3. The ability to read, analyze, and interpret information.

All students pursuing a degree, a diploma, or a Technical Certificate of Credit with a General Education component will be required to pass the General Education Competency Exams prior to graduation.

**STUDENT REQUIREMENTS (Online):**
Online courses require students to be academically engaged each week doing course related activities. The completion dates of these activities will be used to determine a student's last date of attendance in the event a student withdraws or receives an F in a course. A student's last date of attendance can have a negative effect on his/her financial aid and academic progress.

Students are expected to complete all work required by the instructor and to attend the required proctored campus exam.
All tests and assignments due dates are discussed in the appropriate module. Note that all modules in the course are available. You should review the modules for assignments. Contact the instructor early with any questions. Any assignment not submitted by the due date will receive a zero (0). You may work ahead in the course and submit assignments, but the assignments will not be graded when submitted; assignments will be evaluated or graded as a class. *Late assignments will not be accepted.* Course assignments that will not open, are not dropped in the appropriate location, are not submitted as directed will receive a (0) zero. NO EXCEPTIONS. I do not drop grades. I do not give extra credit assignments.

All assignments must be submitted through the ANGEL Online Learning Management System and must be created in Microsoft Word. Speech presentations will be submitted to YouTube.

For quality work in presentations, emails, and discussion boards, use proper grammar, correct spelling, and writing practices. Points will be deducted for work that does not meet this requirement.

Students are required to use APA Guidelines to document all research material in outlines and written speeches. The public speaking class is not designed to reach APA documentation or writing skills. Students should understand this concept prior to enrolling in the course.

To ensure that you remain on the SPCH 1101 roster and a member of the class, you must access ANGEL and submit Post 1 by Tuesday, May 26, 2015, by 5:00 p.m. After that time, any student who has not submitted this Post will be marked a “No Show” and will be removed from the course. The last day to drop SPCH 1101 is Tuesday, May 26, 2015.

**IMPORTANT:**

1. Lack of knowledge of ANGEL username and/or password or the lack of knowledge of username or password required to obtain access to the computers on the STC campus is not an instructor issue. Do not contact me about this!

2. Personal computer issues are not my concern. Be sure that you have a backup plan should you encounter technology issues. Assignment due dates will not be changed because of computer difficulties.

3. Ensure that you have knowledge of attaching files to emails and knowledge of the discussion board feature in ANGEL.

I am the instructor of the course; I do not have access to usernames, passwords, or software that you may need to add to your computer in order for you to complete assignments in this course.

**VIDEOING AND SUBMITTING OF SPEECHES:**
You are responsible for videoing and submitting your speeches. If you do not have a YouTube account, you will need to create one. Speech presentations will be uploaded to your YouTube account for instructor viewing and for grading. As well, at the discretion of the instruction, your presentation may be made public for your classmates to view. You will email me the link to view your presentation.

*When recording your speeches, you must have an audience of at least 10 – 15 adults.* There should be no children or pets in the video. The video must begin with a clear view of the audience and clearly show 10 – 15 adults in the audience before surrendering the video camera to one of the audience members to complete the video of your speech. All coursework will be completed online and not in a physical classroom; however, to meet the state standards for a public speaking course, all speeches must have an audience.

The speech video must be presented in one-take and not contain edits. The speaker should be taped standing,
and the video should show a full body view. It is the student’s responsibility to check the video before posting to make sure the video is clear, the speaker can be seen clearly, and the sound check should be clear and loud enough to be heard and evaluated by the instructor and also by your classmates. Please do not stand in front of a light or a window because this affects the visibility of the video. Please do not stand behind a lectern or a counter-top which might hide the speaker’s body language and movements. The instructor will not attempt to grade a speech video that cannot be seen or heard.

All speech presentations and outlines which include researched materials, PowerPoint presentations, and handouts will be the individual work of each student registered for the course.

