Lecture
(Mini-mester)
Spring Semester 2017**

Semester: Spring 2017

Course Title: Radiographic Procedures III

Course Number: RADT 2090

Credit Hours/ Minutes: 2/3000

Class Location: 743

Class Meets: Tuesdays/Thursdays 9:00am-3:45pm
(3/7/2017-4/27/2017)

CRN: 40300

Instructor: Kerry Dunn, M.Ed., RT(R)(M)

Office Hours: Mondays 8:00am-4:00pm

Office Location: 708

Email Address: kdunn@southeasterntech.edu

Phone: 912-538-3112

Fax Number: 912-538-3106

Tutoring Hours: By Appointment

REQUIRED TEXT: Merrill's Atlas of Radiographic Positioning and Procedures (13th ed.)
ISBN: 978-0-323-26341-3

REQUIRED SUPPLIES: Pen, pencil, notebook, paper, markers, highlighters, notecards

COURSE DESCRIPTION: Continues to develop the knowledge required to perform radiographic procedures.

MAJOR COURSE COMPETENCIES: Major course competencies include: anatomy and routine projections of the cranium, anatomy and routine projections of the facial bones, anatomy and routine projections of the sinuses, sectional anatomy of the head, neck, thorax, and abdomen.

COURSE OUTLINE:

- Anatomy and routine projections of the cranium
- Anatomy and routine projections of the facial bones
- Anatomy and routine projections of the sinuses
- Sectional anatomy of the head, neck, thorax, and abdomen.

PREREQUISITES: RADT 1060

COREREQUISITES: RADT 1330, RADT 2340

GENERAL EDUCATION CORE COMPETENCIES:

STC has identified the following general education core competencies that graduates will attain:

1. The ability to utilize standard written English.
2. The ability to solve practical mathematical problems.
3. The ability to read, analyze, and interpret information.

STUDENT REQUIREMENTS: Students are expected to complete all reading, tests, and daily assignments (workbooks, handouts, phantom images, image critiques & projection sheets) by the specified date.

During RADT 2090, students will be required to:

- Read the appropriate chapter in the course textbook
- Complete the Projection Sheets for appropriate chapter
- Produce radiographic images utilizing the program's phantom in accordance to the exam protocol contained in the course textbook
- Complete an Image Critique Form on their radiographic images created utilizing the program's phantom
- Successfully pass the Laboratory Evaluation on the appropriate body area in accordance to the protocol and criteria contained within the course textbook
 - Students must successfully pass the Laboratory Evaluation with a score of 80% or higher prior to proving competency on the exam in the clinical setting.
 - If a student fails to earn an 80%, (s)he will be required to repeat the evaluation after a scheduled remediation with the course instructor.
 - The original grade earned will stand in the gradebook, regardless of the grade earned upon remediation.
 - All laboratory evaluations must be passed before clinical participation/competency can be attempted.
 - Students must earn a grade of 80% or greater on Laboratory Evaluations in order to pass the course requirements.
- Students will also take comprehensive review quizzes over material previously covered in RADT 1030/1060.

In addition, quizzes are subject to be given on any given day over any assigned material (i.e. reading, workbooks, etc.). Any quizzes missed due to student absence will not be made up.

EXAMS: NO GRADES WILL BE DROPPED. No study guides or test reviews will be given due to time constraints on the amount of material being introduced. In addition, quizzes are subject to be given on any given day over any assigned material (i.e. reading, workbooks, etc.). Any quizzes missed due to student absence will not be made up.

Any questions regarding a test will need to be submitted by email to the instructor and/or an appointment can be arranged to discuss any questions during the instructor's office hours. No class time will be spent debating test questions.

MAKEUP POLICY: *Students will be allowed to makeup one test. Any further missed test will result in a grade of zero. All makeup exams will be given at the discretion of the instructor and accommodations may be made based upon extenuating circumstances.*

***Extenuating circumstances are unforeseen accidents, deaths in the immediate family or personal illness which requires you to be absent from class or clinical. Vacations, weddings, doctor appointments, studying for an exam, child care issues, job interviews and working at your job are not considered extenuating circumstances as these are not unforeseen events. ***

Students are responsible for policies and procedures in student catalog/handbook and Departmental Policies and Procedures. [This could also include safety, academic dishonesty, etc.]

CELLPHONE POLICY: Cell phones are not permitted in the classroom or laboratory. Any student caught with a cell phone in the classroom or laboratory in any capacity (texting, talking on or, emailing), whether the phone is on or off, will have 10 points taken off their next chapter test grade. In the event of an emergency, such as a sick family member or sick child, their calls should be directed to the front desk at 912-538-3117 where a message can be left.

