PREREQUISITE(S): COMP 1000-Introduction to Computers or Guided Elective

COURSE OUTLINE:

- 1) Office Protocol
- 2) Time Management
- 3) Telecommunications and Telephone Techniques
- 4) Office Equipment
- 5) Workplace Mail
- 6) Records Management
- 7) Travel and Meeting Arrangements

GENERAL EDUCATION CORE COMPETENCIES: STC has identified the following general education core competencies that graduates will attain:

1. The ability to utilize standard written English.
2. The ability to solve practical mathematical problems.
3. The ability to read, analyze, and interpret information.

STUDENT REQUIREMENTS: Students are expected to complete all work required by the instructor and to attend the required proctored campus exam. Students will have at least one week to complete tests and assignments. **All tests and assignments are due at midnight on Monday of each week.** Students are required to submit all chapter assignments via the weekly drop boxes. Note: If assignments are not keyed in Microsoft Word and uploaded and attached for grading to the drop boxes, the assignment(s) will **NOT** be graded. A grade of zero will automatically be assigned.

ONLINE ATTENDANCE: It is the student's responsibility to be academically engaged each week doing course related activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an F in a course. Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Students will have at least one week to complete tests and assignments. All tests and assignments are due at midnight on Monday of each week. Exceptions to the due dates of assignments due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

SPECIAL NEEDS: Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact Jan Brantley, Room 1208 Swainsboro Campus, 478-289-2274, or Helen Thomas, Room 108 Vidalia Campus, 912-538-3126, to coordinate reasonable accommodations.

SPECIFIC ABSENCES: Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

PREGNANCY: Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please advise me and make appropriate arrangements with the Special Needs Office. Swainsboro Campus: Jan Brantley, Room 1208, (478) 289-2274 -- Vidalia Campus: Helen Thomas, Room 108, (912) 538-3126.

WITHDRAWAL PROCEDURE: Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% portion of the semester (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" is assigned when the student completes the withdrawal form from the course.

Students who are dropped from courses due to attendance (see your course syllabus for attendance policy) after drop/add until the 65% point of the semester will receive a "W" for the course. Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of 'F' being assigned.

After the 65% portion of the semester, the student will receive a grade for the course. (Please note: A zero will be given for all missed assignments.)

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. All grades, including grades of 'W', will count in attempted hour calculations for the purpose of Financial Aid.

Remember - Informing your instructor that you will not return to his/her course does not satisfy the approved withdrawal procedure outlined above.

PROCTORED EVENT REQUIREMENT: In order to validate student identity for all online courses, students enrolled in online courses are **required** to complete one proctored event per online course. The proctored event will be administered on two separate days during the semester—once on the Vidalia campus and once on the Swainsboro campus and will be monitored by the instructor or another STC employee. The proctored event may be a major exam, assignment, or presentation, etc. that will count a minimum of 20% of the course grade. Students must attend one of the scheduled proctored sessions and will need to make arrangements with work, childcare, etc. The specific dates of the proctored event are scheduled on the Lesson Plan/Calendar for the online course. Students living further than 75 miles from either campus who cannot come to Southeastern Tech for the event must secure an approved proctoring site. The site and the proctor must meet Southeastern Technical College's requirements (instructor will provide more information and necessary forms if this is the case). Note: Students taking proctored events off campus will utilize the Proctor Scheduling and Approval Form found in Blackboard within the Getting Started/Start Here and Proctoring Event area. The completed form should be submitted to the course instructor a minimum of two weeks prior to the proctored event. If approved, the instructor will notify the proctor.

Students arranging off-campus proctoring must take the event on one of the originally scheduled days. Students who do not complete the proctored event as scheduled must submit a valid documented excuse within three business days after the scheduled event. If the excuse is approved, students must make arrangements with the instructor to makeup/reschedule the missed event. The penalty and makeup instructions will be at the instructor's discretion. Proctored events will be given after the 65% point of the semester. **Students who do not complete the proctored event will receive an F in the course.**

As published on STC's website, any expenses incurred to obtain a proctor will be the responsibility of the student; however, students are not charged a proctoring fee when taking the proctored exam on the campus of Southeastern Tech. Most of Georgia's technical colleges do not charge to proctor exams for students enrolled in other TCSG colleges. Students who are enrolled at Southeastern Technical College and live out of the state of Georgia or out of the country could incur a proctoring charge. However, in that instance, the instructor would assist the student in locating the least expensive proctor.