Students are required to present ONE group project with their assigned speech group. It will be necessary for speech group members to meet one or two times during the semester. They will need to meet once to plan and prepare for the group presentation and another time to video the presentation. **This speech will also require a physical audience of 10 – 15 adults.**

If you do not have access to a video camera and cannot secure an audience of 10 – 15 adults, please drop this online class and take this class on-campus.

You are responsible for the ability to produce and submit your videos. Do not contact me with technology issues. This is an online speech class, and this format requires a great deal more technology knowledge than the traditional face-to-face setting.

**PROCTORED EVENT REQUIREMENT:**

In order to validate student identity for all online courses, students enrolled in online courses are required to complete one proctored event per online course. The proctored event may be a major exam, assignment, or presentation, etc. that will count a **minimum of 20% of the course grade.** Online students will be required to take the Proctored Event on the instructor’s home campus; the event will be monitored by the instructor or another STC employee. Students must attend one of the scheduled proctored sessions and will need to make arrangements with work, childcare, etc. The specific dates of the proctored event are scheduled on the Lesson Plan/Calendar for the online course. Students living further than 75 miles from campus who cannot come to Southeastern Tech for the event must secure an approved proctoring site. The site and the proctor must meet Southeastern Technical College’s requirements (instructor will provide more information and necessary forms if this is the case).

**Note:** Students taking proctored events off campus will utilize the Proctor Scheduling and Approval Form found under the Proctoring Tab in ANGEL and submit the completed form to their instructor for approval a minimum of two weeks prior to the proctored event. If approved, the instructor will notify the proctor.

Students arranging off-campus proctoring must take the event on the same day(s) it is originally scheduled. Students who do not complete the proctored event as scheduled must submit a valid documented excuse within three business days after the scheduled event. If the excuse is approved, students must make arrangements with the instructor to makeup/reschedule the missed event. The penalty and makeup instructions will be at the instructor’s discretion.

Proctored events will be given between weeks 10 and 13 for Fall and Spring Semesters, and between weeks 6 and 8 for Summer Semester. Students who do not complete the proctored event will receive an F in the course.

As published on STC’s website, any expenses incurred to obtain a proctor will be the responsibility of the student; however, students are not charged a proctoring fee when taking the proctored exam on the campus of Southeastern Tech. Most of Georgia’s technical colleges do not charge to proctor exams for students enrolled in other TCSG colleges. Students who are enrolled at Southeastern Technical College and live out of the state of Georgia or out of the country could incur a proctoring charge. However, in that instance, the instructor would assist the student in locating the least expensive proctor.
The required proctored event for this class will be Thursday, July 27, 2015. The proctored event will be your Small Group Presentation. The time of the event will be posted later.

The proctored event may be recorded. You are not responsible for submitting a recording of this presentation; however, other components of the presentation are required.

**ONLINE ATTENDANCE:**

It is the student’s responsibility to be academically engaged each week doing course related activities. The completion dates of these activities will be used to determine a student’s last date of attendance in the event a student withdraws, stops attending, or receives an F in a course.

Students will not be withdrawn by an instructor for attendance; however, all instructors will keep records of graded assignments and student participation in course activities. Students will be expected to complete all work required by the instructor as described in the individual course syllabus.

**SPECIAL NEEDS:**

Students with disabilities who believe that they may need accommodations in this class based on the impact of a disability are encouraged to contact Jan Brantley, Room 1208 Swainsboro Campus, 478-289-2274, or Helen Thomas, Room 108 Vidalia Campus, 912-538-3126, to coordinate reasonable accommodations.

**SPECIFIC ABSENCES:**

Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, court duty, or required job training will be made at the discretion of the instructor.

**PREGNANCY:**

Southeastern Technical College does not discriminate on the basis of pregnancy. However, we can offer accommodations to students who are pregnant that need special consideration to successfully complete the course. If you think you will need accommodations due to pregnancy, please advise me and make appropriate arrangements with the Special Needs Office.

