**This course is taught in a hybrid format. Hybrid classes require students to complete a portion of the required contact hours traditionally by attending classes on campus while completing the remaining portion online at the student's convenience with respect to the instructor's requirements.**

#### **SOUTHEASTERN TECHNICAL COLLEGE (STC) CATALOG AND HANDBOOK**

Students are responsible for all policies and procedures and all other information included in Southeastern Technical College's [Catalog and Handbook \(http://www.southeasterntech.edu/student-affairs/catalog-handbook.php\)](http://www.southeasterntech.edu/student-affairs/catalog-handbook.php).

#### **REQUIRED TEXT**

Introduction to Health Care- Custom Book and MindTap Access Code by Mitchell & Haroun (Must be purchased in STC bookstore)

Heartsaver First Aid. American Heart Association 2015 Guidelines

BLS for Healthcare Providers Student Manual. American Heart Association 2015 Guidelines

#### **REQUIRED SUPPLIES & SOFTWARE**

Pencils, Paper, reliable computer and reliable internet access (Firefox is recommended- DO NOT use Internet Explorer). Students will also need an adult and infant CPR mask which should be purchased in the STC bookstore.

Note: Although students can use their smart phones and tablets to access their online course(s), exams,

discussions, assignments, and other graded activities should be performed on a personal computer. Neither Blackboard nor Georgia Virtual Technical Connection (GVTC) provide technical support for issues relating to the use of a smart phone or tablet so students are advised to not rely on these devices to take an online course.

**Students should not share login credentials with others and should change passwords periodically to maintain security.**

### **COURSE DESCRIPTION**

Introduces a grouping of fundamental principles, practices, and issues common in the health care profession. In addition to the essential skills, students explore various delivery systems and related issues. Topics include: basic life support/CPR, basic emergency care/first aid and triage, vital signs, infection control/blood and air-borne pathogens.

### **MAJOR COURSE COMPETENCIES**

1. Infection control/blood and air-borne pathogens
2. Vital Signs
3. Basic emergency care/first aid and triage
4. Basic life support/CPR

### **PREREQUISITE(S)**

Provisional Admission

### **COURSE OUTLINE**

#### **Infection Control/blood and air-borne pathogens**

<b>Order</b>	<b>Description</b>	<b>Learning Domain</b>	<b>Level of Learning</b>
1	Differentiate the roles, standards, and guidelines for the following agencies: Center for Disease Control and Prevention (CDC); Occupational Health and Safety Administration (OSHA); and Federal Drug Administration (FDA).	Cognitive	Analysis

1	Acquire certification in CPR for Healthcare Providers (including 2 person CPR) by a certified instructor from American Heart Association.	Cognitive	Application

### GENERAL EDUCATION CORE COMPETENCIES

Southeastern Technical College has identified the following general education core competencies that graduates will attain:

1. The ability to utilize standard written English.
2. The ability to solve practical mathematical problems.
3. The ability to read, analyze, and interpret information.

### STUDENT REQUIREMENTS (HYBRID)

**Hybrid (MindTap) Assignments:** Students are required to complete assignments in Blackboard utilizing MindTap for the hybrid portion of the course. Graded assignments (those with due dates assigned) are due by 8:00 am the morning of each corresponding test. See lesson plan for detailed due dates. Any missed graded assignment will result in a grade of zero.

## Evaluation Procedures

Students will be given multiple written examinations throughout the semester and 1 final exam at the end of the semester. **A final chapter/unit test average of 70 or higher is required to sit for the final** (grades of 69.9 will not be rounded up). If the student has below a 70 average, the student will be given a final exam grade of "0". The final exam grade is 20% of the course grade. No grades are dropped.

### **Skill Performance Evaluations:**

The following skill performance evaluations will be conducted throughout the semester. The student will be given specified equipment and supplies (except a watch and CPR resuscitation mask), time for completion, and 3 possible attempts to complete the skill. Students will be graded pass or fail.

