STC Code of Conduct

Any student found to have committed the following misconduct is subject to disciplinary sanctions:

1. Acts of dishonesty, including but not limited to the following:

- Cheating, plagiarism, or other forms of academic dishonesty;

--Code of Conduct, 2016-2017

Networked Resources

All sources must be cited

- GALILEO
- Magill's Medical Guide
- Ebooks on Ebsco

“There should be no difference when considering the intellectual property rights for electronic sources and other resources. The same consideration should be given to intellectual property found on the Internet as with any other information source.” --Taylor, 2007

GALILEO Article

Most articles will include how to cite

The screenshot shows the GALILEO database interface. At the top, there's a navigation bar with links like 'New Search', 'Pictures and Videos', 'Sign In', 'Folder', 'Languages', 'Preferences', 'Contact GALILEO', and 'Help'. Below this is a search bar with the text 'technical colleges' and a 'Search' button. The main content area displays article details for 'THROUGH AN INNOVATIVE COLLABORATION.' by Katherine Manley. The details include the source, document type, subjects, geographic terms, abstract, ISSN, accession number, and database. On the right side, there's a 'Tools' sidebar with various options: 'Add to folder', 'Print', 'E-mail', 'Save', 'Cite', 'Export', 'Create Note', 'Permalink', and 'Bookmark'. A red arrow points to the 'Cite' button, which is circled in red. The bottom of the page features a footer with the GALILEO logo and various links.

Magill's Medical Guide

Citation is American Medical Association format

The screenshot shows a Microsoft Internet Explorer browser window displaying the Salem Health website. The address bar shows the URL: <http://health.salempress.com/action/doSearch?type=simple&target=bo...-simple&restrict=all&filter=concept&all=epilepsy&occurrences=full&publication=40000053>. The website header includes the Salem Health logo and the text "Family: Southeastern Technical College". A navigation bar contains links: Home, Search, Browse, Indexes, Glossary, Profile, Logon, Help, and About Salem Health. The main content area is divided into a left sidebar and a right results pane. The left sidebar has a "Search" section with input fields for "Find:" (containing "epilepsy"), "In:" (set to "Full Text"), and "From:" (set to "Magill's Medical Guide"). Below these are buttons for "Search Now", "Clear All", and "Advanced Search". Further down is a "Saving to Profile" section with instructions and three buttons: "Save Checked Articles", "Save Citations of Checked Articles" (circled in red), and "Email Citations of Checked Articles". The right pane, titled "Results", shows "Results 1-20 of 41 for 'Full Text: epilepsy'". It includes filters for "All (41)", "Men (0)", "Women (1)", "Elderly (0)", and "Children (7)". A list of results follows, each with a checkbox and a title: "Epilepsy" (checked), "Auras", "Seizures", "Electroencephalography (EEG)", and "Brain disorders". Each result includes a brief description and the author's name and MMG word count.

Academic Dishonesty

STC Codes of Conduct

Subject to discipline

- Includes, but not limited to
 - Cheating
 - Plagiarism
 - Collusion
- 3-step disciplinary procedure includes suspension from school

--Code of Conduct, 2016-2017

Cheating Examples

- Copying from another student's test paper
- Using unauthorized materials during a test
- Collaborating with any other person during a test without permission
- Knowingly obtaining, using, buying, selling, transporting or soliciting in whole or in part the contents of an unadministered test
- Bribing any other person to obtain information about tests
- Substituting for another student or permitting any other person to substitute for oneself
- Knowingly altering answers or answer key in order to improve test grade

Plagiarism

- Copying another person's work and submitting it as your own
- Presenting work completed by someone else as your own
- Taking an idea from someone else and submitting it as your own
- Copying text into an original document without indicating the text with quotation marks or correctly acknowledging the original creator of the work

--Taylor, T. (2007)

Plagiarism

- Too closely paraphrasing someone else's work and submitting it as your own
- Writing down words spoken by someone else in a face-to-face telephone discussion and submitting them as your own without acknowledging the original source
- Copying diagrams, photographs, images, charts, table, clip art, and similar items as your own without giving proper credit
- Reusing any media that is in electronic form, such as audio files, video files, applets, and software programs, without giving proper credit to the original creator

--Taylor, T. (2007)

Collusion

A form of plagiarism

The unauthorized collaboration with any other person in preparing work offered for credit.

- Can occur with group work
- Acknowledge the work of the group
- Do not let others copy your work

Cite your sources

- Not giving credit to sources that you use in any project is considered plagiarism.
- Copyright is a form of protection provided by the laws of the United States to the authors of “original works of authorship.”
- For guides on citing your sources in APA and MLA see
<http://library.southeasterntech.edu/citations.asp>
