STUDENT REQUIREMENTS (ONLINE)

Students are expected to complete all work required by the instructor and to attend the required proctored campus exam. Students will have at least one week to complete tests and assignments. All tests and assignments are due no later than 11:59 p.m. Monday of each week, but may be submitted earlier. Students are expected to prove weekly academic engagement by meeting assignment deadlines each week and spending a minimum of 37.5 hours during the semester doing the required homework, quizzes, and tests. Students are expected to communicate frequently through college email and discussion boards. College email and other STC resources can be accessed from the [mySTC](#) tab on STC's Website. Email can also be accessed in the menu of your Blackboard course.

- Students are responsible for working on course material individually and are responsible for communicating questions of concern to the instructor in a timely manner. Students are expected to

complete all tests and assignments by the due dates.

- Students are responsible for reading this syllabus/lesson plan and policies/procedures in the STC Catalog and Handbook as well as the Online Course Orientation. All online students must post a pledge that they have read and understand the syllabus and STC Online Orientation policy. The Pledge should be posted in Blackboard within the “Getting Started” link within the first three days of the semester.
- Students are responsible for checking emails and Blackboard announcements daily. Students must use their Student Email as the method of communication.
- Students are required to post an introduction of him/herself within the first three days of class. The Introduction should be posted in Blackboard within the “Getting Started” link within the first three days of the semester.
- Students are required to take chapter quizzes. Quizzes are posted in the weekly folders located in the “*Weekly Assignment Schedule*” link. Exams must be taken by the due date posted in the lesson plan part of the syllabus. Students are allowed to complete weekly assignments early so no make ups will be given for missed assignments. Any student who does not take a quiz by the due date will be given a grade of zero. ATTENTION: Once any quiz/test has begun, students cannot move away from it, or refresh the screen or the system will submit it automatically whether it has actually been completed or not.
- Students are required to take two tests during the semester. A midterm test and a final (proctored) test. ATTENTION: Once any test or quiz has begun, students cannot move away from the test/quiz, or refresh the screen or the system will submit it automatically whether it has actually been completed or not.
 - The Mid-term test will be available for students to take online from their home or elsewhere. Due date for the midterm test is located in the lesson plan portion of this syllabus. Failure to take the midterm test within the allowed timeframes will result in a grade of zero. No make ups will be allowed.
 - The Proctored Final test must be taken in person at STC on either of the two designated dates and campuses. Failure to take this proctored test will result in a grade F for this course. See the “Proctored” section of this syllabus below for more detailed information.
- Students are required to submit chapter Homework Assignments. Questions for homework assignments are posted in the weekly folders located in the “*Weekly Assignment Schedule*” link and must be submitted by the due date posted in the lesson plan part of the syllabus. Students are required to submit all homework assignments in the designated weekly Drop Box. Failure to submit homework by that week’s due date will result in a grade of zero. Students are allowed to turn in homework assignments early so no submissions will be accepted late. **HOMEWORK INSTRUCTIONS:** *Access the course and click on the “Course Work/Lessons” folder. Then go into the individual “Weekly Assignment Schedule” folder to find the chapter work due for a particular week. Click on the appropriate weekly chapter to find the appropriate homework assignment. Then click the “browse my computer” button to find the file you want to attach. Then click “submit” and it will attach the file. This will submit your homework file to the weekly drop box for grading. NOTE: THIS IS THE ONLY WAY ASSIGNMENTS WILL BE ACCEPTED FOR THIS CLASS. IF YOU HAVE ANY SPECIFIC QUESTIONS REGARDING ASSIGNMENTS, PLEASE EMAIL ME. DO NOT TYPE YOUR ASSIGNMENTS IN THE COMMENTS BOX. YOU MUST COMPLETE THE ASSIGNMENTS IN MICROSOFT WORD FORMAT (.doc or .docx) AND THEN ATTACH THE FILE IN THE DROP BOX FOR GRADING.*
- Students are required to participate in Discussion Topic assignments. Students are required to respond to the Discussion Topic and are also required to reply to one other student’s post in order to get full credit for the assignment. (See the *Discussion Board Grading Rubric* below.) Failure to post your response and reply by that week’s due date will result in a grade of zero. Students are allowed to post discussion topics early so no posts or replies will be accepted late. Discussion Board responses and replies must be at least 4-5 sentences. Comments must be written in complete sentences using correct spelling and grammar. Simply stating “yes or no” or “agree or disagree” is not sufficient and will not be accepted. Do not copy any other students’ post/reply. It is considered plagiarism and will not be accepted.

Regardless of vaccination status, students are highly encouraged to wear masks or face coverings while in a classroom or lab at Southeastern Technical College. Masking may be implemented in some program areas (i.e. Health Sciences and Cosmetology) where students, faculty, and clients are in close proximity and social distancing cannot be maintained. This measure is being implemented to reduce COVID-19 related health risks for everyone engaged in the educational process. Masks or face coverings must be worn over the nose and mouth, in accordance with the Centers for Disease Control and Prevention (CDC).

We encourage individuals to monitor for the signs and symptoms of COVID-19 prior to coming on campus.

If you have experienced the symptoms listed below or have a body temperature 100.4°F or higher, we encourage you to self-quarantine at home and contact a primary care physician's office, local urgent care facility, or health department for further direction. Please notify your instructor(s) by email and do not come on campus for any reason.

Have had close contact with or are caring for an individual diagnosed with COVID-19 at home (not in healthcare setting), please do not come on campus and contact your instructor (s).

COVID-19 SELF-REPORTING REQUIREMENT

Students, regardless of vaccination status, who test positive for COVID-19 or who have been exposed to a COVID-19 positive person, are required to self-report using <https://www.southeasterntech.edu/covid-19/>. Report all positive cases of COVID-19 to your instructor and [Stephannie Waters](mailto:swaters@southeasterntech.edu), Exposure Control Coordinator, swaters@southeasterntech.edu, 912-538-3195.