#### Chapter 10

Handwashing

Donning sterile gloves

Applying & removing mask, gown and gloves

#### Chapter 20

Taking Oral temperature

Taking Tympanic temperature

Taking Radial pulse

Counting Respirations

Taking Blood Pressure

Measuring Height and Weight

#### CPR Skills

1 and 2 Rescuer Adult BLS with AED

1 and 2 Rescuer Infant BLS

#### First Aid Skills

Finding the Problem

Stopping Bleeding and Bandaging

Splinting

Using an Epinephrine Pen

### **CPR:**

Since CPR is a critical competency for this course, an American Heart Association mandated grade of 84% or higher must be achieved on the CPR test along with passing the CPR skill check-offs in order to pass the class. In the event of a failing grade on the test, students will be given the opportunity to remediate and retest once. After passing the second test, the two tests will be averaged together and recorded for the CPR test grade for this class. Failure to pass the second CPR Test will require student to repeat ALHS 1040.

If a student is already certified in BLS/CPR, and has a current BLS card, they still must attend the CPR class and take the CPR test. **Any exception(s) to this requirement will require Dean approval and would only be in some exceptional circumstance.** If the student is approved, he or she must re-take the CPR test (student is allowed only one chance) with the class and must pass with a grade of 84 or higher. However, if the student scores less than 84, they must attend the CPR class. Since the CPR test is given at the end of the CPR class, the student may need to re-take the CPR class with Tommy Jenkins. The student may contact Tommy Jenkins, STC Training Center Manager, at 912-538-3200 to schedule a makeup class additional fees will apply. The two CPR test will be averaged together.

If a student **misses CPR or First Aid**, he or she **will not be allowed to makeup these classes with the instructor**. Unless there is another CPR class the student can attend, the student may contact Tommy Jenkins, STC Training Center Manager, at 912-538-3200 to schedule a makeup class additional fees will apply. Remember all skills and tests must be completed prior to taking the final test and the test makeup rule still applies.

For CPR classes you must arrive on time. Wear Comfortable Clothing But Must Be Appropriate For Class. No low cut tops. Pants must fit so that when bending over there is no exposure of the buttocks. Anyone dressed inappropriately will be dismissed from the class.

**CPR dates have extended class time. Please see the lesson plan for dates and extended times.**

#### WORKSHEETS

Worksheets will be given out for chapters 9-11 and 20. Worksheets will be completed outside of class time. The completed worksheets must be turned in prior to taking the corresponding test. If the worksheets are not completed or turned in the student will not be allowed to test and will receive a grade of zero.

#### HYBRID ATTENDANCE

Class attendance is a very important aspect of a student's success. Being absent from class prevents students from receiving the full benefit of a course and interrupts the learning process. Southeastern Technical College considers both tardiness and leaving early as types of absenteeism. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is required for student success. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

Instructors have the right to give unannounced quizzes/assignments. Students who miss an unannounced quiz or assignment will receive a grade of 0. Students who stop attending class, but do not formally withdraw, may receive a grade of "F" (Failing 0-59) and face financial aid repercussions in upcoming semesters.

Instructors are responsible for determining whether missed work may be made up and the content and dates for makeup work is at the discretion of the instructor.

Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws, stops attending, or receives an "F" in a course.

#### STUDENTS WITH DISABILITIES

Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact the appropriate campus coordinator to request services.

Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

**Swainsboro Campus:** Macy Gay [mgay@southeasterntech.edu](mailto:mgay@southeasterntech.edu), 478-289-2274, Building 1, Room 1208

**Vidalia Campus:** Helen Thomas [hthomas@southeasterntech.edu](mailto:hthomas@southeasterntech.edu), 912-538-3126, Building A, Room 108

#### PREGNANCY

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the

course. If you think you will need accommodations due to pregnancy, please make arrangements with the appropriate campus coordinator.

**Swainsboro Campus:** Macy Gay [mgay@southeasterntech.edu](mailto:mgay@southeasterntech.edu), 478-289-2274, Building 1, Room 1208

**Vidalia Campus:** Helen Thomas [hthomas@southeasterntech.edu](mailto:hthomas@southeasterntech.edu), 912-538-3126, Building A, Room 108

It is strongly encouraged that requests for consideration be made **PRIOR** to delivery and early enough in the pregnancy to ensure that all the required documentation is secured before the absence occurs. Requests made after delivery **MAY NOT** be accommodated. The coordinator will contact your instructor to discuss accommodations when all required documentation has been received. The instructor will then discuss a plan with you to make up missed assignments.

### **WITHDRAWAL PROCEDURE**

Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% point of the term in which student is enrolled (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of "W" (Withdrawn) is assigned for the course(s) when the student completes the withdrawal form.

