

# Logging into Blackboard for Online Courses

**Angel will no longer be used in 2016. Students will now use Blackboard to access online courses. You WILL NOT be able to ACCESS Blackboard until the FIRST DAY of classes, January 11, 2016.**

## To access Blackboard:

- Go to the [www.southeasterntech.edu](http://www.southeasterntech.edu) college website and click on the **mySTC** tab at the top of the page.
- Click on the Blackboard Icon.
- If automatic access to Blackboard is not granted, enter **43\_9XXXXXXXXX** as your username and enter the same **43\_9XXXXXXXXX** as your password. (Read as 43 underscore and your Student ID Number)
- You will see a black overlay welcoming you to blackboard the first time you log in. Go past this screen to see your course listing and other information on the homepage.
- You may change your password by finding the Personal Information link on the homepage of Blackboard. We recommend that you use your banner web pin #.
- We also recommend that you run the Browser Check from Blackboard on your personal computer to identify programs you may need to install. See the button on the Blackboard Homepage.
- For questions, your best first contact is your instructor.
- Please enter each online class you are taking on January 11, and begin the process of meeting the no show requirements for each online class.
