SOUTHEASTERN TECHNICAL COLLEGE (STC) CATALOG AND HANDBOOK

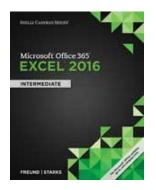

Students are responsible for all policies and procedures and all other information included in Southeastern Technical College's <u>Catalog and Handbook</u> (<u>http://www.southeasterntech.edu/student-affairs/catalog-handbook.php</u>).

REQUIRED TEXT

Cengage Unlimited Printed Access Card

Semester Access (4 months) with ISBN: 978-0-357-70003-7. You can also purchase the one year or two year access card if you wish to do so. The Cengage Unlimited Printed Access Card is available at the Southeastern Technical College Bookstore <u>stcbookstore@southeasterntech.edu</u> or 478-289-2217 or online.

If you do not choose to purchase the Cengage Unlimited Printed Access Card, the book information is Microsoft Office 365/Excel 2016 Intermediate, Freund, Steven and Joy Starks, CENGAGE Learning, ISBN: 978-1-305-87071-0 along with a Skills Assessment Manager (SAM) 2016 Printed Access Card.

REQUIRED SUPPLIES & SOFTWARE

Students will use the SAM 2016 software to complete their assignments.

Note: Although students can use their smart phones and tablets to access their online course(s), exams, discussions, assignments, and other graded activities should be performed on a personal computer. Neither Blackboard nor Georgia Virtual Technical Connection (GVTC) provide technical support for issues relating to the use of a smart phone or tablet so students are advised to not rely on these devices to take an online course.

Students should not share login credentials with others and should change passwords periodically to maintain security.

COURSE DESCRIPTION

This course covers the knowledge and skills required to use spreadsheet software through course demonstrations, laboratory exercises and projects.

MAJOR COURSE COMPETENCIES

Topics and assignments include the following: spreadsheet concepts, creating and manipulating data, formatting data and content, creating and modifying formulas, presenting data visually, collaborating and securing data.

PREREQUISITE(S)

COMP 1000-Introduction to Computer Literacy or Guided Elective

COURSE OUTLINE

- 1. Spreadsheet Concepts
- 2. Creating and Manipulating Data
- 3. Formatting Data and Content
- 4. Creating and Modifying Formulas
- 5. Presenting Data Visually
- 6. Collaborating and Securing Data

GENERAL EDUCATION CORE COMPETENCIES

Southeastern Technical College has identified the following general education core competencies that graduates will attain:

- 1. The ability to utilize standard written English.
- 2. The ability to solve practical mathematical problems.
- 3. The ability to read, analyze, and interpret information.

STUDENT REQUIREMENTS (HYBRID)

Students are expected to complete all work shown on the attached Lesson Plan. Students are also expected to

complete all Module work, project assignments, discussion boards, and tests on the dates specified on the attached Lesson Plan. Assignments will be saved via the One Drive, Remote Lab, Blackboard, or SAM. Students are responsible for policies and procedures included in the STC Catalog and Student Handbook. STUDENTS WILL ONLY BE ALLOWED TO TAKE ONE MAKEUP TEST DURING THE SEMESTER!!!

MODULE WORK

Module Work will be checked to ensure that work is consistently being completed. Assignments must be saved to the corresponding module's drop box. You are expected to complete all Module Work as indicated in your syllabus. If you do not complete the work by the assigned due date, a 50 percent deduction will be taken on your Excel Project for the corresponding module.

HYBRID ATTENDANCE

Class attendance is a very important aspect of a student's success. Being absent from class prevents students from receiving the full benefit of a course and interrupts the learning process. Southeastern Technical College considers both tardiness and leaving early as types of absenteeism. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is required for student success. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Instructors have the right to give unannounced quizzes/assignments. Students who miss an unannounced quiz or assignment will receive a grade of 0. Students who stop attending class, but do not formally withdraw, may receive a grade of "F" (Failing 0-59) and face financial aid repercussions in upcoming semesters.

Instructors are responsible for determining whether missed work may be made up and the content and dates for makeup work is at the discretion of the instructor.

Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an "F" in a course.

STUDENTS WITH DISABILITIES

Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact the appropriate campus coordinator to request services.

Swainsboro Campus: <u>Macy Gay (mgay@southeasterntech.edu)</u>, 478-289-2274, Building 1, Room 1208 Vidalia Campus: <u>Helen Thomas (hthomas@southeasterntech.edu)</u>, 912-538-3126, Building A, Room 108

SPECIFIC ABSENCES

Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

PREGNANCY

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please make arrangements with the appropriate campus coordinator.

Swainsboro Campus: <u>Macy Gay (mgay@southeasterntech.edu)</u>, 478-289-2274, Building 1, Room 1208 Vidalia Campus: <u>Helen Thomas (hthomas@southeasterntech.edu)</u>, 912-538-3126, Building A, Room 108 It is strongly encouraged that requests for consideration be made **PRIOR** to delivery and early enough in the pregnancy to ensure that all the required documentation is secured before the absence occurs. Requests made after delivery MAY NOT be accommodated. The coordinator will contact your instructor to discuss accommodations when all required documentation has been received. The instructor will then discuss a plan with you to make up missed assignments.

WITHDRAWAL PROCEDURE

Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% point of the term in which student is enrolled (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" is assigned for the course(s) when the student completes the withdrawal form.

Important – Student-initiated withdrawals are not allowed after the 65% point. After the 65% point of the term in which student is enrolled, the student has earned the right to a letter grade and will receive a grade for the course. Please note: Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of "F" being assigned.

Informing your instructor that you will not return to his/her course, does not satisfy the approved withdrawal procedure outlined above.

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be accessed due to the withdrawal. A grade of "W" will count in attempted hour calculations for the purpose of Financial Aid.

MAKEUP GUIDELINES (TESTS, QUIZZES, HOMEWORK, PROJECTS, ETC.)

Students are required to take all tests scheduled during the semester. Failure to take Blackboard/SAM Tests/Exams, and assignments will result in a grade of zero. There will be no makeup of assignments or EXAMS. If Internet or browser failure occurs, contact instructor immediately. A decision will be made at that time if the exam will be reset. Assignments must be turned in on the assigned date and will not be accepted late, a grade of zero will be given. All assignments are due according to the lesson plan. The due dates are posted on the lesson plan.

ACADEMIC DISHONESTY POLICY

The Southeastern Technical College Academic Dishonesty Policy states that all forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline. The policy can also be found in the Southeastern Technical College Catalog and Handbook.

PROCEDURE FOR ACADEMIC MISCONDUCT

The procedure for dealing with academic misconduct and dishonesty is as follows:

1. First Offense

Student will be assigned a grade of "O" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

2. Second Offense

Student is given a grade of "WF" (Withdrawn Failing) for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's

home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

3. Third Offense

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of third offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.

BUSN 1410—Spreadsheet Concepts and Applications

Spring Semester 2019—Lesson Plan

This course is a hybrid course. Approximately 60 percent of the assignments will be completed in the classroom. Approximately 40 percent of the assignments will be completed outside of the classroom using SAM software. Daily assignments are listed below. Assignments that are not completed during the scheduled class time will be completed by the student outside of the classroom. This will be the hybrid portion of this course. Students must work outside of the scheduled class time in order to complete the assignments listed below. Due dates are also listed below.
