

**ELCR-1005 Soldering Technology**  
**COURSE SYLLABUS**  
**ONLINE**  
**Spring Semester 2021 (202114)**

**COURSE INFORMATION**

Credit Hours/Minutes: 1 Hour/1500 Minutes

Campus/Class Location: Georgia Virtual Technical Connection (GVTC)/Blackboard

Class Meets: Via Internet for 15 weeks

Course Reference Number (CRN): 40140

**INSTRUCTOR CONTACT INFORMATION**

Instructor Name: William Greene

Office Location: Gillis Building, Room 822, Vidalia Campus

Office Hours: By Appointment Only

Email Address: [William Greene \(wgreene@southeasterntech.edu\)](mailto:wgreene@southeasterntech.edu)

Phone: (912) 538-3102

Fax Number: (912) 538-3106

Preferred Method of Contact: Email or Text to Instructor

**SOUTHEASTERN TECHNICAL COLLEGE'S (STC) CATALOG AND HANDBOOK**

Students are responsible for all policies and procedures and all other information included in Southeastern Technical College's [Catalog and Handbook \(https://catalog.southeasterntech.edu/college-catalog/downloads/current.pdf\)](https://catalog.southeasterntech.edu/college-catalog/downloads/current.pdf).

**REQUIRED TEXT, SUPPLIES AND SOFTWARE**

*No Text Required for this course*

*Soldering Kit*

*Please contact the STC Campus Shop  
(912) 538-3129*

Note: Although students can use their smart phones and tablets to access their online course(s), exams, discussions, assignments, and other graded activities should be performed on a personal computer. Neither Blackboard nor Georgia Virtual Technical Connection (GVTC) provide technical support for issues relating to the use of a smart phone or tablet so students are advised to not rely on these devices to take an online course.

**Students should not share login credentials with others and should change passwords periodically to maintain security.**

## **COURSE DESCRIPTION**

Develops the ability to solder and desolder connectors, components, and printed circuit boards using industry standards. Topics include: safety practices, soldering, desoldering, anti-static grounding, and surface mount techniques.

## **MAJOR COURSE COMPETENCIES / COURSE OUTLINE**

1. Safety Practices
2. Soldering
3. Desoldering
4. Anti-Static Grounding
5. Surface Mount Techniques

## **PREREQUISITE(S)**

Provisional Admission

## **GENERAL EDUCATION CORE COMPETENCIES**

Southeastern Technical College has identified the following general education core competencies that graduates will attain:

1. The ability to utilize standard written English.
2. The ability to solve practical mathematical problems.
3. The ability to read, analyze, and interpret information.

## **STUDENT REQUIREMENTS (ONLINE)**

Students are expected to complete all tests and comprehensive projects by the due dates listed in the Lesson Plan. A ten point penalty will be assessed for each day a test or comprehensive project is late. Tests are made available for several days; therefore, there are no makeup tests. Students who miss a test will be assigned a grade of zero. All online students must pledge that they have read and understand the STC Online Orientation within the first five days of class. Online students are responsible for checking e-mails and Blackboard announcements DAILY.

Students are expected to prove weekly academic engagement by meeting assignment deadlines each week and spending a minimum of 30 hours during the semester doing the required reading, soldering projects, and tests. Students are expected to communicate frequently through college email and discussion boards. College email is accessed at <https://portal.office.com>, under Quick links on our webpage, or in the menu of our Blackboard course.

## **COVID-19 MASK REQUIREMENT**

Masks or face coverings must be worn at all times while on the campus of Southeastern Technical College. This measure is being implemented to reduce COVID-19 related health risks for everyone engaged in the educational process. Masks or face coverings must be worn over the nose and mouth, in accordance with the Centers for Disease Control and Prevention (CDC). A student's refusal to wear a mask or face covering will be considered a classroom disruption and the student may be asked to leave campus and/or receive further discipline.

## **COVID-19 SIGNS AND SYMPTOMS**

We encourage individuals to monitor for the signs and symptoms of COVID-19 prior to coming on campus.

If you have experienced the symptoms listed below or have a body temperature 100.4°F or higher, we encourage you to self-quarantine at home and contact a primary care physician's office, local urgent care facility, or health department for further direction. Please notify your instructor(s) by email and do not come on campus for any reason.

