### **GENERAL EDUCATION CORE COMPETENCIES**

STC has identified the following general education core competencies that graduates will attain:

1. The ability to utilize standard written English.
2. The ability to solve practical mathematical problems.
3. The ability to read, analyze, and interpret information.

### **STUDENT REQUIREMENTS (HYBRID)**

Students are expected to complete all tests and assignments by the due dates. NO assignments will be accepted after due dates and a grade of 0 will be assigned for all incomplete work. COLL1000 instructor requires students to submit all assignments through the Blackboard learning systems. Exams will be taken on Blackboard within the classroom and outside of class. Students are required to submit all work in **Microsoft Word**. Blackboard assignments including essays, discussion boards, and drop box submissions which are not submitted through **Microsoft Word** will not receive credit. Instructor requires **all assignments in APA format and submitted via Blackboard.** Assignments are to be submitted through Digital drop box or discussion boards only!

## REMEMBER:

1. Submit all assignments in a Word document.
2. Always use APA formatting (including headings).
3. Do not plagiarize. All assignments should be completed **in your own words**.
4. Submit all assignments as **attachments** through the provided digital drop box. (Assignments submitted in text box will receive a 0.)
5. Do not submit any written assignment in text-like format. Use standard forms of writing. It is a good idea to save all your assignments on a jump drive or the student R-drive.

**HAVEN:** Southeastern Technical College has partnered with **EverFi**, whose mission is to help students address critical life skills such as alcohol abuse prevention, sexual assault prevention and financial literacy, in higher education institutions across the country. This is a **Mandatory requirement for this course. Failure to complete will result in an F for the course.** The live dates for HAVEN are located on your syllabus. Please locate the HAVEN folder in Blackboard and follow directions.

## HYBRID ATTENDANCE

Class attendance is a very important aspect of a student's success. Being absent from class prevents students from receiving the full benefit of a course and interrupts the learning process. Southeastern Technical College considers both tardiness and leaving early as types of absenteeism. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is required for student success. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Instructors have the right to give unannounced quizzes/assignments. Students who miss an unannounced quiz or assignment will receive a grade of 0. Students who stop attending class, but do not formally withdraw, may receive a grade of "F" (Failing 0-59) and face financial aid repercussions in upcoming semesters.

Instructors are responsible for determining whether missed work may be made up and the content and dates for makeup work is at the discretion of the instructor.

Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an "F" in a course.

## SPECIAL NEEDS

Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact **Helen Thomas** ([hthomas@southeasterntech.edu](mailto:hthomas@southeasterntech.edu)), 912-538-3126, to coordinate reasonable accommodations.

## SPECIFIC ABSENCES

Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

## PREGNANCY

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the

course. If you think you will need accommodations due to pregnancy, please advise me and make appropriate arrangements with [Helen Thomas \(hthomas@southeasterntech.edu\)](mailto:hthomas@southeasterntech.edu), 912-538-3126.

### **WITHDRAWAL PROCEDURE**

Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% portion of the semester (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" (Withdrawn) is assigned when the student completes the withdrawal form from the course.

Students who are dropped from courses due to attendance (see your course syllabus for attendance policy) after drop/add until the 65% point of the semester will receive a "W" for the course. Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of 'F' being assigned.

After the 65% portion of the semester, the student will receive a grade for the course. (Please note: A zero will be given for all missed assignments.)

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. All grades, including grades of 'W', will count in attempted hour calculations for the purpose of Financial Aid.

**Remember** - Informing your instructor that you will not return to his/her course does not satisfy the approved withdrawal procedure outlined above.

### **MAKEUP GUIDELINES (TESTS, QUIZZES, HOMEWORK, PROJECTS, ETC...)**

Ample time is sufficient to complete assignments and to complete your tests. If that test or assignment is not completed by the due date, a grade will result in a zero. There will be no extensions unless stated by the instructor. So, if you do not complete a test, you will receive a zero for the test.

Failure to take the chapter tests or final exam at the end of the semester will result in a grade of zero. No make-up exams are allowed. If Internet or browser failure occurs, contact instructor immediately. A decision will be made at that time if the exam will be reset. Instructor reserves the right to deduct points from the exam scores for exceeding the scheduled time limit on the exam. Assignment due dates are listed on the syllabus. Therefore, you are expected to have the assignment completed at the beginning of class on the date that it is due. **There will be NO MAKEUP of Final Exams!**

**NOTE:** Students who have **NO absences** and **NO tardies** will be allowed to exempt the final exam. Students who have absences that are excused under STC's attendance policy are not excused to exempt the final exam—**no exceptions!**

### **ACADEMIC DISHONESTY POLICY**

The STC Academic Dishonesty Policy states All forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline. The policy can also be found in the STC Catalog and Student Handbook.

### **PROCEDURE FOR ACADEMIC MISCONDUCT**

The procedure for dealing with academic misconduct and dishonesty is as follows:

### 1. First Offense

Student will be assigned a grade of "0" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

### 2. Second Offense

Student is given a grade of "WF" for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

### 3. Third Offense

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of third offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.

Written Assignments- Drop Box

Standard

Grade	Description
A = 95	The A paper engages the reader’s interest and shows strength of composition: clear, logical ideas; original thought; careful word choice and effective phrasing; no serious errors; and concentration on main purpose, with strong development and support.
B = 85	The B paper shows strength in most areas of composition: a clearly stated central purpose along with logical and adequate development. It includes one (1) serious error. Although showing competence, the B paper lacks the original thought and style that characterize an A paper.
C = 75	The C paper is a satisfactory composition with a worthwhile central development. Although it may be organized clearly and logically, its paragraphs may not be as fully developed as those in a B paper. It may have up to two (2) serious errors. While a C paper may have correction marks on it, it lacks clarity of thought and expression to be considered above average.
D= 65	The D paper indicates below-average achievement in expressing ideas correctly, sensibly, and effectively. A D paper contains three (3) serious errors and fails to present a central idea or to develop it adequately.
F = 55	The F paper may have one or more of the following problems: four (4) or more serious errors in grammar, spelling, punctuation, and sentence structure; missing or vague main idea; incomplete development or lack of specific support, or failure to follow directions.
0= No credit received	Plagiarism: Copying word-for-word from an outside source of information without giving proper credit.
