

# Plagiarism

## STC Code of Conduct

Any student found to have committed the following misconduct is subject to disciplinary sanctions:

1. Acts of dishonesty, including but not limited to the following:

- Cheating, plagiarism, or other forms of academic dishonesty;

--Code of Conduct, 2016-2017

## Networked Resources

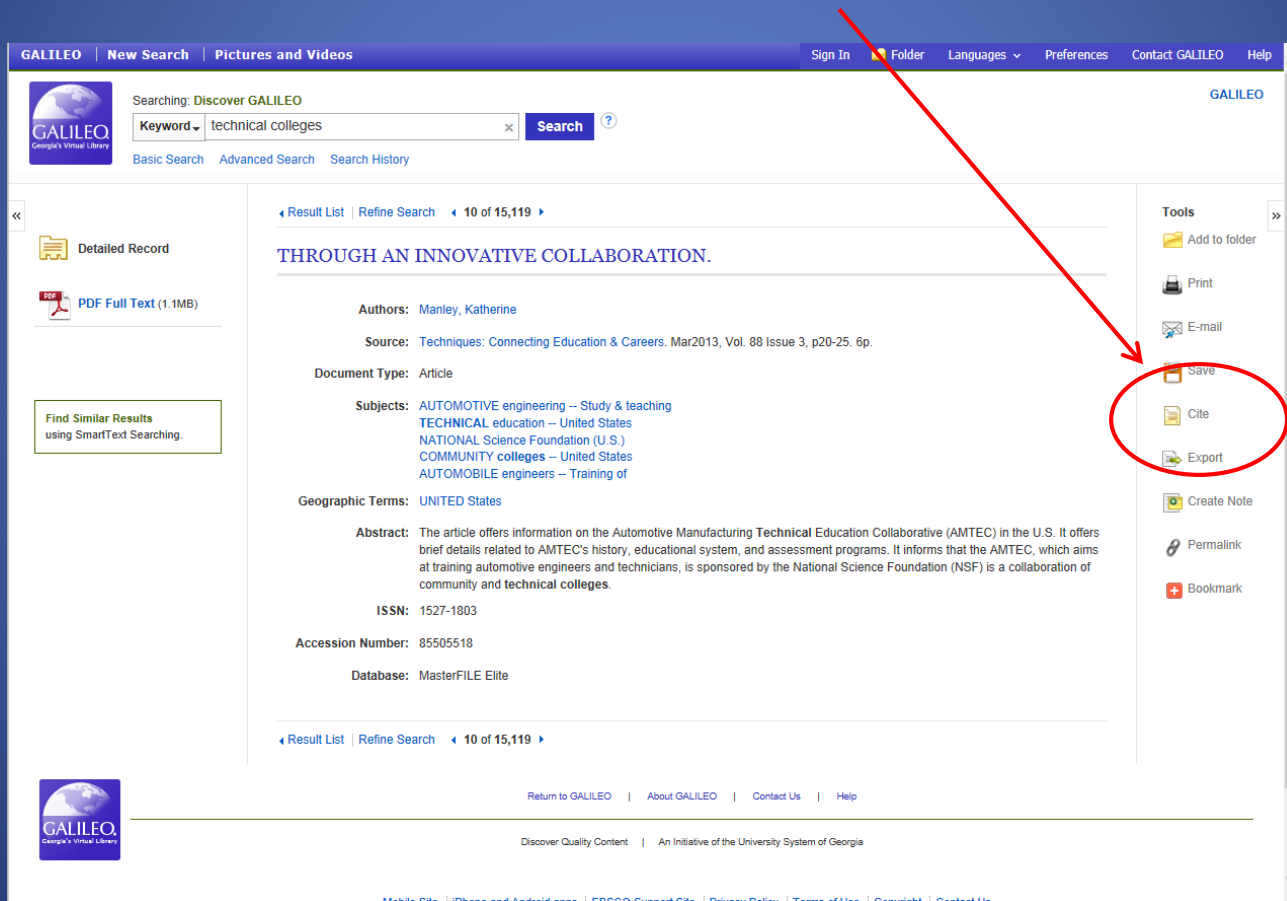

**All sources must be cited**

- GALILEO
- Magill's Medical Guide
- Ebooks on Ebsco

“There should be no difference when considering the intellectual property rights for electronic sources and other resources. The same consideration should be given to intellectual property found on the Internet as with any other information source.” --Taylor, 2007

