

TENTATIVE—SUBJECT TO CHANGE
MAST 1030 PHARMACOLOGY IN THE MEDICAL OFFICE
HYBRID COURSE SYLLABUS
Spring Semester 2022 (202214)

COURSE INFORMATION

Credit Hours/Minutes: 4/3000

Campus/Class Location: Vidalia Campus, Gillis Building, Room 735

Class Meets: 60% online 40% Face-to-Face (F2F) Wednesday 9:00 a.m. to 10:30 a.m.

Course Reference Number (CRN): 40284

Preferred Method of Contact: Email

INSTRUCTOR CONTACT INFORMATION

Instructor Name: Stephannie Waters, BAS, CMA (AAMA)

Email Address: [Stephannie Waters \(swaters@southeasterntech.edu\)](mailto:swaters@southeasterntech.edu)

Campus/Office Location: Vidalia Campus, Gillis Building Room Office 731

Office Hours: M-R 1:00-5:00

Phone: (912) 538-3195

Fax Number: (912) 538-3106

This course is taught in a hybrid format. Hybrid classes require students to complete a portion of the required contact hours traditionally by attending classes on campus while completing the remaining portion online at the student's convenience with respect to the instructor's requirements.

SOUTHEASTERN TECHNICAL COLLEGE'S (STC) CATALOG AND HANDBOOK

Students are responsible for all policies and procedures and all other information included in Southeastern Technical College's [Catalog and Handbook \(https://catalog.southeasterntech.edu/college-catalog/downloads/current.pdf\)](https://catalog.southeasterntech.edu/college-catalog/downloads/current.pdf).

REQUIRED TEXT

Principles of Pharmacology for Medical Assisting: 6th edition – Rice – Cengage Publishing

MindTap Access through Cengage Unlimited available through Blackboard links

International Standard Book Number (ISBN): 978-1-305-11086-1

REQUIRED SUPPLIES & SOFTWARE

Computer with video/audio and reliable internet

MindTap Access through Cengage Unlimited

Pen, highlighters, paper, calculator

Note: Although students can use their smart phones and tablets to access their online course(s), exams, discussions, assignments, and other graded activities should be performed on a personal computer. Neither Blackboard nor Georgia Virtual Technical Connection (GVTC) provide technical support for issues relating to the use of a smart phone or tablet so students are advised to not rely on these devices to take an online course. Students needing computers can contact the library for assistance with this need.

Students should not share login credentials with others and should change passwords periodically to maintain security.

COURSE DESCRIPTION

Introduces medication therapy with emphasis on safety; classification of medications, their actions, side effects, medication and food interactions and adverse reactions. Also introduces basic methods of arithmetic used in the administration of medications. Topics include: introductory pharmacology, dosage calculations, sources and forms of medications, medication classification, and medication effects on the body systems.

MAJOR COURSE COMPETENCIES

1. Introduction to Pharmacology.
2. Dosage Calculation.
3. Sources and Forms of Medications.
4. Classifications of Medications.
5. Medication Effects on the Body Systems.

PREREQUISITE(S)

MAST 1080, MAST 1100, MAT 1120

COURSE OUTLINE

Introductory Pharmacology

1. Demonstrate the use of common reference sources in pharmacology (i.e. drug guides, internet sources, etc.).

Dosage Calculation

1. Demonstrate knowledge of basic math computations. (II.C.1)
2. Apply mathematical computations to solve equations. (II.C.2)
3. Define basic units of measurement in: a. the metric system, b. the household systems. (II.C.3)
4. Convert among measurement systems. (II.C.4)
5. Identify abbreviations and symbols used in calculating medication dosages. (II.C.5)
6. Calculate medication dosages.
7. Calculate pediatric dosages.

Sources and Forms of Medications

1. Recognize sources of medications.
2. Interpret the importance of the Federal Food, Drug, and Cosmetic Act/Controlled Substance Act of 1970.
3. Examine factors that determine the dosage of patient's medication.
4. Describe forms of medication.
5. Describe reasons for administering medications.

Classification of Medications

1. Identify the classifications of medications including: a. indications for use, b. desired effects, c. side effects, d. adverse reactions (allergenic, anti-infectives, antifungals, antimalarials, antituberculosis, antivirals, antineoplastics, cardiovascular agents, central nervous system agents, genitourinary tract agents, hormones, immunologic agents, metabolic agents, nutritional agents, psychotherapeutic agents, radiologic agents, respiratory agents, topical agents). (I.C.11)
2. Correlate the factors that may determine the effectiveness of an antiseptic and/or disinfectant.
3. Characterize the general recommendations for immunizations.
4. Assess the safety precautions to be observed when caring for a patient receiving medication.
5. Recognize precautions for antineoplastic and radioactive agents.