<b>COVID-19 Key Symptoms</b>
Fever or felt feverish
Cough: new or worsening, not attributed to another health condition
Shortness of breath, not attributed to another health condition
New loss of taste or smell
Chills; Repeated shaking with chills
Sore throat, not attributed to another health condition
Muscle pain, not attributed to another health condition or exercise
Headache, not attributed to another health condition
Diarrhea (unless due to known cause)
<b>In the past 14 days, if you:</b>
Have had close contact with or are caring for an individual diagnosed with COVID-19 at home (not in healthcare setting), please do not come on campus and contact your instructor (s).

### **COVID-19 SELF-REPORTING REQUIREMENT**

Students, who test positive for COVID-19 or who have been exposed to a COVID-19 positive person, are required to self-report using the [COVID 19 Health Reporting Form https://bit.ly/2Xq4g0f](https://bit.ly/2Xq4g0f). Report all positive cases of COVID-19 to your instructor and [Stephannie Waters](mailto:swaters@southeasterntech.edu), Exposure Control Coordinator, [swaters@southeasterntech.edu](mailto:swaters@southeasterntech.edu), 912-538-3195.

### **ONLINE ATTENDANCE**

It is the student's responsibility to be academically engaged each week doing course related activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an "F" (Failing 0-59) in a course.

Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. Students will be expected to complete all work required by the instructor as described in the individual course syllabus and lesson plan.

Students will have at least one week to complete tests and assignments. All tests and assignments are due by the date listed in the lesson plan. Exceptions to the due dates of assignments due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

### **STUDENTS WITH DISABILITIES**

Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact the appropriate campus coordinator to request services.

**Swainsboro Campus:** [Macy Gay mgay@southeasterntech.edu](mailto:mgay@southeasterntech.edu), 478-289-2274, Building 1, Room 1210

**Vidalia Campus:** [Helen Thomas hthomas@southeasterntech.edu](mailto:hthomas@southeasterntech.edu), 912-538-3126, Building A, Room 165

### **SPECIFIC ABSENCES**

Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

### **PREGNANCY**

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete

the course. If you think you will need accommodations due to pregnancy, please make arrangements with the appropriate campus coordinator.

**Swainsboro Campus:** [Macy Gay mgay@southeasterntech.edu](mailto:MacyGay@southeasterntech.edu), 478-289-2274, Building 1, Room 1210

**Vidalia Campus:** [Helen Thomas hthomas@southeasterntech.edu](mailto:HelenThomas@southeasterntech.edu), 912-538-3126, Building A, Room 165

It is strongly encouraged that requests for consideration be made **PRIOR** to delivery and early enough in the pregnancy to ensure that all the required documentation is secured before the absence occurs. Requests made after delivery **MAY NOT** be accommodated. The coordinator will contact your instructor to discuss accommodations when all required documentation has been received. The instructor will then discuss a plan with you to make up missed assignments.

### **WITHDRAWAL PROCEDURE**

Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% point of the term in which student is enrolled (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of “W” (Withdrawn) is assigned for the course(s) when the student completes the withdrawal form.

Important – Student-initiated withdrawals are not allowed after the 65% point. After the 65% point of the term in which student is enrolled, the student has earned the right to a letter grade and will receive a grade for the course. Please note: Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of “F” (Failing 0-59) being assigned.

Informing your instructor that you will not return to his/her course, does not satisfy the approved withdrawal procedure outlined above.

There is no refund for partial reduction of hours. Withdrawals may affect students’ eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. A grade of “W” will count in attempted hour calculations for the purpose of Financial Aid.

### **ONLINE PROCTORED EVENT WITHDRAWALS**

Students who do not complete the proctored exam for an online class on the scheduled date and do not present a valid excuse within three business days of the scheduled event will be withdrawn from the course with a “WF” (Withdrawn Failing) and will be disabled in their online class. If the proctored event is scheduled during final exams, any student who misses the proctored exam will receive an “F” for the course.

### **PROCTORED EVENT REQUIREMENT**

In order to validate student identity for all online courses, students enrolled in online courses are **required** to complete one proctored event per online course. The proctored event will be administered on separate days—once on the Vidalia campus and once on the Swainsboro campus. Students must attend one of the proctored sessions as scheduled on the Lesson Plan/Course Calendar. The event will be monitored by the instructor or by an approved proctor. The proctored event may be a major exam, assignment, or presentation, etc. that will count a minimum of 20% of the course grade. Students must attend one of the scheduled proctored sessions and will need to make arrangements with work, childcare, etc. The specific dates of the proctored event are scheduled on the Lesson Plan/Calendar for the online course.