# GALILEO Article

Most articles will include how to cite

The screenshot shows the GALILEO database interface. At the top, there is a navigation bar with links for 'New Search', 'Pictures and Videos', 'Sign In', 'Folder', 'Languages', 'Preferences', 'Contact GALILEO', and 'Help'. Below this is a search bar with the text 'Searching: Discover GALILEO' and a search box containing 'technical colleges'. The main content area displays the article title 'THROUGH AN INNOVATIVE COLLABORATION.' and various metadata fields: Authors (Manley, Katherine), Source (Techniques: Connecting Education & Careers, Mar2013, Vol. 88 Issue 3, p20-25. 6p.), Document Type (Article), Subjects (AUTOMOTIVE engineering -- Study & teaching, TECHNICAL education -- United States, NATIONAL Science Foundation (U.S.), COMMUNITY colleges -- United States, AUTOMOBILE engineers -- Training of), Geographic Terms (UNITED States), Abstract (The article offers information on the Automotive Manufacturing Technical Education Collaborative (AMTEC) in the U.S. It offers brief details related to AMTEC's history, educational system, and assessment programs. It informs that the AMTEC, which aims at training automotive engineers and technicians, is sponsored by the National Science Foundation (NSF) is a collaboration of community and technical colleges.), ISSN (1527-1803), Accession Number (85505518), and Database (MasterFILE Elite). On the right side, there is a 'Tools' menu with options: Add to folder, Print, E-mail, Save, Cite, Export, Create Note, Permalink, and Bookmark. A red circle highlights the 'Cite' button, and a red arrow points from the text above to this button. The GALILEO logo and 'Georgia's Virtual Library' are visible in the bottom left corner.

# Magill's Medical Guide

## Citation is American Medical Association format

The screenshot shows a Microsoft Internet Explorer browser window displaying the Salem Health website. The address bar shows the URL: <http://health.salempress.com/action/doSearch?type=simple&target=bc...simple&restrict=all&filter=concept&all=epilepsy&occurrences=full&publication=40000053>. The page title is "SALEM HEALTH" and it is identified as the "Family: Southeastern Technical College".

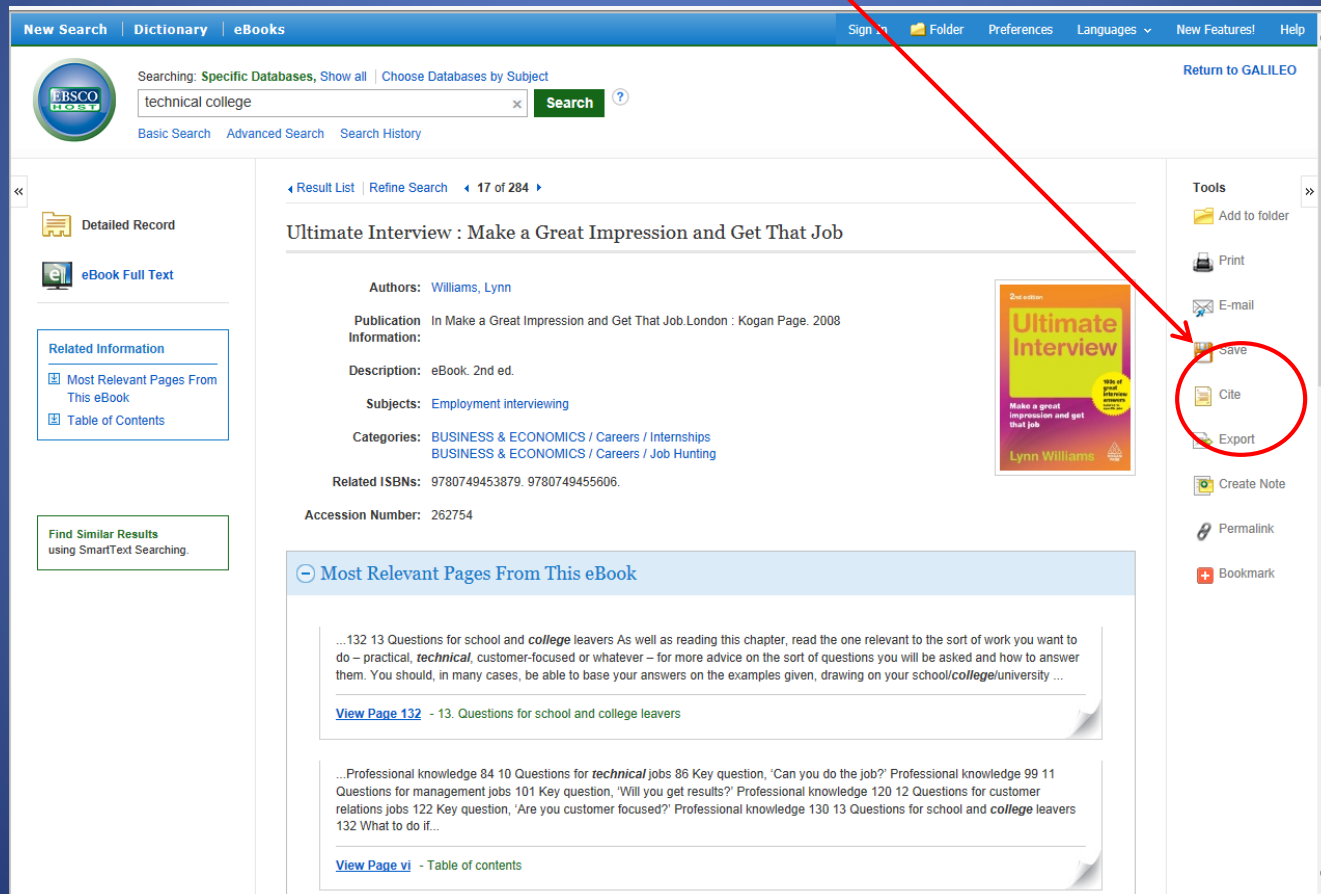

The search interface includes a search bar with "epilepsy" entered, and filters set to "Full Text" and "Magill's Medical Guide". The search results are displayed under the heading "Results 1-20 of 41 for 'Full Text: epilepsy'". The results list includes:

