not check your email for the instructor response and miss the deadline provided, you will receive a grade of zero.

### **DISCUSSION BOARDS**

Discussion boards simulate a traditional classroom discussion. Please participate. There are five discussion boards throughout the semester. They are located in Blackboard under the appropriate chapter folder; refer to your lesson plan for weeks requiring participation in a discussion board. Students should make a post by 11:55 pm on Wednesdays and reply to a post made by a classmate by 11:55 pm on Mondays. Students should put the number of the question they are answering in the subject line of their discussion board post. Students should post the answer to a question that has NOT already been answered by a classmate. Posts and replies should be thoughtful and thoroughly answer the question. See the discussion board rubric located at the end of this syllabus for grading details. Discussion boards must be completed by the date specified; assignments may be submitted early. Discussion boards will not be graded after the due date resulting in a zero (0).

## EMAIL COMMUNICATION

The preferred method of communication is email using your STC email. See instructor's email address on the first page of this syllabus. Please make sure that you always type your name and class in the subject line of every email you send me so I know which class you are emailing regarding. For example: **John Doe ACCT 1130**. College email is accessed at <https://portal.office.com>, under Quick links on our webpage, or in the menu of your Blackboard course.

## CHECKING GRADES

You should monitor your grades. Your course average will show on the home page report card of this course in Blackboard. A detailed grade book is available in the BLACKBOARD course on the main page by clicking the "Check My Grades." Individual grades for each test, homework assignment, comprehensive problem, quiz, and discussion board, as well as the overall course average using the weights described in the Grading Policy section of the syllabus should display in the grade book to help track course progress.

## OTHER STUDENT REQUIREMENT INFORMATION

Students are highly encouraged to use the student resources provided in CengageNow.

Students are expected to complete all work required by the instructor and to attend the required proctored campus exam. Students will have at least one week to complete tests and assignments. All tests and assignments are due at 11:55 pm on Monday of each week.

Students are expected to prove weekly academic engagement by meeting assignment deadlines each week and spending a minimum of 3000 during the semester doing the required homework, quizzes, and tests. Students are expected to communicate frequently through college email and discussion boards. College email is accessed at <https://portal.office.com>, under Quick links on our webpage, or in the menu of your Blackboard course.

## ONLINE ATTENDANCE

It is the student's responsibility to be academically engaged each week doing course related activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an "F" (Failing 0-59) in a course.

Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Students will have at least one week to complete tests and assignments. All tests and assignments are due at 11:55 pm on Monday of each week. Exceptions to the due dates of assignments due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

## STUDENTS WITH DISABILITIES

Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact the appropriate campus coordinator to request services.

**Swainsboro Campus:** [Macy Gay mgay@southeasterntech.edu](mailto:MacyGay@southeasterntech.edu), 478-289-2274, Building 1, Room 1210

**Vidalia Campus:** [Helen Thomas hthomas@southeasterntech.edu](mailto:HelenThomas@southeasterntech.edu), 912-538-3126, Building A, Room 165

## SPECIFIC ABSENCES

Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

## PREGNANCY

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please make arrangements with the appropriate campus coordinator.

**Swainsboro Campus:** Macy Gay [mgay@southeasterntech.edu](mailto:mgay@southeasterntech.edu), 478-289-2274, Building 1, Room 1210

**Vidalia Campus:** Helen Thomas [hthomas@southeasterntech.edu](mailto:hthomas@southeasterntech.edu), 912-538-3126, Building A, Room 165

It is strongly encouraged that requests for consideration be made **PRIOR** to delivery and early enough in the pregnancy to ensure that all the required documentation is secured before the absence occurs. Requests made after delivery **MAY NOT** be accommodated. The coordinator will contact your instructor to discuss accommodations when all required documentation has been received. The instructor will then discuss a plan with you to make up missed assignments.

## WITHDRAWAL PROCEDURE

Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% point of the term in which student is enrolled (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" is assigned for the course(s) when the student completes the withdrawal form.

Important – Student-initiated withdrawals are not allowed after the 65% point. After the 65% point of the term in which student is enrolled, the student has earned the right to a letter grade and will receive a grade for the course. Please note: Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of 'F' being assigned. **The 65% point for this semester is Thursday, March 12.**

Informing your instructor that you will not return to his/her course, does not satisfy the approved withdrawal procedure outlined above.

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. A grade of 'W' will count in attempted hour calculations for the purpose of Financial Aid.

## Online Proctored Event Withdrawals

Students who do not complete the proctored exam for an online class on the scheduled date and do not present a valid excuse within three business days of the scheduled event will be withdrawn from the course with a "WF" (Withdrawn Failing) and will be disabled in their online class. If the proctored event is scheduled during final exams, any student who misses the proctored exam will receive an "F" for the course.