Medication Effects on the Body Systems

1. Describe the relationship between the anatomy and physiology of all body systems and medications used for treatment in each.

2. Demonstrate patient education as it applies to each body system and the medications used for each body system.

GENERAL EDUCATION CORE COMPETENCIES

Southeastern Technical College has identified the following general education core competencies that graduates will attain:

1. The ability to utilize standard written English.
2. The ability to solve practical mathematical problems.
3. The ability to read, analyze, and interpret information.

STUDENT REQUIREMENTS

Students are required to abide by all of the policies, rules, and regulations of Southeastern Technical College, as published in the *STC Catalog and Handbook*. STC Catalog and Handbook Related Policies and Procedures are found online at [STC's Website \(http://www.southeasterntech.edu\)](http://www.southeasterntech.edu)

Students are expected to complete all reading, tests, and daily assignments by the specified date. This includes tests, quizzes, workbooks, and any special projects assigned by the instructor throughout the course. ***A final unit test average of 75 is required to sit for the final exam. Grades of 74.9 will not be rounded up. If you have below a 75 average, you will receive a "0" for your final test grade.***

Critical thinking is also a necessary part of the learning process in this course. The student is expected to complete all critical thinking assignments prior to class. Situations will be included on tests in order to test critical thinking ability.

The use of proper grammar, correct spelling, and writing principles is expected in all work. Full credit will not be granted for work that contains grammar or spelling errors.

RESPONDUS ONLINE TESTING GUIDELINES:

The Medical Assisting program will use **Respondus Monitor** through Blackboard to administer and proctor the examinations. If a student violates any of these guidelines, his/her test score/attempt will not be counted, and the student may be required to take a makeup/additional test.

The following are faculty expectations of the student during the online/offsite testing process.

1. The student will download Respondus to their devices from the STC website.
<https://download.respondus.com/lockdown/download.php?id=492358809>
2. The student will log in at least 15 minutes before the exam is scheduled to begin.
3. The student will secure an area with reliable internet service prior to beginning the exam. It is the student's responsibility to secure a location with reliable internet connection before beginning the examination. Specific Requirements listed below:
 - Windows: 10, 8, 7. Windows 10S is not a compatible operating system.
 - Mac: OS X 10.12 to macOS 10.15.
 - Web camera (internal or external) & microphone
 - A broadband internet connection
4. Mobile Hotspots are not to be used since as they are not considered a reliable internet source.
5. The student will perform all required Respondus checks prior to being allowed to test. (examples- Webcam Check and Facial Recognition Check) Faculty are not responsible for student technology issues. It is the student's responsibility to maintain their equipment in working order.
6. The student will have in place a monitoring camera as Respondus Monitor will be used to ensure test integrity. The student will take a complete, 360-degree scan of the testing environment, showing floor, desk, and walls. In addition, the student will use a handheld mirror held up to the camera to show that

their screen and keyboard is clear of any unnecessary items. The student will need to show the front and back of the mirror.

7. During the exam, students will be both audio and visually recorded.
8. The student exams will be timed, just like in the face-to-face setting.
9. The student will not use any books, notes, or third-party supplies during the test. The desk/table will be cleared of additional items. There will be no paper or writing materials allowed.
10. The student has reviewed the Dishonesty Policy and Procedure for Academic Dishonesty as noted on the course syllabus.
11. The student will not be allowed to use smart watches, cell phones, tablets, calculators, earphones or other electronic devices during the exam.
12. The student will not wear a hat or any items that obscures the face or eyes while testing.
13. The student will keep the face in clear view of the camera while testing.
14. The student will have all background noise silenced while testing.
15. The student will have no other operating functions open on the computer during testing. (ie: Word, Excel, PowerPoint)
16. The student will be prohibited from taking screen shots or recording of the exam in anyway.
17. The student is prohibited from reading questions or any test material out loud during the test.
18. Question rationales will not be available at this time for test security. Instructors will be available later for missed content review. Students are encouraged to set up individualized meetings with their faculty to discuss specific content areas which were missed.
19. After the exam, the final grade will not be issued or posted to the Blackboard gradebook until the validity of the test is reviewed and approved by the instructor(s). Be aware that the downloads may take 24-72 hours. This includes reviewing the Respondus Monitor report and the video recording of the testing session. At any time, the validity is questionable, the student may be required to take a different version of the examination.
20. If a student believes a test question needs to be challenged, the student must email their instructor the evidence-based rationale for consideration. This request must be received via email within 24 hours of the examination.