Students living farther than 75 miles from either campus who cannot come to Southeastern Tech for the

event must secure an approved proctoring site. The site and the proctor must meet Southeastern Technical College's requirements (instructor will provide more information and necessary forms if this is the case). Note: Students taking proctored events off campus will utilize the Proctor Scheduling and Approval Form found in Blackboard within the Getting Started/Start Here and Proctoring Event area. The completed form should be submitted to the course instructor a minimum of two weeks prior to the proctored event. If approved, the instructor will notify the proctor.

Students arranging off-campus proctoring must take the event on one of the-originally scheduled days. Students who do not complete the proctored event as scheduled must submit a valid documented excuse within three business days after the scheduled event. If the excuse is approved by the instructor of the course, students must make arrangements with the instructor to makeup/reschedule the missed event. The penalty and makeup instructions will be at the instructor's discretion. Proctored events will be given after the 65% point of the semester. **Students who do not complete the proctored event on the scheduled date and do not present a valid documented excuse within three business days of the scheduled event will be withdrawn from the course with a "WF" (Withdrawn Failing). If the proctored event is scheduled during final exams, any student who misses the proctored event will be issued an "F" (Failing) for the course.**

### **PROCTORING FEES**

Students are not charged a proctoring fee when taking a proctored event at Southeastern Technical College or any other TCSG college. Students who choose to use an off-campus proctor may be assessed a proctoring fee by the proctoring site. In this instance, the student is responsible for payment.

**The required proctored event for this class will be the final exam for the course. The exam is scheduled on the following dates and times: Vidalia Campus, Monday April 26<sup>th</sup> and Tuesday April 27<sup>th</sup>, 9:00 AM or 2:00 PM, Gillis Building, Room 824.**

### **MAKEUP GUIDELINES (TESTS, QUIZZES, HOMEWORK, PROJECTS, ETC.)**

Students are required to take all tests and complete all assignments scheduled during the semester. Failure to take Tests/Exam(s) and complete assignments will result in a grade of zero. There will be no makeup of assignments or EXAMS. If Internet or browser failure occurs, contact instructor immediately. A decision will be made at that time if the exam will be reset. Instructor reserves the right to deduct points from the exam scores for exceeding the scheduled time limit on the exam and/or requiring student to come to campus to take the final exam. Note: If student notifies instructor about exam problems because of technical issues after the due date or on the last day of the semester, the student will NOT be allowed to make-up the exam. No exceptions! Assignments must be turned in on the assigned date and will not be accepted late, a grade of zero will be given. ALL Assignments are due according to the lesson plan.

### **ACADEMIC DISHONESTY POLICY**

The Southeastern Technical College Academic Dishonesty Policy states that all forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline. The policy can also be found in the Southeastern Technical College Catalog and Handbook.

### **PROCEDURE FOR ACADEMIC MISCONDUCT**

The procedure for dealing with academic misconduct and dishonesty is as follows:

#### **1. First Offense**

Student will be assigned a grade of "0" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program

advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

**2. Second Offense**

Student is given a grade of "WF" (Withdrawn Failing) for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

**3. Third Offense**

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of third offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.

**STATEMENT OF NON-DISCRIMINATION**

The Technical College System of Georgia (TCSG) and its constituent Technical Colleges do not discriminate on the basis of race, color, creed, national or ethnic origin, gender, religion, disability, age, political affiliation or belief, genetic information, disabled veteran, veteran of the Vietnam Era, spouse of military member, or citizenship status (except in those special circumstances permitted or mandated by law). This nondiscrimination policy encompasses the operation of all technical college-administered programs, federally financed programs, educational programs and activities involving admissions, scholarships and loans, student life, and athletics. It also applies to the recruitment and employment of personnel and contracting for goods and services.

All work and campus environments shall be free from unlawful forms of discrimination, harassment and retaliation as outlined under Title IX of the Educational Amendments of 1972, Title VI and Title VII of the Civil Rights Act of 1964, as amended, the Age Discrimination in Employment Act of 1967, as amended, Executive Order 11246, as amended, the Vietnam Era Veterans Readjustment Act of 1974, as amended, Section 504 of the Rehabilitation Act of 1973, as amended, the Americans With Disabilities Act of 1990, as amended, the Equal Pay Act, Lilly Ledbetter Fair Pay Act of 2009, the Georgia Fair Employment Act of 1978, as amended, the Immigration Reform and Control Act of 1986, the Genetic Information Nondiscrimination Act of 2008, the Workforce Investment Act of 1998 and other related mandates under TCSG Policy, federal or state statutes.