- Swainsboro Campus: Jan Brantley, Room 1208, (478) 289-2274
- Vidalia Campus: Helen Thomas, Room 108, (912) 538-3126

**WITHDRAWAL PROCEDURE:**

Students wishing to officially withdraw from a course(s) or all courses after the drop/add period and prior to the 65% portion of the semester (date will be posted on the school calendar) must speak with a Career Counselor in Student Affairs and complete a Student Withdrawal Form. A grade of “W” is assigned when the student completes the withdrawal form from the course.

Students who are dropped from courses due to attendance (see your course syllabus for attendance policy) after drop/add until the 65% point of the semester will receive a “W” for the course. Abandoning a course(s) instead of following official withdrawal procedures may result in a grade of ‘F’ being assigned.

After the 65% portion of the semester, the student will receive a grade for the course. (Please note: A zero will be given for all missed assignments.)

There is no refund for partial reduction of hours. Withdrawals may affect students’ eligibility for financial aid for the current semester and in the future, so a student must also speak with a representative of the Financial Aid Office to determine any financial penalties that may be accessed due to the withdrawal. All grades, including grades of ‘W’, will count in attempted hour calculations for the purpose of Financial Aid.

**Remember** - Informing your instructor that you will not return to his/her course does not satisfy the approved withdrawal procedure outlined above.
**PROCTORED EVENT REQUIREMENT:**

In order to validate student identity for all online courses, students enrolled in online courses are **required** to complete one proctored event per online course. The proctored event will be administered on two separate days during the semester—one on the Vidalia campus and once on the Swainsboro campus and will be monitored by the instructor or another STC employee. The proctored event may be a major exam, assignment, or presentation, etc. that will count a minimum of 20% of the course grade. Students must attend one of the scheduled proctored sessions and will need to make arrangements with work, childcare, etc. The specific dates of the proctored event are scheduled on the Lesson Plan/Calendar for the online course. Students living further than 75 miles from either campus who cannot come to Southeastern Tech for the event must secure an approved proctoring site. The site and the proctor must meet Southeastern Technical College's requirements (instructor will provide more information and necessary forms if this is the case). Note: Students taking proctored events off campus will utilize the Proctor Scheduling and Approval Form found under the Proctoring Tab in ANGEL and submit the completed form to their instructor for approval a minimum of two weeks prior to the proctored event. If approved, the instructor will notify the proctor.

Students arranging off-campus proctoring must take the event on one of the originally scheduled days. Students who do not complete the proctored event as scheduled must submit a valid documented excuse within three business days after the scheduled event. If the excuse is approved, students must make arrangements with the instructor to makeup/reschedule the missed event. The penalty and makeup instructions will be at the instructor’s discretion. Proctored events will be given after the 65% point of the semester. **Students who do not complete the proctored event will receive an F in the course.**

As published on STC's website, any expenses incurred to obtain a proctor will be the responsibility of the student; however, students are not charged a proctoring fee when taking the proctored exam on the campus of Southeastern Tech. Most of Georgia’s technical colleges do not charge to proctor exams for students enrolled in other TCSG colleges. Students who are enrolled at Southeastern Technical College and live out of the state of Georgia or out of the country could incur a proctoring charge. However, in that instance, the instructor would assist the student in locating the least expensive proctor.

The required proctored event for this class is scheduled on the following dates and times: Vidalia Campus, (date), (time), (room location) and Swainsboro Campus, (date), (time), (room location). More information will be provided during the first weeks of the class.

**MAKEUP GUIDELINES (Tests, quizzes, homework, projects, etc…):**

This is an online course; therefore, all work is expected to be completed by the due date. If, however, you have extenuating circumstances, schedule an appointment with me to discuss options for the possible late assignment. You will need to provide a written statement explaining these extenuating circumstances and provide a possible solution to the problem.

