STUDENT REQUIREMENTS:

ENGL 0090 is a personalized learning environment and computerized base learning is the primary mode of content delivery. Therefore, student requirements are as follows:

1. Students are expected to complete all assignments required by the Path Builder of the student's *MyWritingLab*.
2. Students are expected to be on task with the assignments while in the *MyWritingLab* classroom.
3. Students should plan to work outside of the *MyWritingLab* classroom in order to complete the modular assignments of the *MyWritingLab* Learning Path.

9. While this is a Personalized Learning environment and the majority of the course work is completed in computerized modular format, a writing component is attached to Module 5, Module 6, and Module 7. These written assessments must be completed at the end of each module. The written assignments of ENGL 0090 will not be accepted at any other time during the course. As well, these written assignments must be completed before the last day of class and must be completed before the student takes the Mastery Skills Test (comprehensive final).

ATTENDANCE GUIDELINES:

Class attendance is a very important aspect of a student's success. Being absent from class prevents students from receiving the full benefit of a course and also interrupts the learning process. Southeastern Technical College considers both tardiness and leaving early as types of absenteeism. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is required for student success. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

TRADITIONAL ATTENDANCE ADDENDUM: This class meets 2 days a week for 9 weeks which is equivalent to 18 class meetings. **The maximum number of days a student may miss for this class is equivalent to 2 class days during the semester including tardiness and early departure infractions. (Minutes are counted as absence time for tardies or early departures which are excessive in time-frame.) (Any tardy or early departure that is over 1/3 of the class time will be counted as 1/2, 3/4, or a full absence upon the discretion of the instructor.)**

SPECIAL NEEDS:

Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact Jan Brantley, Room 1208 Swainsboro Campus, 478-289-2274, or Helen Thomas, Room 108 Vidalia Campus, 912-538-3126, to coordinate reasonable accommodations.

SPECIFIC ABSENCES:

Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

PREGNANCY:

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please advise me and make appropriate arrangements with the Special Needs Office. Swainsboro Campus: Jan Brantley, Room 1208, (478) 289-2274 -- Vidalia Campus: Helen Thomas, Room 108, (912) 538-3126.

WITHDRAWAL PROCEDURE:

Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% portion of the semester (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" is assigned when the student completes the withdrawal form from the course.

Students who are dropped from courses due to attendance (see your course syllabus for attendance policy) after drop/add until the 65% point of the semester will receive a "W" for the course. Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of 'F' being assigned.

After the 65% portion of the semester, the student will receive a grade for the course. (Please note: A zero will be given for all missed assignments.)

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be accessed due to the withdrawal. All grades, including grades of 'W', will count in attempted hour calculations for the purpose of Financial Aid.

Remember - Informing your instructor that you will not return to his/her course does not satisfy the approved withdrawal procedure outlined above.

MAKEUP GUIDELINES:

ENGL 0090 is a personalized learning environment; therefore, no makeup guidelines are applicable for this course. Students are expected to complete all components of each assignment.

ACADEMIC DISHONESTY POLICY:

The STC Academic Dishonesty Policy states *All forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline.* The policy can also be found in the *STC Catalog and Student Handbook*.