ATTENDANCE GUIDELINES: Class attendance is a very important aspect of a student's success. Being absent from class prevents students from receiving the full benefit of a course and also interrupts the learning process. Southeastern Technical College considers both tardiness and leaving early as types of absenteeism. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is required for student success. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Instructors have the right to give unannounced quizzes/assignments. Students who miss an unannounced quiz or assignment will receive a grade of 0. Students who stop attending class, but do not formally withdraw, may receive a grade of F and face financial aid repercussions in upcoming semesters.

Instructors are responsible for determining whether missed work may be made up and the content and dates for makeup work is at the discretion of the instructor.

Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an F in a course.

ADDITIONAL ATTENDANCE PROVISIONS

Health Sciences

Requirements for instructional hours within Health Science programs reflect the rules of respective licensure boards and/or accrediting agencies. Therefore, these programs have stringent attendance policies. Each program's attendance policy is published in the program's handbook and/or syllabus which specify the number of allowable absences. All provisions for required make-up work in the classroom or clinical experiences are at the discretion of the instructor.

Attendance is counted from the first scheduled class meeting of each semester. To receive credit for a course a student must attend at least 90% of the scheduled instructional time. Time and/or work missed due to tardiness or absences must be made up at the convenience of the instructor. Any student attending less than the required scheduled instructional time (90%) may be dropped from the course as stated below in the Withdrawal Procedure.

Tardy means arriving after the scheduled time for instruction to begin. Early departure means leaving before the end of the scheduled time. Three (3) tardies or early departures equal one (1) absence for the course.

In this course, which meets 2 days a week for 7 weeks the maximum number of days a student may miss are 2 days during the semester.

SPECIAL NEEDS: Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact Helen Thomas, 912-538-3126, hthomas@southeasterntech.edu, to coordinate reasonable accommodations.

Specific Absences: Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

PREGNANCY: Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please advise me and make appropriate arrangements with Helen Thomas, (912) 538-3126, hthomas@southeasterntech.edu.

WITHDRAWAL PROCEDURE: Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% portion of the semester (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" is assigned when the student completes the withdrawal form from the course.

Students who are dropped from courses due to attendance (see your course syllabus for attendance policy) after drop/add until the 65% point of the semester will receive a "W" for the course. Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of 'F' being assigned.

After the 65% portion of the semester, the student will receive a grade for the course. (Please note: A zero will be given for all missed assignments.)

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. All grades, including grades of 'W', will count in attempted hour calculations for the purpose of Financial Aid.

Remember - Informing your instructor that you will not return to his/her course does not satisfy the approved withdrawal procedure outlined above.

ACADEMIC DISHONESTY POLICY: The STC Academic Dishonesty Policy states *All forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline.* The policy can also be found in the *STC Catalog and Student Handbook.*

Procedure for Academic Misconduct

The procedure for dealing with academic misconduct and dishonesty is as follows:

--First Offense--

Student will be assigned a grade of "0" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

--Second Offense--

Student is given a grade of "WF" for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

--Third Offense--

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.

STATEMENT OF NON-DISCRIMINATION: Southeastern Technical College does not discriminate on the basis of race, color, creed, national or ethnic origin, gender, religion, disability, age, disabled veteran, veteran of Vietnam Era or citizenship status, (except in those special circumstances permitted or mandated by law). This school is in compliance with Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color, or national origin; with the provisions of Title IX of the Educational Amendments of 1972, which prohibits discrimination on the basis of gender; with the provisions of Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of handicap; and with the American with Disabilities Act (ADA).

The following individuals have been designated to handle inquiries regarding the nondiscrimination policies:

GRADING POLICY

Chapter Tests (3 CT x 50 points)	= 150 points
Lab Evaluations (3 LE x 45 points)	= 135 points
Image Critique (3 IC x 25 points)	= 75 points
Projection Sheets (3 Sections x 10 points)	= 30 points
Final Exam	= 100 points
Final Lab Exam	= 45 points
<u>Review Quizzes (4 Quizzes x 50 points)</u>	<u>= 200 points</u>
Total Points	= points

Review Quizzes:

- Chest/Abdomen/Bony Thorax
- Upper/Lower Extremities
- Pelvis/Vertebral Column
- Digestive System/Urinary System

GRADING SCALE

- A: 90-100 (752-840 points)
- B: 80-89 (668-751 points)
- C: 70-79 (584-667 points)
- D: 60-69 (500-583 points)
- F: 0-59 (0-499 points)