## PROCTORED EVENT REQUIREMENT

In order to validate student identity for all online courses, students enrolled in online courses are **required** to

complete one proctored event per online course. The proctored event will be administered on separate days—once on the Vidalia campus and once on the Swainsboro campus. Students must attend one of the proctored sessions as scheduled on the Lesson Plan/Course Calendar. The event will be monitored by the instructor or by an approved proctor. The proctored event may be a major exam, assignment, or presentation, etc. that will count a minimum of 20% of the course grade. Students must attend one of the scheduled proctored sessions and will need to make arrangements with work, childcare, etc. The specific dates of the proctored event are scheduled on the Lesson Plan/Calendar for the online course.

Students living farther than 75 miles from either campus who cannot come to Southeastern Tech for the event must secure an approved proctoring site. The site and the proctor must meet Southeastern Technical College's requirements (instructor will provide more information and necessary forms if this is the case). Note: Students taking proctored events off campus will utilize the Proctor Scheduling and Approval Form found in Blackboard within the Getting Started/Start Here and Proctoring Event area. The completed form should be submitted to the course instructor a minimum of two weeks prior to the proctored event. If approved, the instructor will notify the proctor.

Students arranging off-campus proctoring must take the event on one of the originally scheduled days. Students who do not complete the proctored event as scheduled must submit a valid documented excuse within three business days after the scheduled event. If the excuse is approved by the instructor of the course, students must make arrangements with the instructor to makeup/reschedule the missed event. The penalty and makeup instructions will be at the instructor's discretion. Proctored events will be given after the 65% point of the semester. **Students who do not complete the proctored event on the scheduled date and do not present a valid documented excuse within three business days of the scheduled event will be withdrawn from the course with a "WF" (Withdrawn Failing). If the proctored event is scheduled during final exams, any student who misses the proctored event will be issued an "F" (Failing) for the course.**

### PROCTORING FEES

Students are not charged a proctoring fee when taking a proctored event at Southeastern Technical College or any other TCSG college. Students who choose to use an off-campus proctor may be assessed a proctoring fee by the proctoring site. In this instance, the student is responsible for payment.

**The required proctored event for this class is scheduled on the following dates and times:**

**Swainsboro Campus, Thursday, April 30 at 1 pm Room 2113**

**Vidalia Campus, Monday, May 4 at 1 pm in the Gillis Medical Building Room 839.**

**The required proctored event for this class will consist of an objective test on Chapters 1-6. The proctored exam is listed in the lesson plan under Finals.**

**Please send your instructor an email by noon Monday, April 27 to schedule which of these dates you will take your proctored exam.**

**The following items are required for the proctored exam:**

- 1. STC Student ID**
- 2. Pencil**
- 3. Calculator**

## **MAKEUP GUIDELINES (TESTS, QUIZZES, HOMEWORK, PROJECTS, ETC.)**

**ALL** assignments must be completed on the specified dates on the attached lesson plan. Ample time is given for completion of all assignments; therefore, **NO ASSIGNMENT WILL BE ACCEPTED LATE**. A grade of zero will be given for any missed assignment. Any zeros recorded will be included in the final score calculation. Refer to Student Requirements section of this syllabus for more details.

## **ACADEMIC DISHONESTY POLICY**

The Southeastern Technical College Academic Dishonesty Policy states that all forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline. The policy can also be found in the Southeastern Technical College Catalog and Student Handbook.

## **PROCEDURE FOR ACADEMIC MISCONDUCT**

The procedure for dealing with academic misconduct and dishonesty is as follows:

### **1. First Offense**

Student will be assigned a grade of "0" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

### **2. Second Offense**

Student is given a grade of "WF" (Withdrawn Failing) for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

### **3. Third Offense**

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of third offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.

**GRADING POLICY**

Assessment/Assignment	Percentage
Tests	40%
Proctored Exam	30%
Homework	15%
Continuing Payroll Project	10%
Discussion Board	5%

**GRADING SCALE**

Letter Grade	Range
A	90-100
B	80-89
C	70-79
D	60-69
F	0-59

**ADDITIONAL INFORMATION:**

A few bad grades are never a good reason to give-up. Giving up results in an F whereas trying usually results in an A, B, C, or D --- all of which are better than an F. Most students are able to turn things around after a few bad grades if they just try. Always take time to discuss things with your instructor. We must learn to overcome bad circumstances and not run away from them. It is usually easier to turn things around than you think.

How many hours per week should I expect this course to take me? Class Time/Contact Hours for this course are 3750 minutes or 62.5 hours for an entire semester. In a lecture class, this would be considered seat time. This is equivalent to 4.167 hours per week during a 15-week semester. In addition to class time, students can expect to spend 2 to 3 times the contact hours doing additional tasks such as homework, reading, and studying. Therefore, the course will take more than just 62.5 hours.

- 15 Week Semester: 4.167 contact hours per week X 2 = a minimum of 8.334 hours per week.

Are you feeling overwhelmed as you read all your course expectations for each class? That is a natural reaction at the beginning of the semester. Just listen to and communicate with your instructors and classmates. Take time to become organized in each class, and it will all come together soon. Your instructor wants you to be successful.

Your instructor is available for tutoring during the office hours listed shown on the first page of this syllabus. Please note the days and times the instructor is available on your campus. Call or email to make an appointment.