The required proctored event for this class is Wednesday, July 20, 2016, OR Thursday, July 21, 2016. The event will be given on Wednesday, July 20, 2016, at the Vidalia Campus, Medical Technology Building, Room 806, and will begin at 1:30 p.m. sharp. The event will also be given on Thursday, July 21, 2016, at the Swainsboro Campus, Building 8, Room 8111, and will begin at 1:30 p.m. sharp. The proctored exam is listed in the lesson plan. The proctored exam will consist of an objective based exam on Chapters 14 and 15. You may come EITHER day that is convenient for you!

MAKEUP GUIDELINES (Tests, quizzes, homework, projects, etc...): Students will have at least one week to complete tests and assignments. **All tests and assignments are due at midnight on Monday of each week.** Failure to take chapter tests will result in a grade of zero. **No makeup exams are allowed.** If Internet or browser failure occurs while taking an exam, contact instructor immediately. A decision will be made at that time if the exam will be reset. The instructor reserves the right to deduct points from exam scores for exceeding the scheduled time limit on the exams and/or requiring student to come to campus to take the exam. **ASSIGNMENTS WILL NOT BE ACCEPTED LATE FOR THIS**

CLASS. THIS INCLUDES BOOK WORK, DISCUSSION BOARDS, AND/OR TESTS. IF WORK IS NOT COMPLETED BY THE DUE DATES, A GRADE OF ZERO WILL BE GIVEN. NO EXCEPTIONS.

ACADEMIC DISHONESTY POLICY: The STC Academic Dishonesty Policy states All forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline. The policy can also be found in the STC Catalog and Student Handbook.

Procedure for Academic Misconduct

The procedure for dealing with academic misconduct and dishonesty is as follows:

--First Offense--

Student will be assigned a grade of "0" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

--Second Offense--

Student is given a grade of "WF" for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

--Third Offense--

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.

NO EXCEPTIONS!**

No group work will be assigned this semester in the online class unless designated by instructor. Ignore any statements on assignments regarding group work. All assignments are to be completed individually. Always key your name and assignment number on all your work before submitting it for grading. **(Example: Linda Whitfield, Chapter 1 Build Workplace Skills 3).** ****Ten Points will be deducted automatically for failure to key name on assignments.**

REFER TO THE WEEKLY FOLDERS IN THE BLACKBOARD COURSE UNDER THE COURSE WORK TAB FOR ADDITIONAL INFORMATION REGARDING ASSIGNMENTS. STUDENTS ARE RESPONSIBLE FOR OBTAINING AND REVIEWING THIS INFORMATION.

- **DISCUSSION BOARDS:** Students will complete five (5) discussion board assignments (see lesson plan above for assigned weeks) that will count as part of the final course grade. 1. **Three points will be assessed per error on assignments.** Instructor reserves the right to deduct less or more depending on type of error. Ten points will automatically be deducted for not keying name on assigned work. *Make sure your name and assignment information is keyed on all assignments somewhere on the document before submitting for grading....take ownership of your work!
2. If more than one assignment is given per chapter (or per week), those assignments will be averaged together to obtain your grade for that particular chapter or the week. For example, if you made a 100 on one of the assignments and a 50 on the other, then your grade for that chapter/week would be a 75.
3. Discussion Board assignments for the semester also need to be completed during the assigned weeks indicated on lesson plan. Late posts are not counted and failure to post any comments results in a grade of zero. Students are required to post a minimum of one original post and one reply for each discussion board, but more is encouraged.
4. Always proofread, spell check, and grammar check your documents before turning them in for a grade! Although this is not an English class, professionalism is a must. Points will be deducted for excessive spelling, grammar, punctuation, and document formatting errors.