**ACADEMIC DISHONESTY POLICY:**

--**Second Offense**--

Student is given a grade of "WF" for the course in which offense occurs. The instructor will notify the student's
program advisor, academic dean, and the Registrar at the student’s home campus indicating a "WF" has been issued as a result of second offense. The Registrar will input the incident into Banner for tracking purposes.

2. **Do you have a fear of public speaking?**
   
   Watch the video: *Presentation Skills* by Dianne Booker. Booker presents several tips to help relieve stress during a speech. As you watch the video, prepare a list of the techniques. What is your opinion of these techniques, and which of the techniques do you believe will assist you in relieving some degree of stress? Post your response in the Discussion Forum: Video Techniques.

3. **Drop Box**
   
   Think back on an important conversation you had recently in which you wanted to achieve a particular result. (Examples: Asking your employer to change your work schedule; explaining to a friend how to change the oil and filter in a car; attempting to talk to your spouse or your partner into buying the computer you like rather than the one he or she prefers.) Work up a brief analysis of the conversation. In your analysis, explain the following:
   
   1. Your purpose in the conversation and the
message strategy you chose to achieve your purpose

2. The communication channels used during the conversation and how they affected the outcome

3. The interference – internal or external – your encountered during the conversation

4. The steps you took to adjust to feedback

5. The strategic changes you would make in preparing for and carrying out the conversation if you had to do it over again.

Post your response in the Drop Box: Recent Conversation

4. Video
Watch Malala Yousaf’s speech that she presented to the United Nations General Assembly, delivered July 12, 2013. How does this speech demonstrate the importance of public speaking, cultural diversity in the modern world, and the speech communication process? Post your response in the Discussion Forum: Yousaf’s

5. Ethics:
Look at the story of Felicia Robinson on pages 30 -31 of your textbook. Evaluate her dilemma in light of the guidelines for ethical speechmaking presented in Chapter 2. Explain what you believe would be the most ethical course of action in her case.

Twenty-five points (25) will be deducted if you do not have an audience.

Post the speech to YouTube and provide the link to your speech in the appropriate Discussion Forum in ANGEL. The instructor will grade your speech from this portal and your classmates will be able to see your speech to offer peer evaluation.

The Informative Speech must be uploaded to YouTube by 8:00 a.m., June 22, 2015, and the link must have been submitted in the Discussion Forum in ANGEL by 8:00 a.m., June 22, 2015.

Assignments:
Speech Project 1
After reading Chapter 16, Speaking to Persuade, look back at the story of Nicolas Navarro at the beginning of the chapter. Like Nicolas, most people do a certain amount of persuading every day in normal conversation. Keep a journal of your communication activities for an entire day, making special note of all instances in which you tried to persuade someone else to your point of view. Choose one of these instances and prepare a brief analysis of it.

In your analysis, answer the following questions:
1. Who was the audience for your persuasive effort?
2. What were the “specific purpose” and the “central idea” of your persuasive speech?
3. Did you rehearse your persuasive message ahead of time, or did it arise spontaneously from the situation?
4. Were you successful in achieving your specific purpose?
5. If you face the same situation again, what strategic changes would you make in your persuasive effort?

After composing your document, submit as an attachment in the appropriate Discussion Forum.

Speech Project 2

Select a television commercial that is organized according to Monroe’s Motivated Sequence. Prepare a brief analysis in which you (A) identify the target audience for the commercial and (B) describe each step in the motivated sequence as it appears in the commercial.

After preparing your analysis, submit the document as an attachment in the
appropriate Discussion Forum. Review three of your classmates’ analysis of their selected television commercial. If you are familiar with the commercial, do you agree with the analysis? Respond to the classmates with at least 3 complete sentences for each posting. If you do not agree with the analysis, provide an explanation; however, do not criticize! Explain your rationale for disagreeing with the analysis in a well-developed response. If you are not familiar with the television commercial, inquire where you can locate the commercial. Complete the assignment as stated above.