Important – Student-initiated withdrawals are not allowed after the 65% point. After the 65% point of the term in which student is enrolled, the student has earned the right to a letter grade and will receive a grade for the course. Please note: Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of "F" (Failing 0-59) being assigned.

Informing your instructor that you will not return to his/her course, does not satisfy the approved withdrawal procedure outlined above.

There is no refund for partial reduction of hours. Withdrawals may affect students' eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be assessed due to the withdrawal. A grade of "W" will count in attempted hour calculations for the purpose of Financial Aid.

**Remember** - Informing your instructor that you will not return to his/her course does not satisfy the approved withdrawal procedure outlined above.

### **MAKEUP GUIDELINES (TESTS, QUIZZES, HOMEWORK, PROJECTS, ETC.)**

**HYBRID-** There are no make-ups allowed for hybrid assignments, including MindTap. Any assignment missed in Blackboard will receive a grade of zero.

**CLASSROOM-** In the event of an absence on an exam day, the student will be allowed to make-up **one** test (excluding the final exam) which will be given at the discretion of the instructor. A grade of "0" will be given to all subsequent tests missed. The make-up test may or may not be the same as the original test. It may also be a different test format. Failure to show up for a make-up test results in a grade of zero.

An excused absence is jury duty, military duty, court duty, or required job training. Other excused absences may also include illness, hospitalization or a death in the student's immediate family. Official, written documentation such as a subpoena or a doctor's excuse must be provided by the student prior to taking the make-up exam. The instructor reserves the right to refuse for the student to take the make-up exam based on the merit of the documentation.

Any exceptions to the makeup guidelines for this class will require instructor approval and would only be allowed for exceptional circumstances.

## **ACADEMIC DISHONESTY POLICY**

The Southeastern Technical College Academic Dishonesty Policy states that all forms of academic dishonesty, including but not limited to cheating on tests, plagiarism, collusion, and falsification of information, will call for discipline. The policy can also be found in the Southeastern Technical College Catalog and Handbook.

## **PROCEDURE FOR ACADEMIC MISCONDUCT**

The procedure for dealing with academic misconduct and dishonesty is as follows:

### **1. First Offense**

Student will be assigned a grade of "0" for the test or assignment. Instructor keeps a record in course/program files and notes as first offense. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus. The Registrar will input the incident into Banner for tracking purposes.

### **2. Second Offense**

Student is given a grade of "WF" (Withdrawn Failing) for the course in which offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

### **3. Third Offense**

Student is given a grade of "WF" for the course in which the offense occurs. The instructor will notify the student's program advisor, academic dean, and the Registrar at the student's home campus indicating a "WF" has been issued as a result of third offense. The Vice President for Student Affairs, or designee, will notify the student of suspension from college for a specified period of time. The Registrar will input the incident into Banner for tracking purposes.

## **STATEMENT OF NON-DISCRIMINATION**

The Technical College System of Georgia (TCSG) and its constituent Technical Colleges do not discriminate on the basis of race, color, creed, national or ethnic origin, gender, religion, disability, age, political affiliation or belief, genetic information, disabled veteran, veteran of the Vietnam Era, spouse of military member, or citizenship status (except in those special circumstances permitted or mandated by law). This nondiscrimination policy encompasses the operation of all technical college-administered programs, federally financed programs, educational programs and activities involving admissions, scholarships and loans, student life, and athletics. It also applies to the recruitment and employment of personnel and contracting for goods and services.

All work and campus environments shall be free from unlawful forms of discrimination, harassment and retaliation as outlined under Title IX of the Educational Amendments of 1972, Title VI and Title VII of the Civil Rights Act of 1964, as amended, the Age Discrimination in Employment Act of 1967, as amended, Executive Order 11246, as amended, the Vietnam Era Veterans Readjustment Act of 1974, as amended, Section 504 of the Rehabilitation Act of 1973, as amended, the Americans With Disabilities Act of 1990, as amended, the Equal Pay Act, Lilly Ledbetter Fair Pay Act of 2009, the Georgia Fair Employment Act of 1978, as amended, the Immigration Reform and Control Act of 1986, the Genetic Information Nondiscrimination Act of 2008, the Workforce Investment Act of 1998 and other related mandates under TCSG Policy, federal or state statutes.

The Technical College System and Technical Colleges shall promote the realization of equal opportunity through a positive continuing program of specific practices designed to ensure the full realization of equal opportunity.

The following individuals have been designated to handle inquiries regarding the nondiscrimination policies:
