GENERAL EDUCATION CORE COMPETENCIES: STC has identified the following general education core competencies that graduates will attain:

- a. The ability to utilize standard written English.
- b. The ability to solve practical mathematical problems.
- c. The ability to read, analyze, and interpret information.

STUDENT REQUIREMENTS: Class attendance is a very important aspect of a student's success in this course. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is expected. Students are expected to complete all work required by the

instructor. Exceptions to the due dates of assignments due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor. There may be unannounced quizzes/assignments to discourage tardiness/absences. Students that miss an unannounced quiz or assignment will receive a grade of 0.

Students are expected to complete test and assignments by the due dates listed in the lesson plan. A ten (10) point penalty may be assessed for each day an assignment is late. No assignment may be accepted if turned in 3 days past due date. Students are responsible for policies and procedures included in the *STC Catalog*.

Students should read each chapter in preparation for the exam and answer the assigned chapter questions at the end of each chapter. Each student should turn in the questions by the date listed on the lesson plan. The chapters due will also be listed on the lesson plan. The chapters listed will be the chapters that will be covered on the upcoming exam. Do not answer chapter questions with a "yes or no" answer. Provide reasons in support of your "yes or no" answer and support your opinion about the issue within the question. Questions that are not received within 3 days of the due date may receive a 0 on the assignment.

In addition, students will be assigned vocabulary for each chapter. If a vocabulary assignment is given, the student will not have to complete the vocabulary assignment from that chapter. When vocabulary is assigned, students may be given a vocabulary quiz on a date specified by the instructor.

Students will be required to participate in class discussions and provide their opinion on the discussion topic. The responses should include your reasoning in support of or in opposition with your classmate's responses. Students are encouraged to provide their honest opinions even it is in disagreement with fellow students but all students should be professional in their response to classmates. Students must be constructive in their class discussions.

The instructor may assign additional assignments and assign the points for those assignments as deemed appropriate.

There will be 2 exams given throughout the semester. There is a lesson plan posted with the syllabus that details the chapters covered on each exam and the date for the exam. It is the responsibility of the student to check the lesson plan and be prepared for the exam on the date specified for the exam.

In addition to the 2 chapter exams, there will be a midterm and final exam. The midterm exam will include material that has been covered prior to the midterm of the semester. The final exam will include material that has been covered after midterm of the semester.

ATTENDANCE GUIDELINES: Class attendance is a very important aspect of a student's success. Being absent from class prevents students from receiving the full benefit of a course and also interrupts the learning process. Southeastern Technical College considers both tardiness and leaving early as types of absenteeism. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is required for student success. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Instructors have the right to give unannounced quizzes/assignments. Students who miss an unannounced quiz or assignment will receive a grade of 0. Students who stop attending class, but do not formally withdraw, may receive a grade of F and face financial aid repercussions in upcoming semesters.

Instructors are responsible for determining whether missed work may be made up and the content and dates for makeup work is at the discretion of the instructor.

Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws,

stops attending, or receives an F in a course.

WITHDRAWAL PROCEDURE: Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% portion of the semester (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" is assigned when the student completes the withdrawal form from the course.

Students who are dropped from courses due to attendance (see your course syllabus for attendance policy) after drop/add until the 65% point of the semester will receive a "W" for the course. Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of 'F' being assigned.

After the 65% portion of the semester, the student will receive a grade for the course. (Please note: A zero will be given for all missed assignments.)

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. All grades, including grades of 'W', will count in attempted hour calculations for the purpose of Financial Aid.

Remember - Informing your instructor that you will not return to his/her course does not satisfy the approved withdrawal procedure outlined above.

MAKEUP GUIDELINES (Tests, quizzes, homework, projects, etc...): Make-up exams will only be given when the student provides a legitimate excuse for missing the exam on the scheduled date. If the student does not make contact by email or phone with the instructor within 2 days of the scheduled exam date, then a grade of 0 may be given for the exam. Also, students who do not take the exam on the scheduled date will not be awarded any bonus or extra credit points that may be given by the instructor on the exam.