- Epilepsy**  
A serious neurologic disease characterized by seizures, which may involve convulsions and loss of consciousness.  
Sanford S. Singer, Ph.D. ; updated by W. Michael Zawada, Ph.D.  
(MMG - 3,314 words)
- Auras**  
Warning sensations of varying kinds received by the patient prior to a seizure, migraine, or psychotic episode.  
Carol A. Heintzelman, D.S.W. (MMG - 482 words)
- Seizures**  
Asynchronous, paroxysmal discharges of neurons in the brain that result in body movements, unusual sensations, altered perceptions, and/or hallucinations that interfere with normal function and behavior.  
Genevieve Slomski, Ph.D. (MMG - 2,633 words)
- Electroencephalography (EEG)**  
The tracing of the electrical potentials produced by brain cells on a graphic chart, as detected by electrodes placed on the scalp.  
Daniel G. Graetzer, Ph.D. (MMG - 1,277 words)
- Brain disorders**

On the left side of the search results, there is a "Saving to Profile" section with instructions: "Check the box beside each article to save the article or its citation in your Profile. (To create a Profile, click the Logon tab at the top of this page.)". Below this are three buttons: "Save Checked Articles", "Save Citations of Checked Articles" (circled in red), and "Email Citations of Checked Articles". A red arrow points from the top of the page down to the "Save Citations of Checked Articles" button.

# Ebsco e-Books and Articles (GALILEO)

## Help with citations is on the right

The screenshot displays the Ebsco e-Books interface. At the top, there is a navigation bar with 'New Search', 'Dictionary', and 'eBooks'. A search bar contains the text 'technical college' and a 'Search' button. Below the search bar, there are links for 'Basic Search', 'Advanced Search', and 'Search History'. The main content area shows search results for 'Ultimate Interview : Make a Great Impression and Get That Job' by Lynn Williams. The book cover is visible, along with details such as 'Authors: Williams, Lynn', 'Publication: In Make a Great Impression and Get That Job. London : Kogan Page. 2008', 'Description: eBook. 2nd ed.', 'Subjects: Employment interviewing', and 'Categories: BUSINESS & ECONOMICS / Careers / Internships, BUSINESS & ECONOMICS / Careers / Job Hunting'. A 'Tools' sidebar on the right contains various options: 'Add to folder', 'Print', 'E-mail', 'Save', 'Cite', 'Export', 'Create Note', 'Permalink', and 'Bookmark'. The 'Cite' button is circled in red, and a red arrow points from the text 'Help with citations is on the right' to it. Below the book details, there is a section titled 'Most Relevant Pages From This eBook' with two entries: one for page 132 and one for page vi.

# Academic Dishonesty

## STC Codes of Conduct

### Subject to discipline

- Includes, but not limited to
  - Cheating
  - Plagiarism
  - Collusion
- 3-step disciplinary procedure includes suspension from school

--Code of Conduct, 2016-2017

# Cheating Examples

- Copying from another student's test paper
- Using unauthorized materials during a test
- Collaborating with any other person during a test without permission
- Knowingly obtaining, using, buying, selling, transporting or soliciting in whole or in part the contents of an unadministered test
- Bribing any other person to obtain information about tests
- Substituting for another student or permitting any other person to substitute for oneself
- Knowingly altering answers or answer key in order to improve test grade

# Plagiarism

- Copying another person's work and submitting it as your own
- Presenting work completed by someone else as your own
- Taking an idea from someone else and submitting it as your own
- Copying text into an original document without indicating the text with quotation marks or correctly acknowledging the original creator of the work

--Taylor, T. (2007)

# Plagiarism

- Too closely paraphrasing someone else's work and submitting it as your own
- Writing down words spoken by someone else in a face-to-face telephone discussion and submitting them as your own without acknowledging the original source
- Copying diagrams, photographs, images, charts, tables, clip art, and similar items as your own without giving proper credit
- Reusing any media that is in electronic form, such as audio files, video files, applets, and software programs, without giving proper credit to the original creator

--Taylor, T. (2007)

# Collusion

## A form of plagiarism

The unauthorized collaboration with any other person in preparing work offered for credit.

- Can occur with group work
- Acknowledge the work of the group
- Do not let others copy your work

# Cite your sources

- Not giving credit to sources that you use in any project is considered plagiarism.
- Copyright is a form of protection provided by the laws of the United States to the authors of “original works of authorship.”
- For guides on citing your sources in APA and MLA see  
<http://library.southeasterntech.edu/citations.asp>
