## **PREGNANCY**

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please make arrangements with the appropriate campus coordinator.

**Swainsboro Campus:** [Macy Gay, \(mgay@southeasterntech.edu\)](mailto:mgay@southeasterntech.edu), 478-289-2274, Building 1, Room 1210

**Vidalia Campus:** [Helen Thomas, \(hthomas@southeasterntech.edu\)](mailto:hthomas@southeasterntech.edu), 912-538-3126, Building A, Room 165

It is strongly encouraged that requests for consideration be made PRIOR to delivery and early enough in the pregnancy to ensure that all the required documentation is secured before the absence occurs. Requests made after delivery MAY NOT be accommodated. The coordinator will contact your instructor to discuss accommodations when all required documentation has been received. The instructor will then discuss a plan with you to make up missed assignments.

## **CHECKING GRADES**

A grade book is made available in the BLACKBOARD course on the main page by clicking the MY GRADES link when students log in. This grade book is for students to review and is continuously updated throughout the semester. Students can view their grades at any time to see the individual grades for each assignment. The overall percentage averages should display in the grade book to help track course progress.

## **NO HARM NO FOUL POLICY**

It is the student's responsibility to drop courses during the first three days by completing a withdrawal form with a Counselor in Student Affairs. If a student comes to class during the first three days or any day during this time, the student will be dropped with no penalty only if they have completed the Withdrawal Form with Student Affairs by the close of business on the third business day of the semester. **(For Spring Semester, that**

**day will be January 13). The student must formally withdraw from classes in order to receive the no harm-no foul benefit.** The student will be charged for the class unless he/she formally withdraws.

### **NO SHOW REQUIREMENT**

**It is the student's responsibility to have all materials for the course on the first day of the semester. This is student responsibility in a traditional, hybrid, or online course. To be considered in attendance, the student must complete the following assignments:**

- Getting Started Orientation
- Pledge Acknowledgment Quiz
- Blackboard Orientation Quiz
- COVID Acknowledgment

Please complete these assignments within the **first three days of the course or by January 13, 2021 (11:59 p.m.)**.

### **WITHDRAWAL PROCEDURE**

Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% point of the term in which student is enrolled (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" (Withdrawn) is assigned for the course(s) when the student completes the withdrawal form.

Important – Student-initiated withdrawals are not allowed after the 65% point. After the 65% point of the term in which student is enrolled, the student has earned the right to a letter grade and will receive a grade for the course. Please note: Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of "F" (Failing 0-59) being assigned.

Informing your instructor that you will not return to his/her course, does not satisfy the approved withdrawal procedure outlined above.

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. A grade of "W" will count in attempted hour calculations for the purpose of Financial Aid.

### **ONLINE PROCTORED EVENT WITHDRAWALS**

Students who do not complete the proctored exam for an online class on the scheduled date and do not present a valid excuse within three business days of the scheduled event will be withdrawn from the course with a "WF" (Withdrawn Failing) and will be disabled in their online class. If the proctored event is scheduled during final exams, any student who misses the proctored exam will receive an "F" for the course.

### **PROCTORED EVENT REQUIREMENT**

Due to the uncertainties of COVID-19, this event will not be proctored for Spring Semester 202114. Students will complete the event but will not be required to come on campus to do it.

The event may be a major exam, assignment, or presentation, etc. that will count a minimum of 20% of the course grade. Students who do not complete the event as scheduled must submit a valid documented excuse within three business days after the scheduled event. If the excuse is approved by the instructor of the course,

students must make arrangements with the instructor to makeup/reschedule the missed event. The penalty and makeup instructions will be at the instructor's discretion. Events will be given after the 65% point of the semester. **Students who do not complete the event on the scheduled date and do not present a valid documented excuse within three business days of the scheduled event will be withdrawn from the course with a "WF" (Withdrawn Failing). If the event is scheduled during final exams, any student who misses the event will be issued an "F" (Failing) for the course.**

### **MAKEUP GUIDELINES (TESTS, QUIZZES, HOMEWORK, PROJECTS, ETC.)**

Students have one week to make up test and quizzes. All writing assignments must be submitted on the due date without exception. For late papers, there will be a 10% deduction for each day that it is late. Extra credit will be given at the instructor's discretion.

### **ACADEMIC DISHONESTY POLICY**

The Southeastern Technical College Academic Dishonesty Policy states that all forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline. The policy can also be found in the Southeastern Technical College Catalog and Handbook.

### **PROCEDURE FOR ACADEMIC MISCONDUCT**

The procedure for dealing with academic misconduct and dishonesty is as follows:

#### **1. First Offense**

Student will be assigned a grade of "0" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

#### **2. Second Offense**

Student is given a grade of "WF" (Withdrawn Failing) for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

#### **3. Third Offense**

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of third offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.

Academic dishonesty includes the following:

**Collusion** (obtaining help from someone else with your writing except during peer review) and **other forms of cheating**, such as cheating on tests or quizzes, will result in a zero on the assignment.

**Plagiarism will result in a grade of "0" for the assignment—no exceptions.** You've committed plagiarism if you've done one of the following in preparing an essay, report, or assignment:

- Used three or more consecutive words written by another person without putting quotes around the words
- Used several consecutive sentences written by another person, changing the words only slightly to keep it from being an exact quote
- Created a "mosaic" of other people's words, sentences, and paragraphs from a variety of sources
- Used someone else's ideas without citing that person as the original thinker

- Turned in a paper written in part or in whole by someone else
- Plagiarism is the most serious form of academic dishonesty and can result in expulsion from a college or university.

**All information that comes from another source whether paraphrased or directly quoted must be cited correctly and per the MLA 8<sup>th</sup> edition guidelines. Failure to cite correctly or to not cite at all will result in a failing grade or a zero. Assignments that are plagiarized will not be evaluated. The assignment will be returned to the student. Students will have 48 hours from the return date to resubmit the assignment. After 48 hours, the assignment will receive a zero and no other opportunities will be given to complete it.**