COVID-19 MASK REQUIREMENT

Regardless of vaccination status, masks or face coverings must be worn at all times while in a classroom or lab of Southeastern Technical College. This measure is being implemented to reduce COVID-19 related health risks for everyone engaged in the educational process. Masks or face coverings must be worn over the nose and mouth, in accordance with the Centers for Disease Control and Prevention (CDC). A student's refusal to wear a mask or face covering will be considered a classroom disruption and the student may be asked to leave campus and/or receive further discipline.

COVID-19 SIGNS AND SYMPTOMS

We encourage individuals to monitor for the signs and symptoms of COVID-19 prior to coming on campus.

If you have experienced the symptoms listed below or have a body temperature 100.4°F or higher, we encourage you to self-quarantine at home and contact a primary care physician's office, local urgent care facility, or health department for further direction. Please notify your instructor(s) by email and do not come on campus for any reason.

COVID-19 Key Symptoms
Fever or felt feverish
Chills
Shortness of breath or difficulty breathing (not attributed to any other health condition)

COVID-19 Key Symptoms
Fatigue
Muscle or body aches
Headache
New loss of taste or smell
Sore throat (not attributed to any other health condition)
Congestion or runny nose (not attributed to any other health condition)
Nausea or vomiting
Diarrhea
In the past 14 days, if you:
Have had close contact with or are caring for an individual diagnosed with COVID-19 at home (not in healthcare setting), please do not come on campus and contact your instructor (s).

COVID-19 SELF-REPORTING REQUIREMENT

Students, regardless of vaccination status, who test positive for COVID-19 or who have been exposed to a COVID-19 positive person, are required to self-report using <https://www.southeasterntech.edu/covid-19/>. Report all positive cases of COVID-19 to your instructor and [Stephannie Waters](mailto:swaters@southeasterntech.edu), Exposure Control Coordinator, swaters@southeasterntech.edu, 912-538-3195.

ATTENDANCE GUIDELINES

Class attendance is a very important aspect of a student's success. Being absent from class prevents students from receiving the full benefit of a course and interrupts the learning process. Southeastern Technical College considers both tardiness and leaving early as types of absenteeism. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is required for student success. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Instructors have the right to give unannounced quizzes/assignments. Students who miss an unannounced quiz or assignment will receive a grade of 0. Students who stop attending class, but do not formally withdraw, may receive a grade of "F" (Failing 0-59) and face financial aid repercussions in upcoming semesters.

Instructors are responsible for determining whether missed work may be made up and the content and dates for makeup work is at the discretion of the instructor.

Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an "F" in a course.

STUDENTS WITH DISABILITIES

Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact the appropriate campus coordinator to request services.

Swainsboro Campus: [Daphne Scott \(dscott@southeasterntech.edu\)](mailto:dscott@southeasterntech.edu) 478-289-2274, Building 1, Room 1210.
 Vidalia Campus: [Helen Thomas \(hthomas@southeasterntech.edu\)](mailto:hthomas@southeasterntech.edu), 912-538-3126, Building A, Room 165.

SPECIFIC ABSENCES

Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

PREGNANCY

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please make arrangements with the appropriate campus coordinator.

Swainsboro Campus: [Daphne Scott \(dscott@southeasterntech.edu\)](mailto:dscott@southeasterntech.edu) 478-289-2274, Building 1, Room 1210.
Vidalia Campus: [Helen Thomas \(hthomas@southeasterntech.edu\)](mailto:hthomas@southeasterntech.edu), 912-538-3126, Building A, Room 165.

It is strongly encouraged that requests for consideration be made **PRIOR** to delivery and early enough in the pregnancy to ensure that all the required documentation is secured before the absence occurs. Requests made after delivery MAY NOT be accommodated. The coordinator will contact your instructor to discuss accommodations when all required documentation has been received. The instructor will then discuss a plan with you to make up missed assignments.

WITHDRAWAL PROCEDURE

Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% point of the term in which student is enrolled (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" (Withdrawn) is assigned for the course(s) when the student completes the withdrawal form.

Students who are dropped from courses due to attendance after drop/add until the 65% point of the semester will receive a "W" for the course.

Important – Student-initiated withdrawals are not allowed after the 65% point. Only instructors can drop students after the 65% point for violating the attendance procedure of the course. Students who are dropped from courses due to attendance after the 65% point will receive either a "WP" (Withdrawn Passing) or "WF" (Withdrawn Failing) for the semester.

Informing your instructor that you will not return to his/her course, does not satisfy the approved withdrawal procedure outlined above.