The Technical College System and Technical Colleges shall promote the realization of equal opportunity through a positive continuing program of specific practices designed to ensure the full realization of equal opportunity.

The following individuals have been designated to handle inquiries regarding the nondiscrimination policies:

<p><b>American With Disabilities Act (ADA)/Section 504 - Equity- Title IX (Students) – Office of Civil Rights (OCR) Compliance Officer</b></p>	<p><b>Title VI - Title IX (Employees) – Equal Employment Opportunity Commission (EEOC) Officer</b></p>

**ACCESSIBILITY STATEMENT**

Southeastern Technical College is committed to making course content accessible to individuals to comply with the requirements of Section 508 of the Rehabilitation Act of Americans with Disabilities Act (ADA). If you find a problem that prevents access, please contact the course instructor.

**GRIEVANCE PROCEDURES**

Grievance procedures can be found in the Catalog and Handbook located on Southeastern Technical College’s website.

**ACCESS TO TECHNOLOGY**

Students can now access Blackboard, Remote Lab Access, Student Email, Library Databases (Galileo), and BannerWeb via the mySTC portal or by clicking the Current Students link on the [Southeastern Technical College \(STC\) Website \(www.southeasterntech.edu\)](http://www.southeasterntech.edu).

**TECHNICAL COLLEGE SYSTEM OF GEORGIA (TCSG) GUARANTEE/WARRANTY STATEMENT**

*The Technical College System of Georgia guarantees employers that graduates of State Technical Colleges shall possess skills and knowledge as prescribed by State Curriculum Standards. Should any graduate employee within two years of graduation be deemed lacking in said skills, that student shall be retrained in any State Technical College at no charge for instructional costs to either the student or the employer.*

Date	Chapter / Lesson	Content	Assignments & Tests Due Dates	Competency Area
Mar 10	1,2,4	Rework Skills Component Removal of Through-Hole Components, Solder Fountain Method 8.1.2	Read 8.1.2 under the Rework Skills folder.	3, a,c
Mar 11	1,2,4	Rework Skills Component Removal of Surface-Mount Components, Forked Tip Method 8.2.1	Read 8.2.1 under the Rework Skills folder.	3, a,c
Mar 15	1,2,4	CONTINUE Solder Project #3 AM/FM Radio Kit	Reply to Discussion Board #5 Post to Discussion Board #6	1,2,4, a,c
Mar 16	1,2,4	Rework Skills Component Removal of Surface-Mount Components, Hot Tweezer Method 8.2.2	Read 8.2.2 under the Rework Skills folder.	3, a,c

**WEEK 10**

Date	Chapter / Lesson	Content	Assignments & Tests Due Dates	Competency Area
Mar 17	None			None
Mar 18	1,2,4	Rework Skills Component Removal of Surface-Mount J-Lead Components, Conduction Method 8.3.1	Read 8.3.1 under the <b>Rework Skills</b> folder.	3, a,c
Mar 22	1,2,4	CONTINUE <b>Solder Project #3 AM/FM Radio Kit</b> <b>65% Point – Last day to Withdraw</b>	Reply to Discussion Board #6 Post to Discussion Board #7 <b>65% Point – Last day to Withdraw</b>	1,2,4, a,c
Mar 23	1,2,4	This weekly e-mail should update your status of your third project.	E-mail your weekly project status (which step you are on, issues, etc.) <a href="mailto:wgreene@southeasterntech.edu">William Greene</a> ( <a href="mailto:wgreene@southeasterntech.edu">wgreene@southeasterntech.edu</a> )	a,c

**WEEK 11**

Date	Chapter / Lesson	Content	Assignments & Tests Due Dates	Competency Area
Mar 24	1,2,4	Rework Skills Component Removal of Surface-Mount J-Lead Components, Hot Gas/Air Method 8.3.2	Read 8.3.2 under the <b>Rework Skills</b> folder.	3, a,c
Mar 25	1,2,4	Rework Skills Component Removal of Surface-Mount Gull Wing Components, Conduction Method 8.4.1	Read 8.4.1 under the <b>Rework Skills</b> folder.	3, a,c
Mar 29	1,2,4	CONTINUE <b>Solder Project #3 AM/FM Radio Kit</b>	Reply to Discussion Board #7 Post to Discussion Board #8	1,2,4, a,c
Mar 30	1,2,4	This weekly e-mail should update your status of your third project.	E-mail your weekly project status (which step you are on, issues, etc.) <a href="mailto:wgreene@southeasterntech.edu">William Greene</a> ( <a href="mailto:wgreene@southeasterntech.edu">wgreene@southeasterntech.edu</a> )	a,c