ONLINE ATTENDANCE

It is the student's responsibility to be academically engaged each week doing course related activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an "F" (Failing 0-59) in a course.

Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Students will have at least one week to complete tests and assignments. **All tests and assignments are due no later than 11:59 p.m. on Monday of each week, but can be submitted earlier.** Exceptions to the due dates of assignments due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

STUDENTS WITH DISABILITIES

Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact the appropriate campus coordinator to request services.

Swainsboro Campus: [Daphne Scott dscott@southeasterntech.edu](mailto:dscott@southeasterntech.edu), 478-289-2274, Building 1, Room 1210

Vidalia Campus: [Helen Thomas hthomas@southeasterntech.edu](mailto:hthomas@southeasterntech.edu), 912-538-3126, Building A, Room 165

SPECIFIC ABSENCES

Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

PREGNANCY

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please make arrangements with the appropriate campus coordinator.

Swainsboro Campus: [Daphne Scott dscott@southeasterntech.edu](mailto:dscott@southeasterntech.edu), 478-289-2274, Building 1, Room 1210

Vidalia Campus: [Helen Thomas hthomas@southeasterntech.edu](mailto:hthomas@southeasterntech.edu), 912-538-3126, Building A, Room 165

It is strongly encouraged that requests for consideration be made **PRIOR** to delivery and early enough in the pregnancy to ensure that all the required documentation is secured before the absence occurs. Requests made after delivery **MAY NOT** be accommodated. The coordinator will contact your instructor to discuss accommodations when all required documentation has been received. The instructor will then discuss a plan with you to make up missed assignments.

WITHDRAWAL PROCEDURE

Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% point of the term in which student is enrolled (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" (Withdrawn) is assigned for the course(s) when the student completes the withdrawal form.

Important – Student-initiated withdrawals are not allowed after the 65% point. After the 65% point of the term in which student is enrolled, the student has earned the right to a letter grade and will receive a grade for the course. Please note: Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of "F" (Failing 0-59) being assigned.

Informing your instructor that you will not return to his/her course, does not satisfy the approved withdrawal procedure outlined above.

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. A grade of "W" will count in attempted hour calculations for the purpose of Financial Aid.

PROCTORED EVENT REQUIREMENT

In order to validate student identity for all online courses, students enrolled in online courses are **required** to complete one proctored event per online course. The proctored event will be administered on separate days—once on the Vidalia campus and once on the Swainsboro campus. Students must attend one of the

proctored sessions as scheduled on the Lesson Plan/Course Calendar. The event will be monitored by the instructor or by an approved proctor. The proctored event may be a major exam, assignment, or presentation, etc. that will count a minimum of 20% of the course grade. Students must attend one of the scheduled proctored sessions and will need to make arrangements with work, childcare, etc. The specific dates of the proctored event are scheduled on the Lesson Plan/Calendar for the online course.

Students living farther than 75 miles from either campus who cannot come to Southeastern Tech for the event must secure an approved proctoring site. The site and the proctor must meet Southeastern Technical College's requirements (instructor will provide more information and necessary forms if this is the case).

Note: Students taking proctored events off campus will utilize the Proctor Scheduling and Approval Form found in Blackboard within the Getting Started/Start Here and Proctoring Event area. The completed form should be submitted to the course instructor a minimum of two weeks prior to the proctored event. If approved, the instructor will notify the proctor.

Students arranging off-campus proctoring must take the event on one of the originally scheduled days. Students who do not complete the proctored event as scheduled must submit a valid documented excuse within three business days after the scheduled event. If the excuse is approved by the instructor of the course, students must make arrangements with the instructor to makeup/reschedule the missed event. The penalty and makeup instructions will be at the instructor's discretion. Proctored events will be given after the 65% point of the semester. Students who do not complete the proctored event on the scheduled date and do not present a valid documented excuse within three business days of the scheduled event will be given a zero for the proctored event.

PROCTORING FEES

Students are not charged a proctoring fee when taking a proctored event at Southeastern Technical College or any other TCSG college. Students who choose to use an off-campus proctor may be assessed a proctoring fee by the proctoring site. In this instance, the student is responsible for payment.

The required proctored event for this class (Final Test) is scheduled on the following dates and times: Swainsboro Campus, Building 2, Room 2159 on Tuesday July 26 anytime between 8:30 a.m. – 1:00 p.m. and Vidalia Campus, Gillis Building, Room 830 on Wednesday July 27 anytime between 8:30 a.m. – 1:00 p.m. Email the instructor to inform which day/location and time you will come to take the proctored final test.

MAKEUP GUIDELINES (TESTS, QUIZZES, HOMEWORK, PROJECTS, ETC.)

No make-ups will be allowed for any missed tests, quizzes, chapter homework, and discussion board topics. A grade of zero will be given for all assignments not completed by the respective due date. The proctored final test must be taken on either of the dates indicated in the syllabus/lesson plan and no make-ups are allowed unless a valid documented excuse is approved by the instructor.

ACADEMIC DISHONESTY POLICY

The Southeastern Technical College Academic Dishonesty Policy states that all forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline. The policy can also be found in the Southeastern Technical College Catalog and Handbook.

PROCEDURE FOR ACADEMIC MISCONDUCT

The procedure for dealing with academic misconduct and dishonesty is as follows:

1. First Offense

Student will be assigned a grade of "0" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the

incident into Banner for tracking purposes.

2. Second Offense

Student is given a grade of "WF" (Withdrawn Failing) for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

3. Third Offense

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of third offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.