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. A grade of "W" will count in attempted hour calculations for the purpose of Financial Aid.

MAKEUP GUIDELINES (TESTS, QUIZZES, HOMEWORK, PROJECTS, ETC.)

All assignments in this course are available via Blackboard and Cengage MindTap. You will have approximately 1 (one) week to complete assignments. The only time you might need to make up an assignment is if you have computer issues. In this case you need to make sure you email your instructor immediately and let her know what the issue is so that she can make arrangements for you to make it up. Only 1 (one) test may reset per course per student. The most important soft skill in this situation is to communicate with your instructor, she cannot help you if you do not let her know you are having a problem.

ACADEMIC DISHONESTY POLICY

The Southeastern Technical College Academic Dishonesty Policy states that all forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for

discipline. The policy can also be found in the Southeastern Technical College Catalog and Handbook.

PROCEDURE FOR ACADEMIC MISCONDUCT

The procedure for dealing with academic misconduct and dishonesty is as follows:

1. First Offense

Student will be assigned a grade of "0" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

2. Second Offense

Student is given a grade of "WF" (Withdrawn Failing) for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

3. Third Offense

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of third offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.

STATEMENT OF NON-DISCRIMINATION

As set forth in the student catalog, Southeastern Technical College does not discriminate on the basis of race, color, creed, national or ethnic origin, sex, religion, disability, age, political affiliation or belief, genetic information, veteran status, or citizenship status (except in those special circumstances permitted or mandated by law).

The following individuals have been designated to handle inquiries regarding the nondiscrimination policies:

American With Disabilities Act (ADA)/Section 504 - Equity- Title IX (Students) – Office of Civil Rights (OCR) Compliance Officer	Title VI - Title IX (Employees) – Equal Employment Opportunity Commission (EEOC) Officer
Helen Thomas, Special Needs Specialist Vidalia Campus 3001 East 1 st Street, Vidalia Office 165 Phone: 912-538-3126 Email: Helen Thomas hthomas@southeasterntech.edu	Lanie Jonas, Director of Human Resources Vidalia Campus 3001 East 1 st Street, Vidalia Office 138B Phone: 912-538-3230 Email: Lanie Jonas ljonas@southeasterntech.edu

ACCESSIBILITY STATEMENT

Southeastern Technical College is committed to making course content accessible to individuals to comply with the requirements of Section 508 of the Rehabilitation Act of Americans with Disabilities Act (ADA). If you find a problem that prevents access, please contact the course instructor.

GRIEVANCE PROCEDURES

Grievance procedures can be found in the Catalog and Handbook located on Southeastern Technical College's website.

ACCESS TO TECHNOLOGY

Students can now access Blackboard, Remote Lab Access, Student Email, Library Databases (Galileo), and BannerWeb via the mySTC portal or by clicking the Current Students link on the [Southeastern Technical College \(STC\) Website \(www.southeasterntech.edu\)](http://www.southeasterntech.edu).

TECHNICAL COLLEGE SYSTEM OF GEORGIA (TCSG) GUARANTEE/WARRANTY STATEMENT

The Technical College System of Georgia guarantees employers that graduates of State Technical Colleges shall possess skills and knowledge as prescribed by State Curriculum Standards. Should any graduate employee within two years of graduation be deemed lacking in said skills, that student shall be retrained in any State Technical College at no charge for instructional costs to either the student or the employer.

MAST 1030 PHARMACOLOGY IN THE MEDICAL OFFICE

Spring Semester 2022 Lesson Plan

Weeks will begin on Tuesday and end on Monday of the following week. Graded assignments are available during the designated week for you to complete by the due dates are in **bold and are highlighted**. All assignments for each week will be due on each MONDAY by 11:59p for this course. DO NOT wait until the last hour to begin completing your work. Technology issues will not be addressed if you wait to begin the assignments. Please make every attempt to complete your work during normal working hours to prevent delays in responses to your potential technology issues.

Make sure you check your EMAIL every day!!!

Do not get behind on assignments!

READ EVERYTHING TWICE before you ask questions and ALWAYS refer to your syllabus and Blackboard before you ask. I am happy to answer questions and help you, but I do expect you to attempt to figure things out on your own to a certain extent.

I frequently send reminder emails when assignments are upcoming or are due. If you get a reminder and the assignment is not due for a few days, please don't be alarmed; it is simply a reminder for you to know the assignment will be due during the week. If you get a reminder on the date that an assignment is due, that means you have not submitted it and need to get it done asap.

On the first day of class before you begin ANY assignments, complete the following in BLACKBOARD

Complete the following by **01/17** to reserve your spot in the class!!