**WEEK 12 (APR IS APRIL)**

Date	Chapter / Lesson	Content	Assignments & Tests Due Dates	Competency Area
Mar 31	1,2,4	Rework Skills Component Removal of Surface-Mount Gull Wing Components, Hot Gas/Air Method 8.4.2	Read 8.4.2 under the Rework Skills folder.	3, a,c
Apr 1	1,2,3,4	CONTINUE Solder Project #3		1-5, a,c
Apr 5-6		<b>SPRING BREAK</b>	<b>SPRING BREAK</b>	
Apr 7	1,2,3,4	CONTINUE Solder Project #3	Reply to Discussion Board #8 Post to Discussion Board #9	1-5, a,c
Apr 8	1,2,3,4	CONTINUE Solder Project #3	E-mail your weekly project status <a href="mailto:wgreene@southeasterntech.edu">William Greene</a> ( <a href="mailto:wgreene@southeasterntech.edu">wgreene@southeasterntech.edu</a> )	1-5, a,c

**WEEK 13**

Date	Chapter / Lesson	Content	Assignments & Tests Due Dates	Competency Area
Apr 12	1,2,3,4	CONTINUE Solder Project #3		1-5, a,c
Apr 13	1,2,3,4	CONTINUE Solder Project #3		1-5, a,c
Apr 14	1,2	CONTINUE Solder Project #3	Reply to Discussion Board #9 Post to Discussion Board #10	1,2,4, a,c
Apr 15	1,2	This weekly e-mail should update your status of your third project.	E-mail your weekly project status <a href="mailto:wgreene@southeasterntech.edu">William Greene</a> ( <a href="mailto:wgreene@southeasterntech.edu">wgreene@southeasterntech.edu</a> )	a,c

**WEEK 14**

Date	Chapter / Lesson	Content	Assignments & Tests Due Dates	Competency Area
Apr 19	1,2	CONTINUE Solder Project #3		1,2,4, a,c
Apr 20	1,2	CONTINUE Solder Project #3		1,2,4, a,c
Apr 21	1,2	CONTINUE Solder Project #3	Reply to Discussion Board #10	1,2,4, a,c
Apr 22	1,2	This weekly e-mail should update your status of your third project.	E-mail your weekly project status <a href="mailto:wgreene@southeasterntech.edu">William Greene</a> ( <a href="mailto:wgreene@southeasterntech.edu">wgreene@southeasterntech.edu</a> )	a,c

**WEEK 15**

Date	Chapter / Lesson	Content	Assignments & Tests Due Dates	Competency Area
Apr 26	1,2	CONTINUE Solder Project #3 PROCTURED EVENT DAY	TURN IN Solder Project #3 PROCTURED EVENT DAY	1,2,4, a,c
Apr 27	1,2	CONTINUE Solder Project #3 PROCTURED EVENT DAY	TURN IN Solder Project #3 PROCTURED EVENT DAY	1,2,4, a,c
Apr 28	1,2	CONTINUE Solder Project #3	TURN IN Solder Project #3	1,2,4, a,c
Apr 29	1,2	CONTINUE Solder Project #3 SEMESTER ENDS	TURN IN Solder Project #3	1,2,4, a,c

**FINALS WEEK**

Date	Chapter / Lesson	Content	Assignments & Tests Due Dates	Competency Area
May 3		Course Completed	No Activity on Final Days	

**CHAPTER/LESSON KEY:**

1. Basic Procedures
2. Through-Hole Soldering Techniques
3. Surface-Mount Soldering Techniques
4. Component Removal Techniques

**COMPETENCY AREAS:**

1. Safety Practices
2. Soldering
3. Desoldering
4. Anti-Static Grounding
5. Surface Mount Techniques

**GENERAL CORE EDUCATIONAL COMPETENCIES:**

- a) The ability to utilize standard written English.
- b) The ability to solve practical mathematical problems.
- c) The ability to read, analyze, and interpret information.
